WOULD be consulting their own, and the interest of their customers, to a very great extent, by purchasing Spices, Drugs and Dye Woods in the Eastern markets, whole and in sticks, and getting them ground and chipped at the Franklin Manufactory, Second street.

It is not generally known, but nevertheless true, that Drugs and spices sold in the East, are lower in price than whole, of course the profit and cost of grinding must be made up by adulteration; dye woods have at least 15 per cent, and in some cases 25 per cent. of water added to them. Now water, dust, cornmeal and flaxseed meal are plenty here, and we can eat them in their purity, if so it pleases us, without paying a *pepper* price with freight and premium added.

BETWEEN

PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,

AND

NEW YORK AND BOSTON.

RESPECTFULLY THE PROPRIETORS of the Portable Boat Line, to the American Transportation Line, inform their friends and shippers generally, that they have changed the name of their Boat Line, to the American Portable Boats, one of which will be found in the United States Portable Line, from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment: suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S

UNITED STATES

PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:

CHARLES A. McANULTY,
At the Depot, Canal Basin, Pittsburgh.
ROSE & MERRILL,
53, Smith's Wharf, near Pratt st. Baltimore.
W & J T TAPSCOTT,
