CHANGE OF HOURS.

STEAMBOAT LAKE ERIE,

CAPT. THOMAS CAMPBELL.

THE public are respectfully informed that the proprietors of the Steam Boat Lake Erie have from and after this date changed their hours, and in future will leave

Pittsburgh for Beaver at 3 o'clock, P. M., and Beaver at 8 o'clock, A. M. daily, (Sundays excepted.)

It will appear manifest upon examination, that the owners of the steamers Michigan and Wisconsin, are determined to drive from the trade the Steamboat Lake Erie; their course has been and now continues in full vigor to monopolize the whole business; they were not satisfied with having the lion's share of trade and choice of hours in leaving Pittsburgh and Beaver, but now publicly and plainly say they will drive the Lake Erie from the river—a generous public will decide.—Freights and passengers for all ports on River and Lake, carried on reasonable terms as heretofore. Vault Doors! Vault Doors!!

CONSTABLE, BURKE & CO.,

(Front st. between Wood and Smithfield.)

HAVING again got their shop re-built, and are preparing to make Vault Doors at short notice and of a superior workmanship. We would take the liberty to state that the Vaults of our manufacture that were in the late fire saved their contents in perfect order.

Further, we are prepared to put on YALE'S PATENT Locks, which are equal to anything in America, if not superior, for the following reasons: They cannot be picked; they cannot be blown up with gun-powder; there cannot be false keys made to open the lock; they are cheaper; they are much more durable; their keys are more convenient; they will not go out of order; in short, they cannot be opened by any burglar under the most favorable circumstances. We would further state, that we are authorised to pay any one $100 who will open the lock without the key.

P. S. Two superior BANK Locks, together with various descriptions of Locks on hand.
