The Daily Morning Post.

PITTSBURGH, PA.

TUESDAY MORNING, JUNE 24, 1845.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR JUNE.

M. Robertson, W. B. Scaife, R E. Sellers.

A VALUABLE WORK.—We have received, through the kindness of Mr. Buchanan, the last Annual Report of the Superintendant of the Patent Office. A great portion of its pages is taken up with agricultural information, which, if disseminated, would be interesting, and we have no doubt beneficial to our farmers.

QUICK WORK.—Neal Shaw, who escaped from the Jail of this county on Thursday last, was detected on Saturday night in robbing a wagon at Mrs. BACKHOUSE's, on the Beaver Road. Yesterday he and an accomplice in the last robbery were tried and convicted, and will probably be sentenced to day.

☞ The public will learn from an advertisement in our paper this morning, that Mr. JAMES COCHRAN, Safe Manufacturer, has accepted an agency for Newell's Paraautoptic Lock, which we noticed on Saturday.

HIGH WATER.—There is now eight feet water in the channel and the river is still rising.

COAL BOATS SUNK.—We are sorry to hear that eight of Mr. Geo. Ledlie's Coal boats that were moored above the first Lock, were torn from their fasting last evening by the strength of the current and swept over the dam where they were smashed to pieces.

VENICIAN BLINDS.—We would refer housekeepers and all others who may want to purchase Blinds, to Mr WESTERVELT's advertisement. Mr W. has long been engaged in this line of manufacture in Pittsburgh, and of course his articles require no puffing. His establishment is now on St Clair street near the old Bridge.

THE GREAT VALLEY OF THE WEST.—It is stated, as an instance of the rapid growth of the West, that the first child born of American parents west of the Allegheny mountains, who knew Washington as a surveyor on the banks of the Kanawha, is yet alive, and scarcely numbers her fourscore years and ten. It is further said that the second child born in Cincinnati, lives and has not seen the middle age of life; yet that city has now 60.000 inhabitants.

NOTICE.

The Stockholders of the Pittsburgh and Allegheny Bridge Company, for the erection of a bridge over the Allegheny River from the north end of Hand street, will please take notice, that an election will be held on the first Monday of July next, at the Rooms over the north end of said bridge, for a President, Treasurer, ten Managers and a Clerk, to conduct the business of said Company for the following year. Election to commence at 3 o'clock, P. M.

je16-dt7 JOHN TASSEY, PRES'T.

That the Directors of the Company having ascertained that the whole amount of their Deposit Notes will be insufficient to pay the losses occurring by the late Fires, do, in conformity with the terms of their Charter assess on the Members of the said Company, the whole unpaid balance of their respective Notes, and in addition thereto the sum of one dollar on every hundred dollars by them respectively insured, and that the same be paid on or before the 10th of July next, to the Secretary and Treasurer at the Office of the Company. Day Boarding.

The subscriber being well provided with every convenience to accommodate any number of guests at his Hotel in the Diamond, would respectfully inform those who reside in the country, but do business in the city, that his table is prepared every day for the reception of transient boarders, either by the day or *single meal*, and from his long experience in the business, the style of his table and unremitting exertions to please all who may favor him with their patronage, he feels confident of being able to give entire satisfaction. A number of the most respectable merchants in the city have boarded at his house for years, to whom he can refer for the character of his accommodations.

Vault Doors! Vault Doors!!

CONSTABLE, BURKE & CO.,

(Front st. between Wood and Smithfield.)

HAVING again got their shop re-built, and are preparing to make Vault Doors at short notice and of a superior workmanship. We would take the liberty to state that the Vaults of our manufacture that were in the late fire saved their contents in perfect order.

Further, we are prepared to put on YALE'S PATENT LOCKS, which are equal to anything in America, if not superior, for the following reasons: They cannot be picked; they cannot be blown up with gun-powder; there cannot be false keys made to open the lock; they are cheaper; they are much more durable; their keys are more convenient; they will not go out of order; in short, they cannot be opened by any burglar under the most favorable circumstances. We would further state, that we are authorised to pay any one $100 who will open the lock without the key.
