WELCOME.—FARMERS look to your interest and buy only the Self-discharging Hay and Grain Rake

"WELCOME."

It is the best rake made. Can be worked by a boy, seven or eight years old, or by a delicate female, or an aged and infirm man, who is barely able to sit on a seat and drive a horse. It is so constructed that the horse does all the work. It is far in advance of all other rakes, and is warranted to give satisfaction. The teeth are of the best cast steel. They are sold as low as the common rakes in the market, which require strong two or three times in a season in the gleanings. Farmers have little idea of the amount of grain left on a field raked in the old way. Remember the name, and buy none other than the "WELCOME," made in Columbiana, O., and sold at 391 Liberty street, Pittsburgh, Pa. All orders addressed to me at either place, promptly attended to.
