LAST NIGHT OF THE MINSTRELS.—We understand that Christy's Band of Minstrels will give one more Concert this evening, at Duquesne Hall. Their entertainments during both their visits to this city, have been attended by large and fashionable audiences, and the warm demonstrations of satisfaction with which all their efforts were hailed, is the best evidence that could be given of their merits. We expect that their parting Concert will be attended by a crowded house.

Wholesale Druggists, Grocers, &c.,

WOULD be consulting their own, and the interest of their customers, to a very great extent, by purchasing Spices, Drugs and Dye Woods in the Eastern markets, whole and in sticks, and getting them ground and chipped at the Franklin Manufactory, Second street.

It is not generally known, but nevertheless true, that Drugs and spices sold in the East, are lower in price than whole, of course the profit and cost of grinding must be made up by adulteration; dye woods have at least 15 per cent, and in some cases 25 per cent. of water added to them. Now water, dust, cornmeal and flaxseed meal are plenty here, and we can eat them in their purity, if so it pleases us, without paying a *pepper* price with freight and premium added.

Dr Leroy's Medicine.

THIS remedy has been in use for upwards of forty years, and it will only require a trial to place it above all other patent Medicines. The fact of its having been in use for such a length of time, with its increasing popularity, and that the French almost universally make use of it as a family Medicine, is sufficient guarantee of the virtues of the Medicine.
