MEDICAL.

THE GREAT INDIAN MEDICINE.

ROOTS, BARKS, & LEAVES.

CHEROKEE CURE!

An unfailing cure for Spermatorrhœa, Seminal Weakness, Nocturnal Emissions, and all diseases caused by self-pollution; such as Loss of Memory, Universal Lassitude, Pains in the Back, Dimness of Vision, Premature Old Age, Weak Nerves, Difficulty of Breathing, Trembling, Wakefulness, Eruptions on the Face, Pale Countenance, Insanity, Consumption, and all the Direful complaints, caused by departing from the path of nature.

This medicine is a simple vegetable extract and one on which all can rely, as it has been used in our practice for many years, and with thousands treated, it has not failed in a single instance. Its curative powers have been sufficient to gain victory over the most stubborn case.

For those who have tried with their constitution, until they think themselves beyond the reach of medical aid, we would say, *Despair not!* the CHEROKEE CURE will restore you to health and vigor, and after all quack doctors have failed.

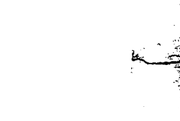
Price, $2 per bottle, or three bottles for $5, and forwarded by Express to all parts of the World.

Pamphlet sent by mail free of postage, by Dr. W. R. Merwin & Co., No. 63 Liberty street, New York. sep29-eod-d&w

GLADNEWS FOR THE UNFORTUNATES!

THE LONG SOUGHT FOR DISCOVERED AT LAST!

Cures in from one



to three days.

CHEROKEE REMEDY,
AND
CHEROKEE INJECTION

Compounded from Roots, Barks and Leaves. *CHEROKEE REMEDY, the great Indian Diuretic, cures all diseases of the urinary organs, such as Incontinence of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Stricture, Gravel, Gleet, Gonorrhœa, and is especially recommended in those cases of Fluor Albus (or Whites in females) where all the old nauseous medicines have failed.*

It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times a day.

It is diuretic and alterative in its action, purifying and cleansing the blood, causing it to flow in all its original purity and vigor, thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the Cherokee Remedy, and should be used in conjunction with that medicine in all cases of *Gonorrhœa, Gleet, Fluor Albus, or Whites.* Its effects are *healing, soothing and demulcent,* removing all scalding, heat, and pain, instead of the burning and almost unendurable pain that is experienced with nearly all the *cheap quack injections.*

By the use of the Cherokee Remedy and Cherokee Injection—the two medicines at the same time—all improper discharges are removed, and the weakened organs are speedily restored to full vigor and strength.

Price Cherokee Remedy, $2 per bottle, or three bottles for $5.

Price Cherokee Injection, $2 per bottle, or three bottles for $5.

Sent by Express to any address on receipt of price.

The Cherokee Remedy, Cherokee Injection, and Cherokee Cure, are sold by all enterprising Druggists in the civilized world. Some unprincipled dealers, however, try to sell worthless compounds in place of these; those which they can purchase at a cheap price, and make more money by selling, than they can on these medicines. As you value your health, life, the health of your future offspring, do not be deceived by such unprincipled Druggists, *ask for these medicines, and take no others.* If the Druggists will not buy them for you, enclose the money in a letter, and we will send them to you by Express, securely sealed and packed free from observation.

Ladies or Gentlemen can address us in perfect confidence, stating fully and plainly their diseases and symptoms, as we treat all diseases of a chronic nature in male or female. Patients cured and healthy, because of their inability to visit us, as we have treated patients successfully in all portions of the civilized globe, by correspondence.

Patients addressing us will please state plainly, all the symptoms of their complaints, and write Post Office, County, State, and name of writer, plain, and inclose postage stamp for reply.

We send our 32 page Pamphlet free to any address. Address all letters for Pamphlet or advice to the proprietors,

MEDICAL.

IMPORTANT TO LADIES.

THE PRIVATE MEDICAL ADVISER, an invaluable treatise of 64 pages, by DR. JOHN HARVEY, published for the benefit of the sex.

On receipt of ten cents it will be sent post paid, in a sealed envelope, to all who apply for it.

It gives a concise description of all the diseases peculiar to females, together with means of cure, and treats of *Conception, Pregnancy, Miscarriage Sterility, Sexual Abuse, Prolapsus, Uterine Weakness, Consumption,* &c., and much other valuable information not published in any other work. Every lady should procure a copy without delay. Three Editions, 50,000 each, have already been published and distributed this year.

HARVEY'S CHRONO THERMAL FEMALE PILLS

the most infallible and popular remedy ever known for all diseases of the female sex. They have been used in many thousand cases with unfailing success—and may be relied on in every case for which they are recommended, and particularly in all cases arising from OBSTRUCTION OR STOPPAGE OF NATURE, no matter from what cause it arises. They are effectual in restoring to health all who are suffering from Weakness and Debility, *Uterine Discharges, Nervousness,* &c., &c., and they ACT LIKE A CHARM in strengthening and restoring the system. Thousands of ladies who have suffered for years and tried various other remedies in vain, owe a renewed state of their health and strength wholly to the efficacy of

Dr. Harvey's Female Pills.

They are not a new discovery but a long tried remedy—the celebrated

DR. JOHN HARVEY,

one of the most eminent physicians, prescribed them for many years in his private practice, and no physician was more truly popular or widely known than him in the treatment of

FEMALE DIFFICULTIES.

All who have used DR. HARVEY'S FEMALE PILLS recommend them to others. Nurses recommend them—Druggists and Dealers recommend them in preference to other medicines, because of their merits. No lady objects to taking them for they are elegantly

Prepared by an Experienced Chemist.

Price One Dollar.

Cut this notice out if you desire Dr. Harvey's Pills or Book, and if you cannot procure them of your Druggist, do not take any other, for some dealers who are unprincipled will recommend other Female Pills, they can make a larger profit on—but enclose the money and send direct to

DR. J. BRIAN, General Agent,
Box 5073. 76 Cedar Street, N. Y.

Who will take all risk if properly directed, and you will receive them post paid, sealedly sealed from observation, by return mail.

SOLD BY DRUGGISTS GENERALLY.

NOTICE TO ALL CONCERNED.—Among a certain class of self-important people there is a peculiar feeling of contempt attached to all physicians that advertise and treat the diseases named in this card, (PRIVATE DISEASES,) why this should be, they not no one else can tell. Are they not aware that all physicians treat diseases of every denomination, in fact solicit just the very diseases that are so obnoxious to those very refined parties. I suppose they would not let one of their family go to a party that has devoted years for their benefit, because he advertises the fact, and their family physician says he is a humbug so he can get the case. Often he has almost deprived the party of his life. He comes at last to the physician that advertises—now else are they to know? Are they not aware that Sir Astley Cooper, Sir Benjamin Brodie, Sir Charles Bell and M. Paul Ricord devoted years in the treatment of these diseases? These men are held up as shining lights in the medical world; I don't assert that all men are worthy that publish, still there are a great number of them just as. Have devoted myself to the study and treatment of PRIVATE DISEASES upwards of 40 years, and without egotism can say I have saved hundreds from years of misery and untimely death. My treatment is confined to the vegetable altogether, as I think it is the best and most certain. It is in my power to bring hundreds of certificates if I thought it necessary to certify to my general success; but my long residence in this city is sufficient proof without adding more. Spermatorrhœa and all diseases arising from it are cured in a much shorter time than heretofore. It behooves every young man and woman to be careful in selecting a physician. The different advertisements that are seen in our papers are of no worth, and no benefit will accrue from answers than only loss of health and money. Hundreds are cured annually by my new remedies. OHIO RIVER BRIDGE.

NOTICE IS HEREBY GIVEN THAT ON MONDAY, THE 24th DAY OF OCTOBER, 1864, the Holliday's Cove Rail Road Company will, under the authority of its charter from the Legislature of Virginia, and under the Act of Congress declaring the Railway Bridge at Steubenville a lawful obstruction, commence the elevation of the channel span of said Bridge, and for this purpose it will be necessary temporarily to obstruct the three hundred feet designed as a channel-way.

Attention of persons engaged in navigation is called to this provision of the second section of the Act of Congress, "and the officers and crews of all vessels and boats navigating said river are required to regulate the use of their said vessels and boats and of any pipes or chimneys belonging thereto, so as not to interfere with the *elevation construction* and use of said Bridge."

All persons are also notified that the span next west of the channel span is erected at an elevation of 66 feet above low water, and there is a water-way exceeding two hundred feet, between the piers, and that the water-way between the piers next east of the channel span also exceeds two hundred feet, and that the headway here will be clear, as the company does not intend to proceed with the erection of this span until the channel span is completed, and the obstructions necessary to its erection removed.

All persons are notified further, that this Bridge is erected without a draw, and that all the requisitions of the Act of Congress have been complied with, by the company.

The erection of the channel span will be proceeded with as rapidly as possible, and due notice will be given as to the time when the obstruction will be removed.

TRIUMPHANT SUCCESS

Two Gold Medals and one Silver Medal.

STRONG INDORSEMENT
Of the Most Eminent Pianists.

