LABORATORY OF JAMES R. CHILTON & CO.—We have recently made careful analysis of the Samburg Portwine, and do not hesitate to pronounce it *pure*. It contains all the properties of the Port Grape, and therefore for medicinal uses it is, in most cases, superior to other wines. Its principle effects upon the system are mildly stimulating, diuretic, sudorific and tonic. It will prove beneficial in Affections of the Kidneys, and Chronic Diseases with General Debility of the Constitution.

Physicians may safely recommend it to patients in place of the many doubtful mixtures too often sold as pure Wines.
