DR. JOHNSON,
BALTIMORE
LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedy in the world for

DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS.

No Mercury or Noxious Drugs.

☞ A CURE WARRANTED, OR NO CHARGE, IN FROM ONE TO TWO DAYS. ☜

Weakness of the Back or Limbs, Strictures, Pains in the Loins, Affections of the Kidneys and Bladder, Organic Weakness, Nervous Debility, Decay of the Physical Powers, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Disease of the Stomach, Affections of the Head, Throat, Nose or Skin—those terrible disorders arising from the indiscretion or Solitary Habits of Youth—those dreadful and destructive practises which produce constitutional debility, render marriage impossible, and destroy both body and mind.

YOUNG MEN.

Young men especially who have become the victims of solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

ORGANIC WEAKNESS

Immediately cured and full vigor restored.

He who places himself under the care of Dr. J., may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

DR. JOHNSTON.

Dr. Johnson member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United states, and the greatest part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who having injured themselves by private and improper indulgencies, that secret and solitary habit which ruins both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.

MENTALLY, the fearful effects on the mind are much to be dreaded:—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages, can now judge what is the cause of their decline in health, losing their vigor, becoming weak, pale, nervous and emaciated, have a singular appearance about the eyes, cough, and symptoms of consumption.

YOUNG MEN

who have injured themselves by a certain practise, indulged in when alone—a habit frequently learned from evil companions, or at school the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hopes of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

effect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DR. JOHNSON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

By this great and important remedy, Weakness of the Organs are speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous, Trembling, Weakness or Exhaustion or the most fearful kind, speedily cured.

TO STRANGERS.

The many thousands cured at this Institution within the last twelve years, and the numerous important Surgical operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, notices of which have appeared again and again before the public, *besides his standing as a gentleman of character and responsibility*, is a sufficient guarantee to the afflicted.

DISEASES OF IMPRUDENCE.—When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, affecting the head, throat, nose, skin, &c., progressing on with frightful rapidity, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveler returns." It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that *deadly poison, mercury*, ruin the constitution and make the residue of life miserable.

TO STRANGERS.—The Doctor's Diplomas hang in his office.

UDOLPHO WOLFE'S
AROMATIC
SCHIEDAM SCHNAPPS

A SUPERLATIVE

TONIC, DIURETIC,

ANTI DYSPEPTIC
AND
INVIGORATING CORDIAL.

To the Citizens of New Jersey and Pennsylvania:

Apothecaries, Druggists, Grocers and Private Families.

Wolfe's Pure Cognac Brandy.
Wolfe's Pure Maderia, Sherry and Port Wine.
Wolfe's Pure Jamaica and St. Croix Rum.
Wolfe's Pure Scotch and Irish Whisky.
ALL IN BOTTLES.

I beg leave to call the attention of the citizens of the United States to the above WINES and LIQUORS, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHIEDAM SCHNAPPS. Mr. Wolfe, in his letter to me, speaking of the purity of his WINES and LIQUORS, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the City of New York, that all the BRANDY and WINES which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves.—For sale at Retail by all Apothecaries and Grocers in Philadelphia.

Read the following from the New York Courier:

ENORMOUS BUSINESS FOR ONE NEW YORK MERCHANT.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive Warehouse, Nos. 18, 20 and 22 Beaver street, and Nos. 17, 19 and 21, Stone street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Maderia, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure WINES and LIQUORS.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to health and human happiness.

Pennsylvania Legislature.

SENATE.

WEDNESDAY, Jan. 9, 1861.

The Senate was called to order at eleven o'clock.

Prayer by Rev. G. J. Martz.

The Clerk of the House of Representatives being introduced presented a number of House bills.

The Journal of yesterday being partly read, on motion of Mr. BLOOD, the further reading of the same was dispensed with.

SPEAKER'S TABLE.

The SPEAKER laid before the Senate the report of the Attorney General on the business of his office, for the year 1860.

