THE Sin of Ignorance is easily forgiven. Many of the "*nostrums*" of the present day are put out by persons who have no knowledge of the science of medicine in theory or practice, and in order to hide their ignorance cry out loudly against the "*Ignorant Pretenders*," and bribe others to boast for them, which oft times has gulled the unsuspecting, and for want of a proper knowledge of the diseases they pretend to cure, no doubt think they cure when they do not, therefore they are to be pitied, but not half so much as those who take their "*miserable compounds*," but they not only lose their money, but miss the advantage of that necessary advice which the real practical physician, is always able to give. We look to the tailor for an improvement in the mode of dress; to the medical man for an improvement in the science of medicine—and this accounts for the great superiority of *Dr Swayne's Compound Syrup of Wild Cherry* over all other medicines ever offered to the public for the cure of all diseases of the Lungs and Breast, Coughs, Colds, *Consumption*, Asthma, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Broken Constitution, &c. Remember always to inquire for the name of *Dr Swayne*, as all preparations which have the name of *Wild Cherry* attached were stolen from the great *original preparation*. The *genuine* is only prepared by *Dr Swayne*, corner of Eighth and Race streets, Philadelphia. For sale by

THE subscriber has accepted the agency, for the above celebrated and well known Lock, which is WARRANTED to defy the most consummate skill of the burglar, or even the inventor himself. He has numerous certificates, from Bank officers, Brokers and (several in this city) who have used the above Lock, which he will be happy to exhibit, and give every explanation to those who may be pleased to call. JAS. COCHRAN,

Prospectus of the New Library of Law and Equity,
UNDER the direction of FRANCIS J. TROUBAT, Esq. of Philadelphia, Hon ELLIS LEWIS, of Lancaster, and WILSON M'CANDLESS, Esq. of Pittsburgh.
This work contains the best productions of English law authors, without regard to priority of claim on the part of any American publisher. Such books are now notoriously too dear. The reason is, that as fast as they appear they become monopolies in the hands of booksellers in the Atlantic cities. Under the plea of right acquired by the addition of notes of American decisions, the latter claim an undivided title to those works, and set a burthensome price on them.—The publishers of the work now offered to the profession throughout the Union, will not respect such titles, but will re-print the standard British law books as fast as they eminate from the London market. Should new editions of the works of such writers as Starkie, the Chittys, Stephen and Archbold, appear, they shall also be included; and Digests of Equity and Law decisions—works which have been studiously kept out of the Law Library published at Philadelphia—shall have a place in the proposed new one, together with every new valuable English treaties on Chancery or Common Law.
☞ This work will be issued monthly in numbers of 160 pages, printed on fine white paper and good new long primer type, at seven dollars per annum, payable half yearly. ISAACG M'KINLEY,
JAMES M. G. LESCURE.

Oh Man! Oh, Woman!!
Your Greatest Enemy is Consumption.
THIS disease frequently selects you in your tender years, and marks you for its victim, fastening upon your Lungs a disease, however slight it may be at first. It commences its "*tones*" of warning, bidding you not to forget that the citadel of life is attacked, and that without proper medicine and care it will inevitably yield to the assault. *Consumption*, that cruel and relentless Enemy meets us at every corner—stands by the bedside at the solemn hour of midnight, or with the first light of morn, and whispers what then becomes a warning—
☞ PREPARE FOR DEATH, ☜ and THE WORLD TO COME!
Is not your proper course of conduct, then, evident, if you are laboring under the influence of the first premonitory seeds that so often lead to a pulmonary character? such as Cold, Cough, Influenza, Bronchitis, Soreness of the Throat, difficulty of raising up the foul matter that secretes upon the Lungs, and in the Bronchial tube, pain in the Side and Breast, Asthma, Spitting of Blood, weakness in the Chest or Breast, &c., to at once procure that Life-Saving Medicine,
Dr Duncan's Expectorant Remedy,
which is certain to remove all disease of a Consumptive nature from your system.
Therefore, be prepared and ready to meet your "*greatest enemy*" before it be too late.
☞ Dr DUNCAN'S Valuable Medicines can now be obtained at W. Jackson's, corner of Liberty and Wood streets. aug6.

Cancer, Scrofula, &c.
AMPLE experience has proved that no combination of medicine has ever been so effectual in removing the above diseases, as JAYNE'S ALTERNATIVE, or Life Preservative. It has effected cures that have been truly astonishing, not only of Cancer and other diseases of that class, but has removed the most stubborn diseases of the Skin, Swelling, Liver Complaint, Dyspepsia, &c., &c.
This medicine enters into the circulation and eradicates diseases wherever located. It purifies the blood and other fluids of the body, removes obstruction in the pores of the skin, and reduces enlargements of the glands or bones. It increases the appetite, removes headache and drowsiness, invigorates the whole system, and imparts animation to the diseased and debilitated constitution. There is nothing superior to it in the whole materia medica. It is perfectly safe and extremely pleasant, and has nothing of the disgusting nausea accompanying the idea of swallowing medicine.
Prepared and sold at No 20 South Third Street, Philadelphia, Price $1 a bottle.
