July 24-tf.

THE Sin of Ignorance is easily forgiven. Many of the "*nostrums*" of the present day are put out by persons who have no knowledge of the science of medicine in theory or practice, and in order to hide their ignorance cry out loudly against the "*Ignorant Pretenders*," and bribe others to boast for them, which oft times has gulled the unsuspecting, and for want of a proper knowledge of the diseases they pretend to cure, no doubt think they cure when they do not, therefore they are to be pitied, but not half so much as those who take their "*miserable compounds*," but they not only lose their money, but miss the advantage of that necessary advice which the real practical physician, is always able to give. We look to the tailor for an improvement in the mode of dress; to the medical man for an improvement in the science of medicine—and this accounts for the great superiority of *Dr Swayne's Compound Syrup of Wild Cherry* over all other medicines ever offered to the public for the cure of all diseases of the Lungs, Breast, Coughs, Colds, *Consumption*, Asthma, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Broken Constitution, &c. Remember always to inquire for the name of *Dr Swayne*, as all preparations which have the name of *Wild Cherry* attached were stolen from the great *original preparation*. The *genuine* is only prepared by *Dr Swayne*, corner of Eighth and Race streets, Philadelphia. For sale by

WARRANTED GENUINE.—Dr. WILLIAM EVAN'S CAMOMILE PILLS.
CERTIFICATES.—Letter from the Hon. Abraham M'Clellan, Sullivan County, East Tenn., Member of Congress.
WASHINGTON, July 3d, 1845.
Sir—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr A Carden, of Campbell county, Tennessee, wrote to me to send him some, which I did, and he has employed it very successfully in his practice and says it is invaluable. Mr Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazwell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Blountville, Sullivan County, East Tennessee; I can get some of the merchants to act for you as I live near there. Yours respectfully,
ABRAHAM M'CLELLAN, of Tennessee.

Vault Doors! Vault Doors!!
CONSTABLE, BURKE & CO.,
(Front st. between Wood and Smithfield.)
HAVING again got their shop re-built, and are preparing to make Vault Doors at short notice and of a superior workmanship. We would take the liberty to state that the Vaults of our manufacture that were in the late fire saved their contents in perfect order.
Further, we are prepared to put on YALE'S PATENT Locks, which are equal to anything in America, if not superior, for the following reasons: They cannot be picked; they cannot be blown up with gun-powder; they cannot be false keys made to open the lock; they are cheaper; they are much more durable; their keys are more convenient; they will not go out of order; in short, they cannot be opened by any burglar under the most favorable circumstances. We would further state, that we are authorised to pay any one $100 who will open the lock without the key.

IMPORTANT TO BANKERS!
NEWELL'S
Patent Parautoptic Permutation Bank Lock,
To Prevent Robbery.
THE subscriber has accepted the agency, for the above celebrated and well known Lock, which is WARRANTED to defy the most consummate skill of the burglar, or even the inventor himself. This assurance may be deemed extravagant; but a critical examination of the principles on which this Lock is constructed, will satisfy any one having even a limited knowledge of mechanism that it is well-founded—and the actual inspection of the Lock for a few minutes will remove every doubt that may arise in any mind.
He has numerous certificates, from Bank officers, Brokers and (several in this city) who have used the above Lock, which he will be happy to exhibit, and give every explanation to those who may be pleased to call. JAS. COCHRAN,
Fire Proof Chest and Vault door Manufacturer,
Corner Liberty and Factory sts., 5th Ward.