Laid on the table.

Also, the report of the State Librarian.

On motion of Mr. McCLURE, the same was ordered to be printed in the *Legislative Record*.

The report of the Auditor General, Attorney General and State Treasurer, on the claim of Thomas Morley, was also laid before the Senate

LEAVE OF ABSENCE.

Mr. MEREDITH asked and obtained leave of absence for a few days for the Senator from Lebanon (Mr. BOUGHTER.)

THE EXECUTIVE MANSION.

The following extract from the Journal of the House of Representatives was read by the Clerk:

Resolved, by the Senate and House of Representatives, etc., That so much of the Governor's Message as refers to the Executive Mansion, be referred to a select committee of three members from each House, who shall be authorized to ascertain the amount of appropriation necessary to furnish the said mansion, and report the same to their respective Houses for instruction.

The resolution having been twice read,

On motion of Mr. HIESTAND, the further consideration of the same was postponed for the present.

Mr. CLYMER, from the special committee appointed to inquire into the amount necessary to furnish the Executive Mansion, submitted a report, with a resolution annexed, asking that $5,000 be fixed upon as the sum to be appropriated for that purpose.

Mr. HIESTAND believed that the sum named was extravagant.

Mr. FINNEY. This is a matter brought to the attention of the Legislature at the suggestion of the Governor. I understand that the Executive Mansion needs repairs, and that it requires the addition of a kitchen—the present dining-room being too small; besides this, the house is not furnished. The speaker advocated the adoption of the report.

Mr. SMITH stated that a disagreement in the committee making the report, was occasioned by certain members favoring the adoption of a larger sum than that named.

Mr. CLYMER said, that in accordance with the recommendation of the Governor, the committee had given the subject the attention it required. The present accommodations of the Governor's mansion were entirely too limited; and for necessary expenses to be incurred by furnishing the house, repairs to the same, and an addition to the building, the amount named would be necessary.

At the suggestion of Mr. PENNEY, the report presented by Mr. CLYMER was withdrawn, and the consideration of the extract from the journal of the House of Representatives was resumed.

Mr. M'CLURE moved to amend the same by inserting after the word *Resolved*, the resolution reported by the special committee of the Senate, which had just been withdrawn.

Mr. PENNEY opposed the motion, believing its adoption would be construed as an act of discourtesy to the House. He thought it proper that an appropriation similar to that in contemplation should originate in the House.

The amendment of Mr. M'CLURE was then withdrawn, and the question recurring on the resolution contained in the extract from the House Journal, it was agreed to.

The SPEAKER then referred the subject to the Committee of the Senate previously appointed relative to the subject.

On motion of Mr. FINNEY, the committee obtained leave to sit during the session of the Senate.

REPORTS OF STANDING COMMITTEES.

Mr. SMITH, from the Judiciary Committee, reported as committed, a further supplement to an Act incorporating the city of Philadelphia.

Also, from the Committee on Corporations, as committed, a supplement to the Act to incorporate the borough of Birmingham, county of Allegheny.

Mr. ROBINSON, from the Committee to Compare Bills, made a report, which was read and recorded in the minutes.

Mr. KETCHAM, from the Committee on Education, reported as committed, an Act to authorize the School Directors of the borough of Bellsville, Washington county, to borrow money.

BILLS READ IN PLACE.

Mr. SMITH read in place an Act to remit the collateral inheritance tax upon certain charitable bequests and securities, and on leave given presented a memorial on the same subject.

Referred to Committee on Judiciary.

Mr. CONNELL, in place, an Act relating to Saving Fund and Trust companies in the city of Philadelphia.

Referred to Committee on Corporations.

Also, a further supplement to the Act incorporating the city of Philadelphia.

Referred to Committee on Corporations.

Mr. NICHOLS, in place, an Act to incorporate the Pennsylvania Gas Coal company.

Referred to Committee on Corporations.

