The undersigned do not wish, nor is it their intention to deceive the public by promises, which they cannot fulfil, for they depend solely on the character of their pictures for patronage. Citizens and strangers, one and all, are invited to call and examine specimens.

N B.—Complete sets of the improved patent apparatus furnished on the most reasonable terms.—Plates, Cases, Frames, Chemicals, and every thing connected with the business, at the lowest cash prices.

As Usual.

NO sooner does one of Dr Leidy's preparations become popular, in consequence of its success and efficacy, than it is counterfeited and imitated.

To prevent imposition, Dr Leidy has now procured moulded bottles for his celebrated Tetter and Itch Ointment, with the words 'Dr Leidy's Tetter and Itch Ointment,' blown in the glass, besides containing his written signature on a yellow label outside.

Dr Leidy's Tetter and Itch Ointment has proved more efficacious than any other preparation for Tetter, Itch, Dry and Watery Pimples or Pustules, and diseases of the skin generally.

It has been employed in schools, factories, and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success: certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objections most persons have, to having their names published in connection with such disagreeable and loathsome affections.

In no single instance has it ever been known to fail.

It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances.

Price Twenty-five cents a bottle. Prepared and sold at Dr Leidy's Health Emporium, (sign of the Golden Eagle and Serpents,) and by B A FAHNESTOCK & CO. corner of Wood and Sixth streets, Agents for Pittsburgh. july 12

Dr. Leidy's Tetter & Itch Ointment.

FOR the cure of every variety of Tetter, the Itch, and all diseases of the skin, has proved itself more efficacious than any other preparation for the same purpose in use.

Upwards of five hundred certificates might be procured and published of its efficacy from School Teachers, Proprietors of Factories, Parents, Guardians, Child Nurses, Captains of vessels and others, were it not for the delicacy in having their names published in connection with such disagreeable affections.

By the use of Dr Leidy's Tetter Ointment in conjunction with his extract of Sarsaparilla or Blood Pills, he will guarantee to cure any disease common to the skin, however bad, or of however long standing, or refund the money. There are however very few instances but can be cured by the Ointment alone.

Price, 25 cents a box.

Prepared only and sold wholesale and retail at Dr Leidy's Health Emporium, 191 N Second st. Philadelphia, and by B A FAHNESTOCK & Co. corner of Wood and Sixth streets, Agents for Pittsburgh.

CINCINNATI, February 15, 1840.

DR SWAYNE—*Dear Sir:* Permit me to take the liberty of writing to you at this time to express my approbation and to recommend to the attention of heads of families and others your invaluable medicine—the Compound Syrup of Prunus Virginiana, or wild cherry bark. In my travels of late I have seen in a great many instances the wonderful effects of your medicines in relieving children of very obstinate complaints, such as coughing, wheezing, choking of phlegm, asthmatic attacks, &c, &c. I should not have written this letter, however, at present, although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an "only child," whose case was almost hopeless, in a family of my acquaintance. "I thank God," said the doating mother, "my child is saved from the jaws of death. O how I feared the relentless grasp." But my child is safe, is safe!"

Beyond all doubt, Dr Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it myself in an obstinate attack of Bronchitis, in which it proved effectual in an exceedingly short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and often beneficial—worth double and often ten times its price. The public are assured there is no quackery about it. R. JACKSON, D D

formerly pastor of the 1st Presbyterian Church, N Y

TO FEMALES.

THERE is a large class of Females in this city who from their continued sitting, to which their occupations oblige them, are affected with costiveness which give rise to palpitation at the heart on the least exertion, sense of heaviness extending over the whole head, intolerance of light and sound, an inability of fixing the attention to any mental operations; rumbling of the bowels, sometimes a sense of suffocation, especially after meals when any exertion is used, as going quickly up stairs; temper fickle; these are symptoms which yield at once to a few doses of the Brandreth Pills. The occasional use of this medicine would save a deal of trouble and years of suffering.—One, or two, or even three of the Brandreth Pills just before dinner, are often found highly beneficial; many use them very advantageously in this way; they assist and aid digestion, restore the bowels to their proper action, enlivens the spirits, imparts clearness to the complexion, purify the blood, and promote a general feeling of health and happiness.

Sold at Dr. Brandreth's Office, in the Diamond, Pittsburgh—Price 25 cents per box, with full directions.

