J. H. McCARTY & SONS,

having long been disgusted with the barbarous custom of burying or using Ice on Corpses, not to speak of the horror of freezing the dead, as a relic of barbarism in itself considered, it as obnoxious to the sensibility of the refined as Cremation; and would never have been submitted to but for necessity, which thanks to the march of discovery no longer exists, for J. H. McCarty & Sons, have a preparation which in its application is as harmless as water, but which in its potency is able to grapple with the despoiler of our mortal forms, and say thus far, but no further, hence let thy corrupting powers be stayed.

This preparation is manufactured, and used only by J. H. McCARTY & SONS, the only Undertakers in the County, or State, that can keep a Corpse any desired length of time,—for weeks and months, and bring back *even* the mellow tint and real bloom of life to assuage the grief and anguish of the bereaved, which fact can be witnessed at every funeral attended by them where they have the entire control, and the preparation of the body for burial. J. H. McCARTY has made this preparation his study for over twenty years, and can now offer to the public this preparation perfected, without money and without price to those employing them.

MONROE COUNTY

Mutual Fire Insurance Company,

STROUDSBURG, PA.

CHARTER PERPETUAL.

The By-Laws of this Company, and conducting and managing insurance have, recently been so materially changed, placing it upon a footing equal to that of any Fire Insurance Company in the State.

Important among these changes are the following, viz:

Policies, instead of being perpetual, are issued for five years.

All property is classified and the rates of premium fixed according to the risk or the property.

Premium notes are taken, and all assessments are made on the notes.

Property is insured for not more than two thirds of its actual cash value, and the full premium is paid in case of loss, provided the loss be equal to the amount of insurance.

"Annual assessments" only are made, except in cases of heavy loss, and where a special assessment is necessary.

The Company is therefore prepared to insure property upon terms much more desirable than under the old system.

Applications may be made to any of the Managers, Surveyors, or Secretary.