Mr. CLYMER read in place an Act ratifying and confirming the title to certain Real Estate of the German Evangelical Saint John's congregation of the city of Reading, Berks county

Referred to the Committee on Estates and Escheats.

Mr. BENSON, in place, an Act to incorporate the Tidioute and Broken Straw Railroad company.

Referred to Committee on Railroads.

Also, an Act relating to the Road Laws of Tioga county.

Referred to Committee on Roads and Bridges.

Mr. PARKER, read in place an Act to incorporate the Philadelphia Improvement, Saving and Loan company.

Referred to Committee on Corporations.

Also, an Act to incorporate the Philadelphia and India Commercial company.

Referred to same Committee.

Mr. KETCHAM, read in place a further supplement to an Act relating to Foreign Insurance, Annuity and Trust companies.

Referred to Committee on Corporations.

Also, a further supplement to an Act to incorporate the Wilkesbarre and Scranton Railroad company.

Referred to the Committee on Railroads.

Mr. GREGG, read in place, a supplement to an Act in relation to the support and employment of the poor, approved June 13th, 1836.

Referred to the Committee on Judiciary.

Mr. LANDON, read in place an Act to incorporate the Towanda Telegraph company.

Referred to Committee on Corporations.

BILLS CONSIDERED.

Mr. BENSON moved to discharge the Committee on Roads and Bridges from the further consideration of the bill entitled "An Act relating to the road laws of Tioga county," and that the Senate proceed to consider the same.

Agreed to.

The Senate then went into committee of the whole, (Mr. BLOOD in the Chair,) and after a short time the Chairman reported the bill back to the Senate as committed, and, on a suspension of the rules, the bill

Passed finally.

Mr. LAWRENCE moved to consider bill entitled "An Act to authorize the School Directors of the borough of Bealsville, Washington county, to borrow money."

Agreed to.

The Senate dispensed with going into committee of the whole, when the bill, after being read and the rules suspended,

Passed finally.

On motion of Mr. IMBRIE, the Committee on Corporations was discharged from the further consideration of House bill No. 7, entitled "A supplement to an Act to incorporate the Butler Mutual Insurance company," and the Senate proceeded to the consideration of the same, dispensing with going into committee of the whole.

The bill bill then went through its several readings, and was

Passed finally.

REPORT OF A SELECT COMMITTEE.

Mr. PENNEY, from the committee appointed to confer with a committee of the House of Representatives respecting the time, place and manner of ascertaining and declaring the returns of the election for Governor, made the following report, which was twice read, considered and adopted, viz:

That the Joint committee has agreed to recommend the following arrangement to the respective Houses:

1st. That the returns of election for Governor shall be opened and published by the Speaker of the Senate in presence of the members of both Houses of the Legislature on Thursday, the 10th day of January, at half-past 11 o'clock, A. M., in the Hall of the House of Representatives, and that each House shall previously appoint one of its members as teller to cast up the votes.

2nd. That upon the publication of the votes for Governor by the Speaker of the Senate, a certificate of the election shall be signed by the Speaker of the Senate and House of Representatives in the following form, to wit:

We, the Speaker of the Senate and Speaker of the House of Representatives of the Commonwealth of Pennsylvania, do certify that the Speaker of the Senate did, on the 10th day of January, 1861, in the Hall of the House of Representatives, in the State Capitol, open the returns of the election for Governor of this Commonwealth, and published the same in the presence of both Houses of the Legislature, conformably to the Constitution of said Commonwealth, and that upon counting the votes by Tellers appointed on the part of each House, it appeared that _____ had the highest number of votes, whereupon the said _____ was declared to have been duly elected Governor of the Commonwealth.

In testimony whereof we have hereunto set our hands and seals the day and year above written.

_____ [L. S.]
_____ [L. S.]

3d. That the said certificate shall be deposited by the Speaker of the Senate in the office of the Secretary of the Commonwealth, and there recorded, and a duplicate thereof, attested by the Speakers of both Houses, transmitted to the Governor elect.

