The Sunbury American.

H. B. MASSER, Editor & Proprietor.

SUNBURY, PA.

SATURDAY, JUNE 11, 1864.

S. M. PETTENGILL & CO.,

No. 37 Park Row, New York, and 6 State Street, Boston, are our agents for the SUNBURY AMERICAN in those cities, and are authorized to take Advertisements and Subscriptions for us at our lowest rates.

The coal sent by Railroad this week is 67,427 07—by Canal 36,294 03—for the week 103,721 10 against 92,389 tons for the corresponding week last year.

The shipments from this region are very heavy this week. This was caused by the proposed advance in the price of freight and tolls of 50 cents a ton, which took place on the 1st of June.

There is a turnout in different parts of the Region, the men demanding $1 a week additional for laborers, and 10 cents per wagons additional for miners. This turnout is ill-advised, and cannot be sustained.—*Miners' Journal.*

Of the mean ways to help treason, prodally the meanest is embodied in the following published in a Copperhead paper, the Bedford *Gazette:*

"At the present writing (Monday) the result of Grants campaign against Richmond remains in doubt. Already he has lost as many men as composed McClellan's entire army with that General marched up the Peninsula. The loss of the Federal army, according to telegraphic reports cannot fall much short of 100,000 men, killed, wounded and missing. There has been about thirteen days of fighting, including the small battles fought by Gen. Butler; which would average the loss at about 8,000 per day."

Mr. Rear's Estate.—The estate of the late Richard Rear of Minersville, is appraised at upwards of $1,400,000. His personal property including his collieries, is worth $700,000. His estate is more valuable than was at first supposed.

Local Affairs.

☞ A Reward of $10 will be paid for the discovery and conviction of the person or persons who tree-pass on the lot of the subscriber above the new-mill, and throw down his fences.

H. B. MASSER.

☞ CATTERPILLARS.—These pests ought to be removed and destroyed now while young. One leaf sometimes contains as many small ones as would in a few weeks cover a large tree.

☞ The wife of Elias Holdings, of this place, received intelligence on Monday last, that he had been killed in one of the battles in Virginia. He went into the army as a substitute for Mr. J. Cooper.

☞ The different railroad companies issue excursion tickets for persons who desire to attend the Great Fair at Philadelphia. The tickets are at half price, and are good from the 10th to the 21st of June instant.

☞ The new round house and machine shops are progressing finely. The first course of range work of cut stone on the Round House has been laid and five or six feet of brick work on top of it. The foundation of the machine shop has been changed and is nearer the Round House.

☞ We observed in the Philadelphia *Press*, that Rev. J. H. Young, of the Presbyterian Church, in this place, has received a call from one of the churches in Philadelphia. We are pleased to learn that Mr. Young has no desire or intention to leave his charge in this place. His church here is in a flourishing condition, composed of many of our best citizens, and the social relations between the pastor and his congregation are of the most pleasing character. The few additional dollars offered by our Philadelphia friends will not induce him to change his position.

☞ Lieut Getter son of Jacob Getter of Shamokin, is reported as one of the wounded in the late battles in Georgia.

☞ The draft of this county came off at Harrisburg, on Friday and Saturday last. Tall borough and a number of other towns and townships are exempt, having furnished their quota of volunteers. A list of those drafted will be found in another column.

☞ We learn that the men at the big Mountain, Henry Clay and Lake Fidler Collieries, near Shamokin, are on a strike for higher wages.

☞ Services will be resumed in the Episcopal Church, in this place, on Sunday next, morning and evening, and at Northumberland in the afternoon.

☞ WOUNDED.—Joseph H. McCarty, of this place, a member of Capt. Caldwell's company, of Shamokin, we are sorry to learn, was slightly wounded on the 15th of May. The company is under Gen. Sherman, in Georgia, and is doing good and successful service in the Gulf states.

☞ A LIVE COPPERHEAD FOR THE SANITARY FAIR.—We saw at the Adams' Express office, on Monday morning last, a neat box, containing a genuine copperhead, directed to Mr. Trotter, Philadelphia for the Sanitary Fair, now open for exhibition. The *varmint* was taken in the neighborhood of the coal mines near Shamokin, and forwarded from that place. He make-ship was very quiet and docile, evidently "down in the mouth," in being thus subjugated and confined in his miniature "Libby." But the Express agent having opened a bundle of unscrribed papers, (the "*Philadelphia Age.*") and having laid several copies on his prison, he began to take courage and show that he was alive, if not kicking, ready for a fight. He was captured by Capt. Van Gaskins.

☞ Any widow, or parent, or orphan, or brother, or sister of any soldier, sailor or marine, killed, or who has died in the service of the United States who desires ninety-six dollars ($96) a year pension, from one hundred to eleven hundred and ninety-five dollars ($1195) Cash Bounty, and all the arrears of pay due him, should call at once or write to JOSEPH E. DEVITT & COMPANY, No. 427 Walnut street, The Military and Naval Agency, Philadelphia.

Also, State Pay, County City, Ward or other Bounty, &c., if there is any due. Apply either in person or by letter.

Late from Europe.

The steamship Virginia arrived here this morning from Liverpool and Queenstown, bringing dates to May 25.

The Europa, City of Washington, Olympus, and Ocotia had arrived out.

The news of the great battles in Virginia, received by the steamship Europa, caused a profound sensation throughout England, and the people were astounded at the magnitude of the losses. The probable result of the bloody combat was eagerly canvassed on all sides.

The confederate loan receded three per cent, on the news first received, and cotton became weaker under the news.

The London *Morning Post* saw no appreciable advantage on either side, but on the following day it expressed a conviction that the Federal sustained a crushing defeat.

The London *Star* thought that General Grant had paid too dear for his victory, and regarded his success as decisive.

