The Daily Morning Post.

PITTSBURGH, PA.

SATURDAY MORNING, MAY 18, 1844.

TEETHARES.—We understand that a large accession has been made to the cold water army during the post week. A large number of our most respectable and influential citizens have enrolled themselves as members.

PROFESSOR WHITNEY.—We learn from the Age that this "distinguished stranger" has sloped from the city without paying his printing bill at that office, and has also left the lady with whom he stopped minus the amount of his boarding. He likewise forgot to adjust a small debt which he contracted at this office, and we suppose every other establishment in the city has suffered in like manner.

We have in our office the drawing of a locomotive engine, manufactured at the establishment of Wm. Norris & Co., Philadelphia. It is worthy the inspection of our mechanics who are engaged in the engine business.

POSTPONED.—The exhibition of Fire Works at Broadhurst's has been postponed until Tuesday evening.

THE FAT GIRL is astonishing the people of Lancaster, and the "Healthy Brothers" are drawing crowded houses at Cincinnati.

☞A meeting of the Democratic Committee of Correspondence, for Allegheny county, will be held at the house of Henry Cassiday, on *Saturday*, the 25th instant, at 10 o'clock, A. M Business of general importance will be laid before the committee; punctual attendance is requested.

J. B. GUTHRIE, Chairman.

H DEVINE, E G WHITESIDES, BUZBY & BROTHER, } Proprietors;

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transshipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

PORTABLE BOAT LINE

For the transportation of Merchandize to and from

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c