JNO. P. PENNEY,
A. GREGG,
JER. SHINDEL,
On the part of the Senate.
ISAAC ACKER,
H. E. RANDALL,
RICHARD WILDEY,
On the part of the House of Representatives.

ORIGINAL RESOLUTIONS.

Mr. CONNELL offered the following resolution:

"If the House of Representatives concur, that the Clerks of the Senate and House of Representatives be authorized to employ a suitable person, whose duty it will be to take charge of the heating and ventilating of the two chambers, at a salary not exceeding dollars per day."

The resolution being before the Senate,

Mr. SMITH said: I suppose that every Senator will perceive the necessity of some regulation and system by which the heating and ventilation of these chambers may be properly attended to. There should be some person here whose business it will be to attend to that department of labor. At present the arrangements are of such a character as to endanger the health of every Senator here.

Mr. BLOOD moved to amend by filling the blank in the resolution with the word "two," thus allowing $2 per day as the compensation for the office in question."

Agreed to.

On motion of Mr. HIESTAND the motion was so amended as to read "that the said officer shall be employed only during the session."

The resolution, as amended, was then adopted.

Mr. BENSON, offered the following resolutions: That one thousand copies of the annual report of the State Librarian be printed for the use of the Senate, and one hundred copies for the use of the Librarian. The resolution was twice read, considered and adopted.

The Deputy Secretary of the Commonwealth being introduced presented several messages from the Governor.

REGULATION OF OFFICES.

Mr. PENNEY, from the select committee to which was referred the resolution relative to the appointment of KENNEDY McCLURE as an Assistant-Sergeant-at-Arms, with instructions to report whether any additional officers are necessary for the accommodation of the Senate, made the following report.

That in their opinion there is no necessity for the employment of an additional assistant Clerk as has been customary heretofore, but instead of such assistant there should be one additional Transcribing Clerk, which will make the number the same that is authorized by law for the House of Representatives. The committee further report that instead of the additional assistant Doorkeepers which it has been customary heretofore to appoint, there should be appointed for the present session three pasters and folders, and that there should be one additional assistant Sergeant at Arms appointed, in the same manner, for the present session.

On agreeing to the report.

The yeas and nays were required by Mr. CLYMER and Mr. PENNEY, and were as follows, viz:

YEAS—Messrs. Benson, Bound, Connell, Gregg, Hall, Hamilton, Hiestand, Ketcham, Landon, Lawrence, M'Clure, Meredith, Nichols, Parker, Penney, Serrell, Smith, Yardley, and Palmer, *Speaker*—20.

NAYS—Messrs. Blood, Clymer, Crawford, Fuller, Imbrie, Mott, Robinson, Schindel, Welsh and Wharton—10.

Mr. NICHOLS moved that the Senate proceed to the consideration of a resolution offered by him last week, providing for the appointment of Kennedy M'Caugh as an additional Sergeant-at-Arms, for the present session.

Agreed to.

The resolution was then twice read, considered and adopted.

Mr. GREGG offered the following resolution:

Resolved, That Daniel Welsh, of Centre county, be appointed an additional Transcribing Clerk of the Senate.

The resolution being twice read,

Mr. IMBRIE moved that the further consideration of the same be postponed.

Mr. GREGG. If it is necessary that we should have an additional Transcribing Clerk, we should elect him now. I have no objection to the nomination of any other person, and the selection of that officer by the Senate.

Mr. IMBRIE. The Senator from Centre has already provided for one of his constituents.

Mr. GREGG. The county which I represent has not received any favors from the Legislature in the way of officers appointed since I have been in this body, nor, in my belief, during the last twenty years.

The motion to postpone was not agreed to.

Mr. IMBRIE moved to amend the resolution by striking out the name of Daniel Welsh, and inserting that of J. C. Levis.

