The Daily Morning Post.

PITTSBURGH, PA.

THURSDAY MORNING, AUGUST 15, 1844.

☞ On our outside form will be found a sketch of the life of "Blennerhasset," together with other articles of interest.

"THE TOPIC"—We have neglected to mention the appearance of a new and neat penny paper, with this title. It is neutral in politics.

☞ The rumor that Judge WILKINS is dangerously ill, at Washington, is incorrect. He is indisposed but not seriously.

DEATH OF MR MUHLENBERG.—We announced in a portion of our edition yesterday morning the melancholy intelligence of the sudden death of Hon H A Muhlenberg. The death of Mr M. is an event that will be deeply regretted by every member of the democratic party, and all will sincerely sympathise with his bereaved family, for the loss of their worthy and distinguished head.

We learn from the Spirit of the Times, that for several days Mr Muhlenberg had been apparently in poor health, and that the disgraceful attacks which have lately been made upon his private character by a whig print in Reading, had harrassed his mind very much—not from any fear of the consequences attendant upon such slanders, but because of the shameless malignity with which they were put forth, in the town where he has spent most of his life, and where he is universally respected and beloved.

He was attacked by a fit of apoplexy, about 10 o'clock, on Saturday night, and expired on Sunday morning, between 9 and 10 o'clock.

DEMOCRATIC MASS MEETING.

The sudden and much lamented death of the Hon. HENRY A. MUHLENBERG, the Democratic Candidate for Governor, makes it necessary that some action should be taken by the Democratic Party to place in nomination some other citizen as their candidate for that important office. For that purpose, a Mass Meeting of the Democratic Republicans of Allegheny county, will be held at the house of William Broadhurst, on Penn street in the city of Pittsburgh, on *Friday Aug. 16th*, at 7 o'clock, P. M. A general attendance is requested.

Star Candles.

'ONE cent saved is two cents earned,' so said Benjamin Franklin, and so will all who make trial of J. S. Gwynne's STAR CANDLES. They will find on trial, that the price at which the subscriber sells them, makes them come as cheap as tallow candles. While in cleanliness and beauty, they are equal to spermaceti; at the same time, they remain perfectly hard at a temperature of 140 degrees, being much warmer than the summer's sun.

Splendid Paintings for Sale.

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentlemen for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoisseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALL, in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.

Bureau of Construction, Equipment and Repairs,

July 18, 1844.

TO carry into effect that part of the act of Congress, making appropriations for the naval service for the fiscal year, ending June 30, 1845, which relates to the purchase of American water-rotted Hemp—

Proposals will be received at this Bureau, until 3 o'clock, P M, of the 29th day of August next, for delivering at the Navy Yard, Charlestown, Mass., two hundred tons of American water-rotted Hemp.

This Hemp must be equal in quality to the Riga Rein Hemp heretofore purchased for the Navy, samples of which are now in the said navy yard—must be delivered free of all expense to the United States, and be subject to the inspection and approval of persons who will be appointed by, and act under, instructions from the Navy Department.

Persons making offers must state the price asked per ton of 2240 pounds, delivered at the Navy Yard, and must forward with them the offers of persons of sufficient property to become sureties in one third the amount of the contract, for its performance, if the offer should be accepted.

Separate proposals will be received for quantities of not less than thirty tons, nor more than two hundred tons. To diminish the hazard to contractors of forwarding hemp from the Western States, which may not be of proper quality or sufficiently well prepared, the Secretary of the Navy has appointed two agents, who will, when requested, inspect that which may be prepared to fulfil contracts to be made under this advertisement. One of these agents will inspect the Hemp that may be sent to Louisville, Kentucky, and the other that which may be sent to St Louis, in Missouri. These agents will be furnished with samples of Riga Rein Hemp, and with the means of testing Hemp, and will be ready to give all information in their power, to enable contractors to have their hemp properly prepared, and to ascertain the strength and character of it, before the expense of sending it to the navy yard is incurred. It must be distinctly understood, however, that the inspection and opinion of these agents is merely to diminish the risk to contractors, by furnishing useful information. The only inspection by which the hemp can finally be received and paid for, will be that at the navy yard where it is to be delivered.

The whole quantity of the hemp embraced in any contract must be delivered at the navy yard Charlestown, Mass, on or before the first day of August, 1845.

In addition to the bonds which will be required for the faithful performance of contracts, ten per centum will be deducted from all bills for deliveries, and retained, until the completion of the contract, as additional security for its performance. The remaining ninety per centum will be paid within thirty days after the bills, duly approved, shall be presented to the Navy Agent at Boston. july 23—3tawt29aug.

For the transportation of
MERCHANDIZE AND PRODUCE
BETWEEN
PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,
AND
NEW YORK AND BOSTON.

THE PROPRIETORS

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three rail shipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S
UNITED STATES
PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:
