The Daily Morning Post.

PITTSBURGH, PA.

TUESDAY MORNING, DECEMBER 24, 1844.

☞ See the outside of our paper.

☞ The following nominations were omitted in the published proceedings of the Democrats of the 4th Ward. Aldermen—L G Robinson, Samuel M'Clurkan. Assessor—John Haffey.

DEMOCRATIC CONVENTION.

We are requested to state that, in pursuance of the call, the Democratic Convention to nominate a candidate for Mayor, will meet to-day at 10 o'clock, at the Washington Hotel.

GLEE CLUB CONCERT.—We are requested to state that the second Concert of the Democratic Glee Club will be given on Friday evening next. Programme tomorrow.

BANK NOTE EXCHANGE.—By reference to our Bank Note List, as corrected by Mr. KRAMER, it will be seen that there is a further improvement in the currency—another approach to the specie standard; although we have no "balance-wheel," no "regulator," in the shape of a National Bank.

CHEAP PUBLICATIONS.—Cook has received a splendid lot of cheap publications for the Christmas Holidays, to which we would call public attention.—Among them we notice

GRAHAM'S MAGAZINE for January; splendidly embellished.

THE COURT OF QUEEN ANNE; a Tale by the popular novelist Ainsworth.

LITTEL'S LIVING AGE—A weekly and monthly publication containing the spirit of all the Foreign Magazines.

THE SPANISH GALLEON; a Pirate Tale by Professor Ingraham.

THE OPAL, A CHRISTIAN GIFT.

EDITED BY MRS SARAH JOSEPHA HALE.

One of the most beautiful and unique books of the season, the excellent taste of whose binding and decoration render it no less valuable as a centre'table ornament, than the high moral and religious tone pervading its numerous and varied literary articles, fit it to be a desirable companion for the young.

The illustrations, eight in number are of that higher character in design, which we should wish to see superseding the endless succession of heads and portraits, now forming the principal portion of the illustrations in our numerous annuals. Mr J Ricker, of N York, deserves great credit for the means which he affords us of making so desirable a christmas present, and we cordially recommend it to our readers.

PROF. PORTER'S LECTURES.

The Prof. at the earnest solicitation of the members of his present class, and others who are desirous of acquiring his system of Arithmetic and Mathematics, has consented to remain and give another course of Lectures, if sufficient encouragement be afforded.

The present course will close this evening, and all persons who may wish to join a class for another course, to commence on Thursday evening, the 26, are particularly requested to be present at the Lecture Room on the corner of Liberty and St Clair sts, and give in their names.

The Land shall not be sold forever.—Moses.

There will be a meeting of the workingmen, i e. with producers, friendly to the National Reform movement, on Friday evening next, at early gas light, at the Washington Hotel, corner of Penn and St Clair sts.

A B STEVENSON, Sec'y.

P. S There will be a Band of Music in attendance.

☞ A regular communication of Lodge 45 A Y Masons, will be held this evening at their Hall, corner of Smithfield and 3rd streets By order of the Worshipful Master. A. M'CAMMON, Sec'y.

Medicated Vapor Bath.

COPY OF A LETTER FROM DRS. LAWRENCE AND HENRICKSON.

New Lebanon, State of New York.

WORTHY FRIEND:—Having made a thorough trial of the Medicated Vapor Bath for four months past, in our societies in New Lebanon and Watervliet, we think it but justice to state, that we consider it a valuable improvement in the healing art. Its power in reducing both chronic and acute inflamation, also in removing spasms, is certainly very great. In cases of obstructed perspiration, it is unquestionably the safest and best remedy that we have ever seen. Several persons in our society, who were scarcely free from a catarrhal affection during most of the winter months for several years past, have found permanent relief by using the Bath a few times; and the predisposition to take cold, as it is commonly termed, seems to be wholly removed. Obstructed perspiration, is certainly in our changeable climate, one of the most fruitful sources of disease, and any remedy that is capable of removing the predisposition to it, must be considered a great blessing to mankind; and as such we do not hesitate to recommend the Medicated Vapor Bath.

DELAWARE MUTUAL SAFETY
INSURANCE COMPANY.
PHILADELPHIA.

THE Public are hereby notified that I have been appointed Agent of this Co. for WESTERN PENNSYLVANIA.

This Institution unites the principle of Mutual Insurance with A JOINT STOCK CAPITAL.