The London *Morning Herald* pronounced the advance on Richmond a failure, and hopes the South has past its last fiery trial.

The London *Globe* said that General Lee fully succeeded in barring the road of General Grant to Richmond.

These comments were the effect of the first news of the battles of the Wilderness. A day or two afterwards, however, another steamer arrived, and the complexion of affairs was changed. The news of the rapid progress of General Grant increased the excitement and sensation produced by the first announcements, and the result came to be generally regarded as very disastrous to the rebel cause.

The rebel loan declined in consequence of the favorable Union news, and is quoted 5a6 per cent. lower.

The British Government has purchased the Liard rams. So the controversy is ended.

The rebel pirate Georgia has been announced for sale at Liverpool by private treaty. The crew were paid and the stores sold at auction.

A squadron of six men of war had left France for Tunis.

The Duke de Malakoff is dead.

It was reported that the Mexican loan would not be allotted in September.

The Paris Bourse was steady.

The Emperor and Empress of Russia would visit the King of Prussia on the 5th of June.

A conspiracy to overthrow the government of Prince Couza had been discovered in the Danubian principalities.

MADAME PORTER'S CURATIVE BALSAM has long tested the truth that there are first principles in Medicine as there is in Science; and this Medicine is compounded on principles suited to the manifold nature of Man! The cure of Colds is in keeping open the pores, and creating a gentle internal warmth, and this caused by the use of this Medicine. Its remedial qualities are based on its power to assist the healthy and vigorous circulation of blood through the lungs, it enlivens the muscles and assists the skin to perform its duties of regulating the heat of the system, and in gently throwing off the waste substances from the surface of the body. It is not violent remedy, but the emollient, warming, searching and effective. Sold by all druggists at 13 and 25 cents per bottle. aug 1 1d

SEDENTARY HABITS.—There is no class of the community more subject to disease of the digestive organs than those whose business compels them to be continually within doors, either seated at a desk or standing behind a counter. *Hoofland's German Bitters* will prove a true blessing to these persons, and enable them to fulfil the duties of their station with a spirit and alacrity unknown to them before. These Bitters can be had of any druggist or dealer in medicines at 75 cents per bottle.

Herrick Allen's Gold Medal Saleratus is far superior to super carbonate of soda, and may be used in the same manner, with cream tatar, and for all other purposes where soda is used. It is perfectly healthy, and requires less in quantity. Try one paper, and you will never have any other. Grocers and Druggists sell it.

PUBLIC SPEAKERS AND SINGERS will find "Brown's Bronchials Troches" beneficial in clearing the voice before speaking or singing, and relieving the throat after any unusual exertion of the vocal organs, having a peculiar adaptation to affections which disturb the organs of speech.

Read Who Says So:

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

* * * * *

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and I know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is not a rum drink." Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge, and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I was induced to try friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and I acknowledgement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and I had almost despaired of regaining. I therefore thank God and my friend for directing to the use of them.

J. NEWTON BROWN

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church.

Dr. Jackson:—Dear Sir:—I have been frequently requested to connect my name with testimonials of different kinds of medicines for regarding the practice account of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours, very respectfully, J. H. KENNARD,
Eighth below Coates Street, Philadelphia.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters, prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters.

Yours, truly, WARREN RANDOLPH,
Germantown, Pa.

From Rev. J. H. Turner, Pastor of Holding M. E. Church, Philadelphia.

Dr. Jackson:—Dear Sir:—Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully, J. H. TURNER,
No. 720 N. Nineteenth Street.

From the Rev. J. M. Lyons, formerly Pastor of the Columbus [N. J.] and Minotown (Pa.) Baptist Churches.

New Rochelle, N. Y.

Dr. C. M. Jackson:—Dear Sir:—I feel it a pleasure thus of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia I used them with very beneficial results. I have since recommended to persons enfeebled by that lamentable disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility I believe it to be a tonic that cannot be surpassed. J. M. LYONS.

From the Rev. Thos. Winter, Pastor of Reformed Baptist Church.

Dr. Jackson:—Dear Sir:—I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours, T. WINTER,
Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

Dr. C. M. Jackson:—Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me so much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours, with respect, J. S. HERMAN.

HARTZ'S
SOLIDIFIED
DENTAL CREAM,
For Cleansing, Whitening and Preserving the TEETH:

This article is prepared with the greatest care upon scientific principles, and warranted not to contain anything in the slightest degree deleterious to the teeth or gums. Some of our most eminent Dental Surgeons have given their sanction to, and cheerfully recommended it as a preparation of superior qualities for cleansing, whitening and preserving the TEETH. It cleans them readily, rendering them beautifully white and pearly, without the slightest injury to the enamel. It is healing to the gums where they are abscessed and sore. It is also an excellent disinfector for old decayed teeth, which are often exceedingly offensive. It gives a rich creamy taste to the mouth, cleansing it thoroughly, and imparting a delightful fragrance to the breath.

PREPARED ONLY BY
A. HAWLEY & CO.,
N. W. Cor. 16th, & Lombard Sts., Philadelphia.
And sold by all Druggists. PRICE 25 CENTS.

TESTIMONIALS.

The following opinion of Dr. White, as to the Medicinal in which he holds the Dental Cream, must be considered evidence of the value it is upon other testimonials in detail is superfluous. Anything recommended by simply giving the name and address of persons who speak of its excellency for the teeth."

Philadelphia, April 17th, 1863.

Having carefully examined A. Hawley's modified Dental Cream," I hereby cheerfully recommend it to the public generally. It is an excellent preparation for cleansing and preserving the teeth, and can be used by all persons with the almost confidence, as its properties are perfectly harmless. In addition to preserving the teeth, it imparts a healthy action to the gums, and imparts a pleasantness to the breath.
