THE Sin of Ignorance is easily forgiven. Many of the "*nostrums*" of the present day are put out by persons who have not knowledge of the science of medicine in theory or practice, and in order to hide their ignorance cry out loudly against the "*Ignorant Pretenders*," and bribe others to boast for them, which oftentimes has gulled the unsuspecting, and for want of a proper knowledge of the diseases they pretend to cure, no doubt think they cure when they do not, therefore take their "*miserable compounds*," but they not only lose their money, but miss the advantage of that necessary advice which the real practical physician is always able to give. We look to the author for an improvement in the mode of dressing the medical man for an improvement in the science of medicine—and this accounts for the great superiority of *Dr Swayne's Compound Syrup of Wild Cherry* over all other medicines ever offered to the public for the cure of all diseases of the Lungs and Breast, Coughs, Colds, *Consumption*, Asthma, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Broken Constitutions, &c. Remember always to inquire for the name of *Dr Swayne* as all preparations which have the name of *Wild Cherry* attached were stolen from the great original *preparation*. The *genuine* is only prepared by *Dr Swayne*, corner of Eighth and Race streets, Philadelphia. For sale by

Democratic Review.
GREATLY REDUCED PRICE—FROM $5 TO $3 PER ANNUM—SINGLE COPY, 25 CENTS.
Prospectus of the next (or 17th) Volume.
THE PRICE of the DEMOCRATIC REVIEW has heretofore been too high—not for its size, cost, and character, but for the means of tens of thousands of readers who would be glad to receive it, and among whom is it highly desirable that it should circulate. For the purpose, therefore, of largely widening the range of its usefulness, and of multiplying the numbers of those to whom it may be accessible, it has been determined, simultaneously with the great reduction in the expenses of the postage, to reduce its subscription price also, from *Five* to only *Three* dollars; and when several unite in subscription, to as low as $2 50, or even $2 30 per annum.
This very large reduction in the receipts (accompanied with but a comparatively small diminution of its expenses) involves, of course, an entire sacrifice of profit upon it, unless compensated by a vast multiplication of its subscribers. There will be at the outset only a small reduction in its number of pages; soon to be restored to its old number, without increase of price, when the anticipated success of the experiment shall justify it.
The PORTRAITS OF DISTINGUISHED DEMOCRATS will be continued—engraved in better and more costly style than heretofore.
The POSTAGE will hereafter, for any distance, be only *five and a half cents*; it has heretofore been, for over 100 miles, *eighteen* cents.
We look for an extension of circulation to be reckoned by *tens of thousands*, as the result—and compensation of this great reduction of price. Every friend of the work, and of the Democratic principles and cause, is confidently appealed to, to exert himself with an active interest to procure it subscribers; both to extend the circle of its great reduction of its receipts.
Those who have paid in advance for the coming year, will receive it, at the reduced rate, for a year and a half.

TERMS HENCEFORWARD.
(INVARIABLY IN ADVANCE.)

Single copy,	$3 00	Eight copies,	$20 00
Four copies,	11 00	Thirteen "	30 00

It will thus be seen that when thirteen copies are ordered at once, the price is brought down to about $2,30 each. For six months half these rates.
These rates afford high inducements to agents and others to interest themselves to procure subscribers.
The *cash system and payment in advance* must be accompromisingly adhered to. The past relaxation of it has caused an accumulation of not far from 40 000 of debts due to the work, of credit for this must be wholly refunded; nor must either eminent political friend, or the most intimate personal one, be displeased on our persisting in application, in the stoppage of their numbers, if they neglect this rule, the rigid necessity of which, at the present reduced rates, must be obvious to all.
No communications will be taken from the Post Office unless free of postage.
All communications, both on editorial and publishing business, must be addressed henceforward to the undersigned. Those relating to the settlement of the past debts due the work will be still addressed to Mr H G LANGLEY, 3 *Astor House*, the past arrangements with whom, as publisher, have reached their termination.
July, 1845. J L O'SULLIVAN,
132 Nassau street, New York.

LAST LIKENESS OF GENERAL JACKSON.
The admirable Daguerreotype of General Jackson, taken by Anthony, Edwards & Co. a few weeks before his death, has been purchased for the use of the Democratic Review. It is in the hands of the artist, and will be engraved in the finest style of mezzotint of extra size. It is a most beautiful and interesting work declared by Mr Van Buren and others to give a more perfect idea of the good and great old man than any other likeness; and ought to be preserved and framed by every friend who loves or reveres his memory.—Those who subscribe early will receive it as one of the regular series of Portraits.

EXTENSION OF PITTSBURGH.
Rare Chance for good Investments!
THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, *One hundred and ten building Lots*, on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from the city line, and are situated in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No property in the suburbs possesses superior advantages, nor has any heretofore been laid out with so liberal an allowance of wide streets: Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and Beelen, Commerce, Brady, Columbus and Water streets all wide avenues. Most of the lots have *two fronts*, and as they are of various size, and will be sold, one lot, with the privilege of four or five; early applicants can be accommodated to suit their own views of improvement. Persons who desire to build or to make secure investments in property that is sure to advance in value, and particularly those who intend to erect manufactories, would do well to view these Lots, and examine the draft, before purchasing elsewhere. The survey for the Baltimore and Ohio Rail Road and the rail road survey by the State of Pennsylvania were both made alongside of it, affords the only eligible route for a Rail Road from Pittsburgh to the East. Coal can be delivered on this property at a much less cost than on the *Allegheny* river, and there is always deep water at this part of the river.