I am authorised by the Company to make Insurances AT THE SAME RATES AS THE OTHER COMPANIES IN THIS CITY—WITH THIS ADVANTAGE TO THE PERSON INSURED, THAT THE AMOUNT OF PREMIUM WHICH HE PAYS IS CONSIDERED AS SO MUCH STOCK, UPON WHICH HE IS ENTITLED TO RECEIVE A DIVIDEND OF THE PROFITS OF THE COMPANY. As the Company are doing a large and prosperous business, this advantage, I presume, cannot amount to less than 20 *per cent annually.*

The person insured incurs no liability or responsibility for the losses or expenses of the Co. He is also entitled to vote and is eligible as a Director.

By the Act of Incorporation, the Capital stock is pledged for the payment of any losses which the Co. may sustain; and, in addition to the security thus afforded to the insured, the law requires that all the profits of the Co. shall hereafter be funded, and remain with the Institution as a further guarantee and protection to the insured against loss.—This fund will be represented by scrip, to be issued by the Co., bearing an interest of 6 per cent and divided between the parties insuring and the holders of the stock.

☞ When the applicant has been insured at any other office, and transfers his risk to us, he pays nothing for the policy.

Applications for Insurance to be made at my office, in person, or by letter addressed to me.

For Coughs! Colds!! Consumptions!!!
THORN'S PULMONARY CANDY.

THIS pleasant and certain cure for coughs and colds goes ahead of all the preparations now or ever offered to the public. The use of it is so great that the proprietor has some difficulty in keeping a supply for the increasing demand. Medical agencies, groceries, druggists, coffee-houses, and even bars on steamboats keep a supply on hand. It is called for every where, and will sell in any place. The reason is this: every one who has a cough or cold by eating a few sticks find themselves cured, as it were, by magic. Persons at a distance, by remitting the money, post paid, to the subscriber, will be attended to. For sale by the stick, 6¼ cents; 5 sticks for 25 cts; and at wholesale by WM THORN, Druggist, 53 Market st. where a general assortment of Drugs and medicines may always be found. nov 28

Wholesale Druggists, Grocers, &c.,

WOULD be consulting their own, and the interest of their customers, to a very great extent, by purchasing Spices, Drugs and Dye Woods in the Eastern markets, whole and in sticks, and getting them ground and chipped at the Franklin Manufactory, Second street.

It is not generally known, but nevertheless true, that Drugs and spices sold in the East, are lower in price than whole, of course the profit and cost of grinding must be made up by adulteration; dye woods have at least 15 per cent, and in some cases 25 per cent. of water added to them. Now water, dust, cornmeal and flaxseed meal are plenty here, and we can eat them in their purity, if so it pleases us, without paying a *pepper* price with freight and premium added.

Cinnamon,	Allspice,
Nutmegs,	Gumeric, ground,
Ginger,	Gum Arabic.
Gum Aloes,	Gum Gamboge,
Pumice Stone,	Lac Dye,
Indigo,	Logwood,
Cloves and Mace,	Fustic,
Mustard,	Nicwood,
Gum Scamony,	Cam Wood,
Manganese,	Brazil Wood,
Nut Galls,	Lima Wood, chipped,
Pepper,	&c. &c. &c.

The Proprietor will not deal in any of the articles he grinds as a guaranty that all the articles intrusted to him shall remain as pure as when sent to him.

THE PROPRIETORS

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S
UNITED STATES
PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:

Consumptives, read the Wonderful Cures performed by Dr. Swayne's Compound Syrup of Wild Cherry.

The wonderful cures performed by this invaluable medicine, in Pulmonary Consumption, Coughs, Colds, Asthma, Bronchitis, Influenza, Whooping Cough, Croup, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Tickling or Rising in the Throat, and all diseases of the Lungs, and Breast, have excited the astonishment of all who have witnessed its marvellous effects; there is no account of a medicine, from the earliest ages, furnishing a parallel; the almost miraculous cures effected by this extraordinary medicine are unprecedented.

IMPORTANT TESTIMONY.

DR SWAYNE, Dear Sir:—In last October, while engaged with Mr Joseph Smith, in a saw-mill near Waynesburgh, I was attacked with a cough from being exposed at night, which gradually increased, attended with spitting of blood, and a severe pain in the breast, loss of appetite, fever, &c. &c. which was scarcely supportable. I had a family who were wholly dependent on my exertions for support, yet I was obliged to leave my business and return home. I was then attended by several physicians, but still grew worse, until my medical attendants gave me up as an incurable. Subsequently, my wife observing, in one of the public prints, an advertisement of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, procured me one bottle from Francis M'Clure, your agent in Lewistown, which relieved me; I continued until I had taken five bottles; I am now able to return to my work again. I write this to offer you my sincere thanks, and you are at liberty to make this known, so that if any human being is suffering as I have been, they may have recourse to your invaluable medicine.
Yours, JOHN P. BOYNE.
