PITTSBURGH, PA.

FRIDAY MORNING, AUGUST 9, 1844.

☞On our outside form will be found the proceedings of the 'American Republican Association of Allegheny County'—Poetry, &c., &c.

☞Governor Thomas of Maryland, is out in the Maryland papers with a card in relation to his family difficulties, and challenges Governor McDowell, Col. Benton, and the friends and connexions of Mrs Thomas, to a judicial investigation.

ANOTHER FIGHT AMONG THE NEW YORK FANCY. It was correctly reported in New York, that a pugilistic match for $2500 has been made between James Sullivan and William Harrington, and one for $2000 between McCleester and Thomas Heyer.

☞The Democrats of Hamilton county, Ohio, have nominated JAMES J. FARAN, former Speaker of the State Senate, for Congress.

NORTH CAROLINA ELECTION.

We have received returns from only seven counties to-day, which we give below. They do not alter the opinion we expressed yesterday, that the State would go for the whigs. If they were to lose North Carolina, they would certainly lose all hope of getting a respectable minority, as there only five States in the Union that gave them a larger majority, comparatively, in 1840 than it—namely, Kentucky, Vermont, Massachusetts, Rhode Island and Louisiana. The latter State is now against them, as is shown by the late election in it. If the whigs shall lose in the other States as they have lost in Louisiana, and are likely to lose in North Carolina, the following will be their pyramid:

Splendid Paintings for Sale.

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentlemen for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoiseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALL, in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.

Bureau of Construction, Equipment and Repairs, July 18, 1844.

TO carry into effect that part of the act of Congress, making appropriations for the naval service for the fiscal year, ending June 30, 1845, which relates to the purchase of American water-rotted Hemp—

Proposals will be received at this Bureau, until 3 o'clock, P M, of the 29th day of August next, for delivering at the Navy Yard, Charlestown, Mass., two hundred tons of American water-rotted Hemp.

This Hemp must be equal in quality to the Riga Rein Hemp heretofore purchased for the Navy, samples of which are now in the said navy yard—must be delivered free of all expense to the United States, and be subject to the inspection and approval of persons who will be appointed by, and act under, instructions from the Navy Department.

Persons making offers must state the price asked per ton of 2240 pounds, delivered at the Navy Yard, and must forward with them the offers of persons of sufficient property to become sureties in one third the amount of the contract, for its performance, if the offer should be accepted.

Separate proposals will be received for quantities of not less than thirty tons, nor more than two hundred tons. To diminish the hazard to contractors of forwarding hemp from the Western States, which may not be of proper quality or sufficiently well prepared, the Secretary of the Navy has appointed two agents, who will, when requested, inspect that which may be prepared to fulfil contracts to be made under this advertisement. One of these agents will inspect the Hemp that may be sent to Louisville, Kentucky, and the other that which may be sent to St Louis, in Missouri. These agents will be furnished with samples of Riga Rein Hemp, and with the means of testing Hemp, and will be ready to give all information in their power, to enable contractors to have their hemp properly prepared, and to ascertain the strength and character of it, before the expense of sending it to the navy yard is incurred. It must be distinctly understood, however, that the inspection and opinion of these agents is merely to direct the risk to contractors, by furnishing useful information. The only inspection by which the hemp can finally be received and paid for, will be that at the navy yard where it is to be delivered.

The whole quantity of the hemp embraced in any contract must be delivered at the navy yard Charlestown, Mass, on or before the first day of August, 1845.

In addition to the bonds which will be required for the faithful performance of contracts, ten per centum will be deducted from all bills for deliveries, and retained, until the completion of the contract, as additional security for its performance. The remaining ninety per centum will be paid within thirty days after the bills, duly approved, shall be presented to the Navy Agent at Boston. july 23—3tawt29aug.

WOULD be consulting their own, and the interest of their customers, to a very great extent, by purchasing Spices, Drugs and Dye Woods in the Eastern markets, whole and in sticks, and getting them ground and chipped at the Franklin Manufactory, Second street.

It is not generally known, but nevertheless true, that Drugs and spices sold in the East, are lower in price than whole, of course the profit and cost of grinding must be made up by adulteration; dye woods have at least 15 per cent, and in some cases 25 per cent of water added to them. Now water, dust, cornmeal and fixsed meal are plenty here, and we can cut them in their purity, if so it pleases us, without paying a *pepper* price with freight and premium added.

AMERICAN PORTABLE BOAT LINE,

For the transportation of

MERCHANDIZE AND PRODUCE

BETWEEN

PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,

AND

NEW YORK AND BOSTON.

THE PROPRIETORS

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are so well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three: rail shipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S

UNITED STATES

PORTABLE BOAT LINE

For the transportation of Merchandise to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals interest with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:

CHARLES A. McANULTY,
At the Depot, Canal Basin, Pittsburgh.
