A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are a Gentle Purgative as well as a Tonic, gentle enough for children, yet powerful as a purgative to cleanse the system from all impurities, when these Bitters have to act.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters are unequaled.

THEY ARE NOT A VILE

FANCY DRINK,

[illegible] Whiskey, Proof [illegible] Brandy, Spiced and Sweetened [illegible] called "Cordials," "Appetizers," "Restoratives," etc., that leave the drinker as to [illegible] but are pure Medicine, made [illegible] and Roots of California, free [illegible] alcoholic drinks. They are the [illegible] PURIFIER and A LIVE [illegible] PURGATIVE, effectually [illegible] all poisonous [illegible] the blood in a healthy condition. [illegible] these Bitters according to direction [illegible] well.

[illegible] Pain in the Side, Back and Joints, Rheumatism, Neuralgia, Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers [illegible] these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulder, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the Offspring of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

TAPE and other WORMS, lurking in the [illegible] of many thousands, are effectually destroyed [illegible] full directions, read carefully [illegible] each bottle, printed in four languages, viz., English, German, French and Spanish.

WOMAN

By a long and [illegible] of many years, having [illegible] over nine thousand cases of those complaints peculiar to woman, I have been enabled to perfect a most potent and agreeable remedy, that seems to meet the indications presented by that class of diseases with positive certainty and exactness.

To designate this natural specific compound, I have named it

Dr. Pierce's Favorite Prescription.

The term, however, is but a feeble expression of my most matured appreciation of its value, based upon actual and witnessed results. As a close observer, I have while witnessing its positive results in the few special diseases incident to the sexual organism of woman, satisfied it not as a *[illegible] of my medical career*. As to many of the ailments of woman, it is a specific remedy for loss of health, and our curatives will at all times and under all circumstances be kindly welcomed by those who appreciate the blessings of health. Long enjoying a high reputation as a physician, I may confidently expect that the utmost confidence will be bestowed upon the remedy which I offer as the result of my professional experience of a quarter of a century. I do not claim for it all that is written and whispered in the ears of the sick and suffering by the hundreds who have tried in vain the nostrums of the day, but I do claim for it that I believe it to be the most perfect compound of its kind in the world. It is not to be a panacea for all the ills of woman, but I do claim that it will do more good than any other one medicine in the world, when used in the manner and for the diseases for which it is recommended. I feel warranted in the use of the strongest expressions in its behalf, for I know that it will do all that I claim for it, and I have no hesitation in staking my professional reputation on its curative powers.

The following is a partial extract from which my *Favorite Prescription* has wrought cures. If I could, I would like to have it published in every paper in the land, that the sufferers from those diseases for which it is a specific might know that there is a remedy which will do for them all that is claimed for it, and that a cure is within the reach of all who may be afflicted with any of the diseases for which it is recommended.

I feel warranted in the use of the strongest expressions in its behalf, for I know that it will do all that I claim for it, and I have no hesitation in staking my professional reputation on its curative powers.

[illegible] Whites, Unusual Menstruation, Painful and Suppressed Menstruation, Bearing Down Sensations, Inflammation and Ulceration of the Uterus, and very many other chronic diseases peculiar to woman and mentioned here in which, when taken in the cases which I have mentioned, my Favorite Prescription works cures—the marvel of the world. This medicine cannot do harm in any case or condition, and will do good in most cases. It will not cure everything, but it does what I claim for it. It will cure Prolapsus Uteri, or Falling of the Womb, if the patient will do her part in using the medicine and obeying the laws of her sex. It will cure Leucorrhœa, or Whites, in the most aggravated form, when caused by the peculiar diseases for which it is recommended. It will cure Irregular, Painful, Suppressed or Obstructed Menstruation, in all cases where there is no organic obstruction or disease present to prevent a healthy action of the system. It will cure Inflammation and Ulceration of the Uterus, and the attendant symptoms, such as Leucorrhœa, Prostration, Pain in the Back and Hips, Bearing Down Sensations, Inflammation and Irritation of the Bladder, Difficult Urination, Irritation of the Rectum, Piles, Constipation, Loss of Appetite, Nervous Prostration or Hysteria, Sleeplessness, Palpitation of the Heart, Nervous Irritability, Despondency, Melancholy, Mental Depression, and a host of other painful symptoms, which are the offspring of a diseased uterus or womb. I will not say it will do all this in every case, but I do say it will do it in a large number of cases, and I do say that there is no other medicine in the world, nor any other means known to medical science, by which so many hopeless cases have been restored to health and happiness as by the use of my Favorite Prescription. It is not to be expected that it will cure every case, for there are many chronic cases of long standing which have gone on from bad to worse until the vital organs are so much exhausted that no medicine can do more than temporarily relieve the patient. In such cases a cure is not to be expected of any medicine. But even in such cases much may be done to prolong the life and alleviate the sufferings of the patient, and I do say that in my Favorite Prescription there is more nearly a specific for the diseases for which it is recommended than there is in any other medicine in the world. Hundreds of letters have been received by me from those who have been cured by my Favorite Prescription, which I have not published, because I do not wish to do anything which will in any way lessen the confidence which the sick and suffering should have in my Favorite Prescription when they read the statement that it will do all that I claim for it, for they will say, and with truth, that I do not claim half enough for it. I do not claim that it will do more than it does, but I do say that it will do more good than any other medicine in the world, when used in the manner and for the diseases for which it is recommended. I feel warranted in the use of the strongest expressions in its behalf, for I know that it will do all that I claim for it, and I have no hesitation in staking my professional reputation on its curative powers.

