The undersigned will issue on January 1st, 1869, another Edition of their Reference Book, corrected and revised up to WITHIN TWENTY DAYS OF PUBLICATION. The new Book, the largest ever issued, will contain the Names, Trades, Post-Office Address and the "AGGREGATE" and CREDIT STANDING of nearly every business man throughout the United States and the Provinces—the number of names now approaching 400,000. The estimates of Capital, and the ratings of Credit, are the result of INDIVIDUAL INVESTIGATION, revised in each case within the past few months, and the full particulars of which—frequently extending back over twenty years—are on record at our various offices, at the service of subscribers to the Book.

The conclusions conveyed by these markings are not, therefore, the mere *ipse dixit* of a single correspondent, but have their foundation in the facts elicited by careful inquiry in each locality, deliberately weighed by our Managers, Reporters and Mercers. These facts we are anxious that holders of the Book should possess, and we constantly urge upon Subscribers the desirability of applying for detailed reports, not only that we may show "the reason for the faith that is in us," but that they may enjoy the advantage of intimations, cautious and suggestions, which no Book of ratings, however perfect, can give. In this latter respect, however, the Key used by us is very comprehensive. A series of letters in one column indicates the Capital at the risk of business of each individual, and a series of figures in another column conveys gradations of the Credit of each. Shades of meaning impossible by any other system, are implied in the upward or downward mark in the Credit column, as compared with that in the Capital column, suggestive of safety or of caution.

As to the reliability of our reports and ratings the care with which they are made, and the general character of our Agency, we refer to over five thousand Merchants and Bankers in the United States, Canada and England, among whom are to be found the wealthiest, the shrewdest and the most influential of the business men of these countries.

We freely invite an investigation into the system upon which our Agency is conducted, convinced that all persons whose business necessitates a knowledge of the Character and Standing of their Customers must conclude that we can materially aid them.

Subscribers to the Book receive TWO volumes per year—in January and July; are also furnished with a tri-weekly sheet of Changes, and are at all times urged to consult our Records at any of our twenty-four offices as above.

We issue six Editions:—a General Book containing the whole number of States and the Provinces, fifteen hundred pages quarto; another containing the Western and South Western States; another the New England States; another the Southern States, and still another containing the Eighty Principal Cities of the Union. The Provinces are also published in separate form. Specimen copies can be seen and terms made known at the office, where we shall be happy to afford any reasonable test, as to the fullness and accuracy of our detailed Reports.

GEORGE WALLEN BROCK, Resident Partner.

TERMS OF SUBSCRIPTION.

In consideration of the agreement hereby entered into by R. G. DUN & CO., to furnish, to the best of their ability, information of the Mercantile Standing and Credit (in the communities wherein they respectively reside) of our customers among the Manufacturers, Merchants, Traders, &c., throughout the United States and British Provinces of North America coming within whom we have occasion to make inquiry; in order to aid us in determining the propriety of giving credit: we, the undersigned, do hereby employ the said R. G. DUN & CO. to procure and furnish to us the information aforesaid, in accordance with the following rules and stipulations, and with which we agree to comply faithfully, to wit:

1. All information furnished us by said R. G. DUN & CO. shall be STRICTLY CONFIDENTIAL, and shall never, in any way, be communicated to the persons reported, nor to any other person or persons whatever, other than the members of our firm. And, said R. G. DUN & CO. shall prepare for our use, and place in our keeping, a printed copy of a Reference Book, prepared by them, containing ratings or markings of the credit of business men. And all our inquiries at their office, as also all use we may make of said Reference Book, shall be exclusively confined to the legitimate business of our establishment.

2. We will pay in advance, for one year's services of said R. G. DUN & Co., together with use of said Reference Book, ( ) Dollars, or other sum annually thereafter for the same as may be agreed upon between us, verbally or otherwise, subject always to the conditions and obligations above mentioned.

Edition pursuant to the conditions foregoing, and such

3. We further agree that upon delivery to us of a copy of our subsequent volume of the Reference Book the one now placed in our hands shall be surrendered, and also that, upon the termination of our relation as subscribers, the copy then remaining in our hands shall be given up to said R. G. DUN & Co.
