TO THE GENTLEMEN OF PITTSBURGH.

THE subscriber most respectfully informs the gentlemen of this city and vicinity that he has commenced the BOOT and SHOE making business in Fourth street, opposite the Mayors office. Having been foreman in some of the most fashionable Boot Shops in the Eastern cities; and having furnished himself with the best French and American Calf Skins, he hopes by his attention to business to merit a share of public patronage. To those gentlemen who have kindly patronized him he returns his sincere thanks and can with confidence appeal for the goodness of his work and knowledge of his business.

TO THE PUBLIC.

This is to certify that the subscriber has been for some time afflicted with the Rheumatism very severely, from which he could get no relief, until, being advised to procure some of Dr. Fitch's INDIAN VEGETABLE ELIXIR, which he accordingly did, and from which after a few doses, he was entirely relieved.

SAM'L PEARSE.

Columbia, April 6, 1752.

Near Rice Creek Springs,
Richland District, S. C., April 30, 1838.

I certify, that my son, Thomas Mitchel, Jr., aged 15 years, has been troubled for eight years last past with the Rheumatism, and for the last three years has been unable to help himself; his pain was very severe, so that he could not be moved without great agony; his limbs were paralized and drawn up, and he presented an object hopeless to all who knew him. I resorted to several Physicians for relief for him, without effect. Having heard of Dr. A. Fitch's Indian Vegetable Elixir, I procured the same for my son. On taking it he was much relieved, and by continuing it to the fourth bottle, has entirely removed the pain, his flesh is restored and he is now enjoying good health. I would, in a case of Rheumatism, earnestly recommend it to those who are afflicted with this excruciating pain. THOS. MITCHELL

W being neighbors and acquaintances of Mr Thomas Mitchell, and having often seen the situation of his son, fully corroborate the above case, and, as we believe has been cured by the Indian Vegetable Elixir.

The above, with a *very large assortment* of other valuable medicines, have just been received and are for sale by the quantity or single bottle, at TUTTLE'S, 86 Fourth st.

INFORMATION WANTED.

ON the 28th day of November last, a son of the subscriber named JAMES KELLY, then about 9 years of age, left his house; he was seen a few days after in Sharpsburgh. He has a fair complexion and fair hair and is rather heavily built. On the 30th of the same month, his brother, a boy then aged about ten years, also went away. His name is EDWARD KELLY: he has red hair and dark eyes. It is probable that both the boys may deny their true names and assume others. Any information concerning them will be gratefully received by their afflicted parents.
