The Daily Morning Post.

PITTSBURGH, PA.

THURSDAY MORNING, SEPTEMBER 5.

☞ We most respectfully request the attention of candid men of all parties, to the letter of our correspondent, H., to Mr H Denny, in this day's paper. We consider it important that our democratic friends should be informed on the subject to which it refers, and be able to meet the charges that are so often urged against our party as being peculiarly opposed to law and good order; and that candid men, who are apt to consider the charge as true, merely from having it oft repeated, should be undeceived, and called to consider the subject with facts fully before them.

MR BROWN'S SPEECH.

The large editions of our daily, containing the unanswerable speech of Mr Brown, have been exhausted, and the demand for them is still as great as ever. To accommodate the public, we strike off another edition this morning, and we would request all who wish to circulate them to hand in their orders to-day.

Samuel W Black, Esq, of this city addressed the democracy of Philadelphia on Saturday evening last. The Pennsylvanian says that "it was a speech of remarkable power and eloquence, and well deserved the reiterated applause with which it was received."

They Won't Vote.—The inhabitants of Nauvoo, have issued a manifesto declaring they will take no part in the Presidential contest, as neither of the candidates are fit men to receive their votes!

N Jersey—Vote on the New Constitution.—The whole number of votes cast for and against the New Constitution in New Jersey at the late election is 26, 232. These were divided—"Constitution" 22,976, "No Constitution" 3,256—majority in favor of the Constitution 19,720. There were 69 rejected votes. The vote of New Jersey at the Presidential Election in 1840 was 64,385. So it appears that less than one half the votes went to the Polls at the election of the Constitution. The new Constitution went into effect on Monday Sept. 2d.

Died.—On Wednesday, the 4th inst., Eliza Frances, daughter of Mr. Samuel McClurkan, in the 10th year of her age. The funeral will take place at 5 o'clock, this evening, at the residence of her father, 5th street.

☞ A Meeting of the 5th Ward Democratic Association, will be held in their usual place (Primitive Methodist Church,) at 7 o'clock on Thursday evening, the 5th inst.

Several speakers will be present and address the meeting. The Glee Club will also be in attendance.—We invite all friendly to attend.

WM WILSON, President.
J S HAMILTON, Sec'y.

AMERICAN PORTABLE BOAT LINE,
For the transportation of
MERCHANDIZE AND PRODUCE
BETWEEN
PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,
AND
NEW YORK AND BOSTON.

THE PROPRIETORS

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three, and shipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S
UNITED STATES
PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:
