The Daily Morning Post.

PITTSBURGH, PA.

TUESDAY MORNING, MARCH 5, 1844.

NEW PUBLICATIONS AT COOK'S.—*The Life and Adventures of Jack of the Mill*, commonly called Lord Othillo; a fire side story by William Howitt.

The Unloved One; a domestic story by Mrs Hofland.

The Management of the Sick Room, with rules for diet, cooking for the sick, &c., compiled from the latest medical authorities, by a lady.

All of the above works are well worth reading and are sold at very low prices.

NEW PUBLICATIONS AT COOK'S.—*The Methodist Preacher*, or Lights and Shadows in the life of an Itinerant. Published in numbers by R Berford, Phila.

The Heretic, translated from the Russian by Thos. B Shaw. We have not read this work, but judging of its contents from the translators preface, we would suppose it to be interesting, as it will furnish a specimen of the Literature of a country but little known to American readers.

Ladies' Companion.—The March number of this Magazine maintains its well established character. Besides its unusual amount of reading matter from popular writers, it contains two steel engravings and a plate of the March Fashions.

A true History of Deacon Giles' Distillery.—Our friend Harris has received a supply of this publication. It is a curious and interesting publication, and sets forth the evils of intemperance in a painful manner.

JOURNEYMEN CABINET MAKERS.—We are pleased to learn that the employers generally have agreed to the new bill of prices arranged by the Journeymen, and that those who still refuse only require an alteration in two or three unimportant items of the bill.—The prices fixed by this bill will allow the workmen nothing more than a fair remuneration for their labor, and will not be burdensome on the employers.

ANOTHER DEATH AT WASHINGTON.—The Hon. Henry Frick, member of Congress from Pennsylvania, died at Washington, last Friday, at noon.

PROGRESS OF ASSOCIATION IN N. Y.

A gentleman in Rochester writes to the editor of the Tribune as follows:

"In regard to our three Associations of this city and vicinity, they are growing in prosperity, although not too fast, I hope. The one at Clarkson is already in operation, and members every day flocking to it. The Sodus Bay Association is organized and the property secured by bargain—$40,000 are subscribed—a fair portion of which is cash; so that the first payment of $7 000, for which they were to have two years, can be made deinstantly; there are 800 applicants, twice as many as required for this place. The Bloomfield Association, which is composed of a most talented band of men, is fast organizing, and will, with the Sodus Bay Association, go into immediate operation. This last is composed of many men of capital, among whom may be found Lawyers, Doctors, Merchants, and many able Farmers. Altogether, there not less than 1500 applicants for members to these three Associations.

Yours, &c.

MARYLAND.

Noah's Messenger thus discourses about the Maryland Election:—"How have they (the whigs) managed to sweep over all Maryland at the recent election? Why by capital, skill and dexterity. Maryland is deeply in debt, and when a tax was levied to pay the interest, the people were about lynching the tax gatherer. "Pooh, pooh," said the whigs, "put up your guns and go to the ballot boxes, vote for us; we intend to pay the debts of the States." Maryland glad to get any body to pay her debts, and believing such a foolish scheme practicable, did elect a full whig delegation to Congress. This is the card to be played in Mississippi, Illinois, and other States owing large sums of money.

FOR SAFETY,

Travellers should select Boats provided with Evan's Safety Guards for preventing Explosion of Steam Boilers

IT would be well for the traveling community to bear in mind that their security depends entirely upon their own encouragement of boats that have or may be at the expense of procuring the above apparatus. And that every individual making such selections is contributing towards a general introduction of an invention admitted by all men who understand the principles of the Steam Engine, to be a sure preventative against those dreadful disasters. You have certainly, in the hundreds of explosions that have already taken place, their almost daily occurrence, and the thousands of lives that have already been lost, a sufficient warning, and inducement to make inquiry for a Safety guard Boat, and in every case to give it the preference. They have went to an additional expense that your lives may be secure. Ought you not therefore to meet them with a corresponding degree of liberality, and by your preference show that you appreciate their laudable endeavors to stop this awful sacrifice of human life. They do not charge more than other boats; their accommodations in other respects are equal, and in many cases superior; and as there is one leaving Pittsburgh every day, why will you run any risk, when it is so completely in your own power to avoid those disasters.

All boats marked thus [*] in the List of Arrivals and Departures, in another part of this paper, are supplied with the Safety Guard.

For Sale and To Let.

VALUABLE REAL ESTATE FOR SALE.

WILL be sold at public outcry, on Wednesday, the 10th day of April next, at 10 o'clock A M, at Wellsville, Ohio, sundry houses and lots, viz: The undivided half of the

Union Hotel,

With Stabling on the adjoining Lot,

now in the occupancy of Mr Way. The house is large and well calculated for a tavern, being now occupied as such. Also, one frame dwelling house and lot, with a good convenient sized store room attached, lately occupied by Cyrus Black; one well finished frame dwelling house and lot, with bark buildings lately occupied by Lawson & Martin; one frame dwelling house, lately occupied by Mr Martin, likewise, the FOUNDRY PROPERTY formerly owned and occupied by A G Richardson. This is a large spacious building, well calculated for the purpose it was intended for, and was carried on successfully by Mr Richardson, previous to his moving to Cincinnati, since which it has not been put in operation; but the stack (a very superior one) is still standing and in good order, and with very little expense the foundry could be put in operation. This property is certainly worthy the attention of any person with a small capital desirous of engaging in that kind of business, it being one of the best situations on the Ohio River for disposing of the manufactured articles, and it will be sold no doubt at a great sacrifice.

There will be sold at the same time, half of an acre of coal land nearly joining the foundry property, besides six unimproved lots, viz: Nos 2, 4, 5, 7, 10, and 13. All the foregoing property is in the town of Wellsville, Columbiana county, Ohio.

AMERICAN PORTABLE BOAT LINE,

For the transportation of

MERCHANDIZE AND PRODUCE

BETWEEN

PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,

AND

NEW YORK AND BOSTON.

H. DEVINE,

RESPECTFULLY informs his friends and shippers generally, that he has changed the name of his Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily, from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S

UNITED STATES

PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (where canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:

CHARLES A. McANULTY,
At the Depot, Canal Basin, Pittsburgh.
ROSE & MERRILL,
