The Daily Morning Post.

PITTSBURGH, PA.

TUESDAY MORNING, SEPTEMBER 3, 1844.

☞ On our outside form will be found an extract from a piece in the form of a farce, entitled. "The Hours of Morning"—and an original song, "The Electric News."

☞ Several of the German volunteer companies paraded yesterday. The weather was very fine, and they made quite a handsome display.

NEW PAPER.—"THE PITTSBURGH DAILY," a new democratic paper published by Messrs KUESTER, ELWELL & JOHNSON, made its appearance yesterday.—It is printed in a very neat form, the matter, editorial and selected, show that it will be an able advocate of democratic principles. Mr Kuester was formerly editor of the Mercer Press and subsequently of the Erie Observer, and the manner in which he conducted those journals, is a sufficient guaranty that he will make the "Daily" worthy the support of the Democratic party.

THE NEW AQUEDUCT.—The workmen have commenced tearing down the old Aqueduct, preparatory to the building of the new Wire Structure by Mr ROEBLING.

EDITORIAL CHANGE.—The Harrisburgh Argus, heretofore published by Valentine Best, has been purchased by Mr C C KANE, and is now edited by that gentleman and his brother HIRAM KANE. The new editors pledge their best efforts to the support of POLK, DALLAS and SHUNK.

☞ WHEELING CONVENTION.—The Democrats of Northwestern Virginia, and the adjacent parts of Pennsylvania and Ohio, will hold a Convention at Wheeling, on the 12th instant, to which they invite their friends from all directions. They have made extensive preparations for good speaking and good entertainment of every kind.

CONVENTION AT STEUBENVILLE.—The Democrats of Eastern Ohio, will hold a Mass Convention, at Steubenville, to-morrow. DAVID TOD and JOHN BADGER, Esqs., will be present, and many other distinguished Democratic speakers, Gen CASS among the rest, are expected. It will be a great gathering.

☞ There is to be a Democratic Convention at Cadiz on the 5th.

HICKORY POLE RAISING.

On account of the insufficient preparations which were made, for the raising of a Hickory Pole in the 5th ward on Saturday—the large multitude who assembled for that purpose were disappointed. The Pole will be raised on Tuesday afternoon, (the 3d inst) at 3 o'clock.

We would invite our Democratic friends to attend. Several Speakers will be present and address the meeting. MANY DEMOCRATS.

NOTE.

All bidders are requested to extend the amount of their bids for each article, and exhibit the total amount of each bid.

The periods and quantities of each delivery at those posts where they are not specified, will be, one-fourth 1st June, 1st September, 1st December, 1845, and 1st March, 1846.

The hogs of which the pork is packed, to be fattened on corn, and each hog to weigh not less than two hundred pounds, and consist of one hog to each barrel, excluding the feet, legs, ears and snout. Side pieces may be substituted for the hams. The pork is to be first salted with Turk's Island salt, and then carefully packed with the same article in pieces not exceeding ten pounds each.

When the packing has been completed, the contractor must furnish to this office a certificate from the packer, that the pork has been so salted and packed. The pork is to be contained in seasoned heart of white oak barrels, full hooped; the beans and salt in barrels, and the soap and candles in strong boxes of convenient size for transportation.

Salt will only be received by measurement of thirty-two quarts to the bushel. The candles to have cotton wicks. The provisions for Prairie-du-Chien and St Peters must pass St Louis, for their ultimate destination, by the 15th April, 1845. A failure in this particular will be considered a breach of contract, and the Department will be authorized to purchase to supply these posts. The provisions will be inspected at the time and place of delivery, and all expenses to be paid by contractors until they are deposited at such storehouses as may be designated by the agents of the Department.

The Commissary General reserves the privilege of increasing or diminishing the quantities, or of dispensing with any or all articles required at any post, at any time before entering into contract, and also of increasing or reducing the quantities of each delivery one third subsequent to contract, on giving sixty days' previous notice.

Bidders, not heretofore contractors, are required to accompany their proposals with evidence of their ability, together with the names of their sureties, whose responsibility must be certified by the District Attorney, or by some persons well known to the Government; otherwise their proposals will not be acted upon.

Advances cannot be made in any case, and evidence of inspection and full delivery will be required at this office, before requisition will be made upon the Treasury for payment, which will be effected in such public money as may be convenient to the points of delivery, the places of purchase, or the residence of the contractors, at the option of the Treasury Department.

No drafts on this office will be accepted or paid under any circumstances.

Each proposal will be sealed in a separate envelope and marked "Proposals for furnishing Army Subsistence."

THE PROPRIETORS

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment: suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three: ran shipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. UNITED STATES
PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.
