This Company, National in its character, offers, by reason of its Large Capital, Low Rates of Premium and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium, being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complication and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-Holders.

Several new and attractive tables are now presented, which need only to be understood to prove acceptable to the public, such as the Income-Producing Policy and Return Premium Policy. In the former the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an annual income equal to ten percent. (10 per cent.) of the par of his policy. In the latter, the Company agrees to return to the assured the total amount of money he has paid in, in addition to the amount of his policy.

The attention of persons contemplating insuring their lives or increasing the amount of insurance they already have, is called to the special advantages offered by the New and Life Insurance Company.

Circulars, Pamphlets and full particulars given on application to the Branch Office of the Company in Philadelphia, or to its General Agents.

☞ Local Agents are Wanted in every City and Town, and applications from competent parties for such agencies, with suitable endorsement, should be addressed to the Company's General Agents only, in their respective districts.

[illegible] you, sick? Is that Dr. Washington, or any other man, has discovered a remedy that cures Consumption, when the lungs are half consumed? In short, will cure all diseases which impair health or endanger life, make men live forever, and leave death to pray for want of work, and is designed to make our cemetery where a little of paradise, to which Heaven itself shall be but a dim show. You have heard enough of this kind of humbuggery, and we do not wonder it, if you have by this time become disgusted with it. But when we tell you that Dr. Sage's Catarrh Remedy *will positively cure the worst cases of Catarrh*, we only assert that which thousands can testify to. Try it and you will be convinced. We will pay $500 Reward for a case of Catarrh that we cannot cure.

FOR SALE BY MOST DRUGGISTS EVERYWHERE. PRICE ONLY 50 CENTS.

If your Druggist has not yet got it on sale, don't be put off with some worthless, worthless strong snuff, Insufflator or poisonous caustic solution, which will drive the disease to the lungs instead of curing it, but send sixty cents to us and the remedy will reach you by return mail.

Send stamp for Dr. Sage's pamphlet on Catarrh.

R. V. PIERCE, M. D.,
Buffalo, N. Y.

3

THE INVALIDS' REMEDY does not, like the poisonous irritating snuffs and strong caustic solutions with which the people have long been humbugged, simply palliate for a short time, or drive the disease to the lungs, as there is danger of doing in the use of such nostrums, but it produces perfect and permanent cures of the worst cases of chronic catarrh, as thousands can testify. "Cold in the Head" is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic. It removes offensive Breath, Loss or Impairment of the sense of taste, smell or hearing, Watering or Weak Eyes and Impaired Memory, a host usually by the disease of Catarrh as they all frequently are. We offer in good faith a standing reward of $500 for a case of Catarrh that we cannot cure.

FOR SALE BY MOST DRUGGISTS EVERYWHERE. PRICE ONLY 50 CENTS.

Ask your Druggist for the Remedy, but if he has not yet got it on sale, don't be put off by accepting any miserable, worse than worthless substitute, but enclose sixty cents to us, and the Remedy will be sent you post paid. Four packages $2.00, one dozen for $5.00. Send stamp for Dr. Sage's pamphlet on Catarrh.

R. V. PIERCE, M. D.,
Buffalo, N. Y.

This is NO PATENT MEDICINE HUMBUG, gotten up to deceive the ignorant and credulous, nor is it represented as being compounded of rare and precious substances brought from the four corners of the earth, carried seven times across the Great Desert of Zahara, also on the backs of fourteen camels, and brought across the Atlantic Ocean on two ships. It is a simple, mild, soothing remedy, a perfect Specific for Catarrh and "Cold in the Head," also for offensive Breath, Loss or Impairment of the Sense of Smell, Taste or Hearing, Watering or Weak Eyes, Pain or Pressure in the Head, which cause, as they all not unfrequently are, by the violence of Catarrh.

We offer, in good faith, a standing Reward of $500 for a case of Catarrh that we cannot cure.

FOR SALE BY MOST DRUGGISTS EVERYWHERE. PRICE 50 CENTS.

Sent by mail, postpaid, on receipt of SIXTY CENTS. Four packages for $2.00 or 1 Dozen for $5.00. Send stamp for Dr. Sage's pamphlet on Catarrh.

The Chinese Government having (through the Hon Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose to commence operations in China and laying down a line of nine hundred miles at once, between the following ports, viz:

	POPULATION.
Canton,	1,000,000
Macao,	60,000
Hong-Kong,	250,000
Swatow,	200,000
Amoy,	250,000
Foo-Chow,	1,250,000
Wan-Chu,	300,000
Ningpo,	400,000
Hang Cheau,	1,200,000
Shanghai,	1,500,000
Total,	5,910,000

These ports have a foreign commerce of $[illegible] and are the chief domestic trade, to the which we have the combined internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

For cable being laid, this Company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must be manifest there, as every where else, the best communications is the government of business, and of social life, especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race.—The annual returns made to her central authorities for taxing purposes by the assessors, make her population FOUR HUNDRED AND FOURTEEN MILLIONS; and there is no likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, can not do read and write. Her civilization is peculiar, but her literature is extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for gleaning early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English only. To day great numbers of dispatches are conveyed by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose, connecting all their great seaports, were once established, it is believed that its income would pay the cost within the first two years of its successful operation, and would steadily increase thereafter.

No enterprise of moment itself so is a greater degree remunerative to capitalists, and to our whole people. It is of a vast national importance commercially, politically, and evangelistically.

☞ The stock of this Company has been unqualifedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York Herald, Tribune, World, Times, Post, Express, Independent, and in the Philadelphia North American, Press, Ledger, Inquirer, Age, Bulletin and Telegraph.

Shares of the Company to a limited number, may be obtained at $50 only. $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $5 each, commencing December 1, 1868, on application to

DREXEL & CO.,

Shares can be obtained in Sunbury by application to S. J. PACKER, Broker, who is authorized to receive subscriptions, and can give all necessary information on the subject.

NATURE'S GREAT RESTORER.

SCHEETZ'S
CELEBRATED
Bitter Cordial,

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for Diarrhœa, Dysentery, Bowel Complaint, Dyspepsia, Lowness of Spirits, Faintings, Sick Headache, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.