MARK—The only place in Pittsburgh, where the genuine Pill can be obtained, is the Doctor's own Office, Diamond, Sep. 10.

DR. WM. EVANS' SOOTHING SYRUP.

This infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months, tho' there is no appearance of teeth, one bottle of the Syrup should be used to open the pores. Parents should never be without the syrup in the nursery where there are young children, for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease, by opening the pores, and healing the gums, thereby preventing convulsions, fevers, &c.—For sale wholesale and retail by

LIVER COMPLAINT cured by the use of Dr Harlich's compound Strengthening and Aperient Pills. Mr. Wm. Richards, of Pittsburgh, Pa., was entirely cured of the above distressing disease. His symptoms were pain and weight in the left side, loss of appetite, vomiting, acid eructations, a distension of the stomach, sick headache, furred tongue, countenance changed to a citron color, difficulty of breathing, disturbed rest, attended with a cough, great debility, with other symptoms indicating great derangement of the functions of the liver. Mr Richards had the advice of several physicians, but received no relief, until using Dr Harlich's medicine, which terminated in effecting a perfect cure.

Lal what makes your teeth so unusually whith?
Quoth Josh's dulcinia to him t'other night,
To make yourn look so, with a grin, replied Josh,
I've bought you a bottle of Thorn's Tooth Wash,
'Tis the best now in use, so the gentlefolks say,
And since they have tried this, cast all others away.
But to prove it the best to make the teeth shine,
Look again, my dear Sal, at the lustre of mine:
Then try this great tooth wash,
The Teuberry tooth wash.

And see if this tooth wash of Thorn's is not fine.

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant tooth washes now in use. DAVID HUNT, Dentist.

Pittsburgh, Sept. 15, 1842.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.

J. P. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentrifice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.

CERTIFICATE.—The following letter from Major General Sandford, as to the External Remedy, speaks volumes.

NEW YORK, Feb. 9, 1842.

Dear Sir: Will you oblige me with another bottle of your excellent Liniment? It is certainly the best of the kind I have ever seen. It has cured entirely my son's knee, about which I was so uneasy, and I have found it productive of immediate relief in several cases of external injury in my family. A few evenings since, my youngest child was seized with a violent attack of croup, which was entirely removed in twenty minutes, by rubbing her chest and throat freely with the External Remedy. I think you ought to manufacture this Liniment for general use, instead of confining the use of it, as you have heretofore done, to particular acquaintances. Yours truly,

BARON VON HUTCHELER'S PILLS

These Pills are composed of herbs, which exert a specific action upon the heart, give impulse or strength to the arterial system; the blood is quickened and equalized in its circulation through all the vessels, whether of the skin, the parts situated internally, or the extremities; and as all the secretions of the body are drawn from the blood, there is a consequent increase of every secretion, and a quickened action of the absorbent and excretory or discharging vessels. Any morbid action which may have taken place is corrected, all obstructions are removed, the blood is purified, and the body resumes a healthful state. IMPORTANT FACTS.

DR. LEIDY'S Sarsaparilla Blood Pills are applicable in all cases, whether for *Purgatives or Purification*. They possess all the boasted virtues of other pills, and are additionally efficacious, containing Sarsaparilla in their composition, which is not contained in any other pills in existence. They are also different from other pills in composition, being purely *vegetable*, and can be employed at all times, without any danger, and requiring no restraint from occupation or usual course of living.

Notwithstanding Dr. Leidy never pretended his Blood Pills would cure all diseases, yet it is not saying too much of them, from the innumerable cures performed by them in every variety and form of disease (certificates of many of which have been published from persons of all denominations, physicians, clergymen, and others) that they seem to be almost universal in their effect; and persons using them for whatever sickness or disease, may rest assured that they will be found more efficacious than any other pills in existance.

From the known reputation of Dr. Leidy's Blood Pill, it is necessary to remind the public where they can at all times procure the genuine, as it is attempted to impose other pills, called the 'Blood Pills' upon the public on the reputation of Dr. Leidy's. ☞ Be particular and ask for Dr. Leidy's Sarsaparilla Blood Pills, and see that the name of N B. Leidy is contained on two sides of each box, (the boxes being of paper, and oblong, square shape, surrounded by a yellow and black label.