HALL'S
Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores GREY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority.

The Wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original; it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

DR. PIERCE'S
Fountain Nasal Injector,
OR
DOUCHE.

This instrument is especially designed for the perfect application of

DR. SAGE'S CATARRH REMEDY.

It is the only form of instrument yet invented with which the remedy can be carried high up and properly applied to all parts of the affected nasal passages, and the frontal cavities communicating therewith, in which cases and which frequently result, as a sequel to the catarrhal disease, so much suffering. The want of success in all other Catarrh remedies has been largely from the inadequacy of anything reliable to reach the cavities in question by any of the ordinary methods. This obstacle in the way of relieving and eventually curing the loathsome disease is now overcome. The Fluid is carried by the instrument, by a few gentle strokes of the piston, into all the nasal passages, leaving no one untouched by the healing application, and leaving no cause for the complaint to remain, and no opportunity for a relapse. Hence is plain, and can be simple. But a child can understand it, and perfect success follows. Each instrument comes ready for use. When used with this instrument, Dr. Sage's Catarrh Remedy cures recent attacks of "Cold in the Head" in a few minutes.

Symptoms of Catarrh. Frequent headaches, discharge falling into the throat, sometimes profuse, watery, thick mucous, purulent, offensive, &c. In severe cases, dry, watery, weak or inflamed eyes, stopping up or obstruction of nasal passages, ringing in ears, deafness, hawking and coughing to clear throat, offensive breath, impaired or total destruction of sense of smell and taste, dullness, mental depression, loss of appetite, bad spirits, enlarged tonsils, tickling cough, &c. Only few of these symptoms are likely to be present in any case at one time.

Dr. Sage's Catarrh Remedy, when used with Dr. Pierce's Nasal Douche and accompanied with the constitutional treatment which is recommended in the pamphlet that wraps each bottle of the Remedy, is a perfect specific for this loathsome disease, and the proprietor offers $500 for a case it fails to cure, if the directions are followed. The Remedy is mild and pleasant to use, not injuring the most sensitive organs in the slightest degree. The Catarrh Remedy is sold at 50 cents. Boxes containing Remedy and Douche, complete, or either will be sent by mail, postpaid, on receipt of 75 cents. Address R. V. PIERCE, M. D., Sole Proprietor, BUFFALO, N. Y.

GROVER & BAKER SEWING MACHINES.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over all others.

"I like the Grover & Baker Machine, in the first place, because if I had any other, I should still want a Grover & Baker; and having a Grover & Baker it answers the purpose of all the rest. It does a greater variety of work and is easier to learn than any other."—Mrs. J. C. Croly (Jenny June)

"I have had several years' experience with a Grover & Baker Machine, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker decidedly."—Mrs. Dr. Watts, New York.

"I have had one in my family for some two years; and from what I know of its workings, and from the testimony of many of my friends who use the same, I can hardly see how anything could be more complete or give better satisfaction."—Mrs. Gen. Grant.

"I believe it to be the best, all things considered, of any that I have known. It is very simple and easily learned; the sewing from the ordinary spools is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order.—Mrs. A. M. Spooner, 56 Bond St. Brooklyn.

The Grover and Baker Sewing Machine Company manufacture both the Elastic and Lock Stitch Machines, and offer the public a choice of the best machines of both kinds, at their establishments in all the large cities, and through agencies in nearly all towns throughout the country. Price lists and samples of sewing in both stitches furnished on application to
