FINANCE AND TRADE.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, April 29, 1868.

The gold market opened strong at 139¼, but on large offers to sell, declined to 139¼ to 139, and dull. There is little disposition among brokers or importers to buy gold at present prices, although it is admitted that the market will not have the full benefit of the large payments of coupons in May. A decline is inevitable from the unwillingness for purchasers to buy now. The advance in the French rentis from 64 to 69, and of Consols from 92¼ to 93¾ and 93⅞, will stimulate investments in American securities, and will thus be adverse to any large shipments of specie.

Government securities are on a standstill. Money has not become so plentiful yet that people will rush and invest at present high prices; the only purchasers in the market are spectulators, who may advance the prices on themselves, but will not be able to get the public to buy at their own prices. Bonds are, like any other article of commerce, subject to the same laws that govern advance and decline; the advance was too sudden during the last few days, and people pause and hesitate to buy ot such high prices when it will take a whole years' interest to pay for the additional premium.

Stocks are lower and parties who have bought during the last weeks decline are realizing now and await a further turn in the market. There is an improved demand on local securities, simply to realize the dividends due during the early part of May. A large number of small mortgages are now offered for sale at rates that must be ruinous to the seller, but properties that have been bought when prices were still higher than they now are, cannot be sacrificed without a strong effort to raise even usurious interest.

Closing quotations as received by Ph. R. Mertz, were as follows:

PITTSBURGH PETROLEUM MARKET.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, April 29, 1868.

CRUDE—The market for crude oil has been rather active to-day, but prices are weak at the quotations. This fact is probably occasioned by the prospect of a rise in the Allegheny. We can report the following sales: 1000 bbls spot at 10c; 800 do at 10c; 950 do at 10c; 2000 for May, seller's option, at 10c; 2000 for June, seller's option, at 10c; 6500 bbls first water, at 10c. Contract sales were of 3000 bbls, buyer's option till October 1st, at $4 per bbl, in tanks at Oil City, purchaser paying $1 per bbl in advance. In the absence of transactions, we quote all the year, buyer's option, at 12½ cents.

REFINED—The refined market rules firm and prices have advanced. We are cognizant of the following transactions: A "line" of 6000 bbls, from August to November, inclusive, 1500 bbls each month, at 30c; a "line" of 3000 bbls from July to December, inclusive, 500 each month at 29½c; 500 for May, at 27½c; 500 for June, at 27½c; 1000 for June, at 28c; 1000 for July, at 28c; 1000 last June, buyer's option, at 28c; 500 last half July, buyer's option, at 28c; 500 all the year, at 32c.

PITTSBURGH MARKETS.

OFFICE OF THE PITTSBURGH GAZETTE, WEDNESDAY, April 28, 1868.

Trade continues active and improving in the aggregate of transactions, but since our last, prices of the leading staples are without material change. The weather for a considerable portion of the day interfered with out-door transactions. Flour continues very active, and under lighter receipts and advices from the West of higher rates, together with the active inquiry, and small stocks in store, holders are asking stiffer rates for choice brands, and are anticipating another advance. The demand for Bacon and Lard is very active, and prices are still tending up. Groceries are in fair demand, and Coffees are advancing. The following are the ruling wholesale quotations:

GROCERIES—During the past week there has been an active inquiry for Groceries. With the advance in gold Coffees are advancing. Refined Sugars are ¼ cent higher, and firm at quotations given below. Syrups are advanced from 5c to 10c per gallon. White Fish and Lake Herring have advanced 50c per half barrel, and continues very firm at quotations.

SUGARS—New Orleans, 14½c to 16c; Cuba, 12½ to 13c; Porto Rico, 13c to 14c; Crushed, 18c; "A" Coffee, 17c; "B" do, 16½c; Extra "C," 16¼c.

COFFEE—Prime Rio, 26½ to 27c; good, 24c; fair, 22c; Old Government Java, 37½ to 38c; Laguayra, 28c.

MOLASSES—New Orleans, 90 to $1; Cuba, 65 to 70c; Porto Rico, 70 to 75c.

SYRUPS—"Lovering's," $1; "Booth & Edgar," 85c; "Amber, 75c; "Drips," $1.05 to $1,10.

SPICES—Cassia, 80 to 85c; Cloves, 50c; Pepper, 38c; Allspice, 35c; Nutmegs, $1,50.

RICE—Rangoon, 11¼c; Carolina, 12½c.

STARCH—Madison, 8c; Silver Gloss, 12½c, and Corn Starch, 13½c.

FRUITS—Layer Rasins, $4,75 per box; Valentia, 20c per lb; Prunes, 17c; Currants, 14c for new.

BAR LEAD—12c; Shot, $3,50 per bag.

SOAPS—"Babbitt's," 12c; "Oakley's," 11½c; Rosin, 4½ to 6c; "Dobbin's," 15c.

CANDLES—Mould, 16c; Star, 23c.

CONCENTRATED LYE—$7,50 per case.

BI CARB SODA—$8,50 per 100.

FISH—White Fish, $8,00; Lake Herring, $4; Mackerel No. 1, $22; No. 2, $18,00; No. 3, $14,50; in half bbls, 50c more.

TOBACCO—Black 5s, 10s, ¼s and Louisville Navy, 72 to 75c; Wm. H. Grant's 10s and Navy, 80c; C. & D. Tobacco, 22c to 25c for best.

TEA—The market is firm and prices are higher for new crop. Choice Young Hyson, $1,75; fair, $1,50; common to good, $1 to $1,35; Oolong, 75c, 85c, 90c, $1, $1,25 and $1,35; good Porto Rico, $1 to $1,85, as to quality. Imperial, $1 to $1,85. Japan—Choice, $1,30; fair $1.

FLOUR—The market was excited and sales were very large. For the past few days, with the exception of yesterday, the receipts have been heavy, but the demand was sufficient, with the orders on hand, sold ahead to carry off the surplus receipts and leave a bare market. We see by private dispatches from Chicago this afternoon that choice brands of Spring were fully 25c higher, owing to a better feeling in Wheat. The demand here is much greater than our dealers expected. The advance at Chicago to-day has not changed the price in this market as yet, but holders are more firmer. We quote the prices of the following brands: Dayton Snow Flake (White Winter) $13; White River (Red Winter) $12; Jenking Mills, $12; Crossetts, $11,75; Emerald, $11,50; Medium brands, $10,50 to $11; Rye Flour, $9,50 per barrel.

GRAIN—The receipts are very light, but prices have not undergone any material change. Shelled Corn is scarce and commands $1,05 to $1,10 from elevator. Oats from first hands brings 77 to 79c, and from store 80 to 83c. On track Rye sold at $1,85 to $1,30, with a good demand and light import. Barley is scarce and nominal at $2,50. There is no Wheat coming in except that bought by millers in the West; quoted nominally at $2,40 to $2.45 for No 1 Spring; Red Winter, $2,65 to $2,70; and White Wheat, $2,70 to $2,75.

BEANS...None in market, and White small would readily bring $5 per bushel.

BUTTER—Prices are drooping. To-day prime to choice Roll was rather dull at 40 to 45c.

EGGS—Market firm at 23c.

PROVISIONS—The market is active at the following prices. We now quote Mess Pork at $28,50 per bbl; Sugar Cured Hams, 19¾ to 20c; do Canvassed, 20¾ to 21c; Shoulders, 14¼ to 14½c; Ribbed Sides, 16½c; Clear Sides, 18½c; choice Dried Beef, 23 to 24c, and Lard, 19c per pound.
