WEDNESDAY MORNING, JULY 17, 1844

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR JULY.

Josiah King, J. Carothers, W. J. Howard.

DEMOCRATIC COMMITTEE OF CORRESPONDENCE.

The Committee of Correspondence appointed by the late County convention, will meet at the Court House, in the City of Pittsburgh, on *Saturday*, the 20th day of July inst., at 10 o'clock A M.

☞ Punctual attendance of the members is requested as business of importance will be laid before the Committee.

July 2nd, 1844.

CIRCUS.—Mr Stickney has been drawing first rate houses, and the performances give much satisfaction to the visiters. It would add much to the comfort of the audience if the police would adopt some means to preserve better order among the rabble of boys who gather round the Pavilion and behave in the most disorderly manner.

HANNINGTON'S DIORAMAS.—We understand that this interesting exhibition will be exhibited in Allegheny city for a few days: it will be opened in the latter part of the week.

BY LAST NIGHT'S MAIL.

LATER FROM PHILADELPHIA.

[Correspondence of the Baltimore Sun.]

PHILADELPHIA, July 14, 1844.

Three o'clock, P M.—Nothing has occurred to disturb our peace so far. The evil disposed in the lower part of our county caused an alarm last night. In my last I mentioned that two prisoners were to be taken from the guort room down to the Moyamensing prison, and that a detachment of cavalry were to accompany them. The cavalry returned without any attempt having been made at a rescue. After night an alarm was caused at head quarters, from a report that a mob had collected in front of the prison. Orders were immediately sent to the head quarters of the 2d Brigade, at Fifth and Green streets; in half an hour from the time they received the order, the Brigade was reported ready to march from the head quarters at Girard Bank. The distance from the two positions is a mile and a half, and that half hour includes the time spent in equipping, loading, and supplying the men with ammunition. The alarm was discovered to be unfounded.

The troops now here, it is expected, will be relieved to morrow by the arrival of new troops.

The examination of witnesses closed last evening with the evidence of Sheriff McMichael. The testimony of Col Bradford, aid to Gen Cadwallader, is worthy of publication. I would give it to you but it is too lengthy to be used by you for to-morrow's paper. You will receive the whole map of the testimony given by the Ledger to-morrow. Col Bradford proves that the military were perfectly justifiable in firing when they did. A police officer named Hemphill, also sweares that a police man named Dougherty, was shot dead by a pistol in the hands of one of the mob, before the fire of the military.

LOUISIANA ELECTION.

The New Orleans Picayune received last night gives additional returns from a number of the Parishes. Besides those previously elected, these returns exhibit the election of 13 democrats and 10 whigs to the Legislature, and 11 democrats and 7 whigs to the Convention.

NOTICE.—The conferees appointed at the late Democratic Convention, will meet those of Butler county, at Bakerstown, on Thursday the 25th inst. at 11 o'clock, P M., to put in nomination a candidate for Senator, to be supported by the Democracy of the district

ROBERT PORTER,
Chairman of Allegheny Conferees.

The utmost attention to the comfort and convenience of the visiters has been held in view in the fitting up of this magnificent concern, and the manager flatters himself that the whole of the internal arrangements are of that superior order which will meet with the merited approbation of a liberal and enlightened community.

THE Allegheny Mutual Insurance Company, commenced issuing policies the 18th May last.

The Policies and applications for Insurance sometimes exceed the amount its charter required to commence with, creating a fund already sufficient to meet any probable loss that may occur; as is tested by all the reports of well conducted institutions of the kind, and daily augmenting its capital by the accession of new members.

The terms of Insurance are as favorable as those of any other institution in the city, and its principles need only be known to vastly increase its business and extend its usefulness.

Transportation Lines.

AMERICAN PORTABLE BOAT LINE,

For the transportation of

MERCHANDIZE AND PRODUCE

BETWEEN

PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,

AND

NEW YORK AND BOSTON.

THE PROPRIETORS

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the western cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S UNITED STATES

PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:

At the Depot, Canal Basin, Pittsburgh.
ROSE & MERRILL,