The most eminent of the musical profession of New York city, after frequent and thorough trials of my New Scale Piano Fortes, have given them unqualified and unquantified testimonials. The following is a specimen of the testimony. I am constantly receiving from gentlemen entirely disinterested, and still will acknowledge themselves incompetent to judge of the merits of a Piano Forte.

"We have examined with much care Mr. WM. B. BRADBURY'S NEW SCALE PIANO FORTES, and it is our opinion that, in power, purity, richness, quality of tone, and *thorough* workmanship Mr. Bradbury's instruments excel.

"We find great brilliancy and a beautiful singing quality of tone most happily blended. We have not yet seen a square Piano Forte combining so many of the qualities essential to a *perfect* instrument."

To the People of the United States.

The reply of President Lincoln to the protest of the Democratic candidates for Presidential electors in Tennessee must, if duly considered, fill your minds with alarment and apprehension. The effect of this protest is the result of a proclamation of Andrew Johnson, military Governor of that province, directing that an election be held therein on the 8th of November next, and prescribing the mode and manner of election, the qualification of voters, and the oath to be administered as the great test of that qualification.

You are aware that more than three years ago the State of Tennessee formally withdrew from the Union, and by a solemn act of her Legislature, which was submitted to and approved by the people, could constitute such withdrawal. Since that time it has not been treated as one of the Federal States by either the executive, the legislative, or the judicial branches of the Government. Nothing has transpired to change or modify this condition of things generally or particular. If for any reason it was deprived of its rights as a State, it is still.

After the Federal authorities had by force of arms obtained possession of a portion of the territory of Tennessee an officer unknown to our constitution and laws, and entitled a Military Governor, was appointed by Mr. Lincoln to act as a sort of mingled military and civil ruler over these conquered lands. His authority was wholly unlicensed, and appears to be only limited by the will of his superior who is facing toward an expansive war power. Every act of this agent was therefore in an especial degree the act of his principal, who is fully responsible for all that may be done by the subordinate.

Under this state of things a political Convention of the friends of Lincoln and Johnson was recently held at Nashville. They possessed no more legal power than a village debating society, yet they formed an electoral ticket, and passed a series of resolutions recommending the holding of an election. This course was approved by Gov. Johnson and an election ordered accordingly.

Those who were opposed to the election of the abolition candidates, and who constitute at least nine-tenths of the loyal bona fide citizens of the State, concluded that if an election should be held by one party it might also be held by the other. They therefore met in Convention and nominated an electoral ticket favorable to the Democratic candidates, who would be overwhelmingly elected, if a fair opportunity were afforded.

But Governor Johnson was not to be thus thwarted in the purpose of securing this vote to himself and his associates. His ingenuity came to his aid. Among other things, he prescribed a form of oath which will, if enforced, effectually disfranchise most of the true friends of the Union in the State. The test among other things, is required to swear that he "will cordially support all armistices or negotiations for peace with rebels in arms until the Constitution of the United States and all laws and proclamations made in pursuance thereof shall be established over all the people of every State and Territory embraced within the National Union."

No man who intends to vote for the Democratic candidate can conscientiously take that oath. Gen. McClellan in his letter of acceptance has expressly declared that as soon as it is clear, or even probable, that our present adversaries are ready for peace on the basis of the Union, we should exhaust all the resources of statesmanship in order to effect a peace; and also, that when any one State is willing to return to the Union it should be received at once, with a full guaranty of all its constitutional rights. If elected he will be bound to carry out this policy. Every one who votes for him will therefore vote for that very result.

Now, the oath prescribed binds the voter to oppose all negotiations for peace until the Constitution, laws, and proclamations shall be actually established over all the people of every State and Territory. If Georgia should proffer to sever her connection with the Confederate Government, and to submit implicitly to the Federal Constitution and laws, no terms must be made with her. Nay, if all the Confederate States at once should manifest a willingness to lay down their arms and submit to the Federal authorities upon the most reasonable terms, no negotiations must be permitted, according to the condition of this oath. They must be shot down before they can be any negotiation. No one, therefore, can vote in accordance with Governor Johnston's proclamation, except those who are in favor of war continued until a proud, defiant, enlightened belligerent shall consent to sign an unconditional submission to its antagonist. This would amount to an impossible war.

No man can vote that oath who intends to vote for General McClellan, this would be to do a thing that he had sworn not to do the moment previous. To vote for a candidate who declares himself in favor of negotiations for the purpose of securing the rights of the States, is to vote for immediate peace, with the guarantees of the Constitution, and against the continuance of the war. Now, if Governor Johnson's oath be not a fraud, and he means what it purports to mean, he will be compelled to reject the votes of all who do not intend to vote for General McClellan, for this would be to do a thing which