On agreeing to the amendment,

The yeas and nays were required by Messrs. IMBRIE and GREGG, and were as follows, viz:

YEAS.—Messrs. Fuller, Hamilton, Imbrie, Ketcham, Mott, Penney, Robinson, Serrill and Thompson—9.

NAYS—Messrs. Blood, Bound, Clymer, Crawford, Gregg, Hall, Hiestand, Landon, Lawrence, M'Clure, Schindel, Smith, Welsh, Wharton, Yardley and Palmer, *Speaker*—16.

The resolution was then agreed to.

Mr. HAMILTON offered the following resolution:

Resolved, That William Miller, be retained as a folder for and during the present session.

Mr. YARDLEY moved to amend the same, by adding the name of James Lyndel.

Mr. SMITH moved further to amend by adding Hand that Daniel Price be employed as a folder for and during the present session.

Mr. SMITH. I ask Senators to vote for my amendment as an act of justice to the person whom I have named. He is out of employment, has been a brave soldier in the Mexican war, serving during the whole campaign. He is now living in my district, and is the only person for whom I have asked a position.

The amendments of Messrs. Smith and Yardley were then agreed to.

Mr. IMBRIE moved to strike out the name of William Miller, and insert the name of J. C. Magrew.

Mr. BLOOD. In regard to the election of Mr. Miller, I would say that, though not a member of our party, I shall vote for him, because I believe him to be one of the most capable men employed by this body.

The amendment of Mr. Imbrie was not agreed to.

The question recurring on the resolution, Mr. IMBRIE moved to amend by inserting the name of Mr. Brown, instead of that of Mr. Miller.

The amendment was not agreed to.

Mr. BENSON moved to amend by striking out the name of Mr. MILLER, and inserting that of THOMAS WALKER.

Not agreed to.

The question recurring on the resolution as amended,

The yeas and nays were required by Mr. IMBRIE and Mr. CONNELL, and were as follows, viz:

YEAS—Messrs. Benson, Blood, Bound, Clymer, Connell, Crawford, Gregg, Hall, Hamilton, Hiestand, Landon, M'Clure, Mott, Nichols, Parker, Robinson, Schindel, Serrell, Smith, Thompson, Welsh, Wharton, Yardley and Palmer, *Speaker*—24.

NAYS—Messrs. Fuller and Imbrie—2.

So the resolution was adopted.

ELECTION OF STATE TREASURER.

Mr. M'CLURE called the attention of the Senate to certain messages from the Governor, one of which referred to the resignation of the State Treasurer.

The messages were then read, in one of which the Governor transmitted the following letter:

TREASURY DEPARTMENT OF PENNSYLVANIA,
Harrisburg, January 8, 1861.

To His Excellency, Wm. F. Packer:

DEAR SIR: I hereby tender you my resignation of the office of State Treasurer, to take effect on Saturday, the 12th inst.

In resigning the trust bestowed on me by the partiality of the Legislature, it affords me great pleasure to say that the finances of the State are in most excellent condition. Notwithstanding the financial difficulties of the country, the receipts since the close of the fiscal year (November 30) are largely in excess of those for the same period last year. Whilst I claim to have labored with fidelity and I trust with some success, in the discharge of my official duties, I acknowledge the cordial co-operation of your department, and that of the Auditor General, in every effort to increase and properly husband the revenues of the State. My business relations with the several departments have been of the most pleasant character, and I sever them with some regret.

I have the honor to be, with great respect,
Your obedient servant,
ELI SLIFER,
State Treasurer.

Mr. M'CLURE then offered the following joint resolution:

Resolved, That the members of the Senate and House will meet in joint Convention in the hall of the House of Representatives at one o'clock on Thursday, the 16th day of January, 1861, to elect a State Treasurer, to fill the vacancy occasioned by the resignation of Eli Slifer and that Tellers be appointed by the respective Houses.

The resolution was twice read and agreed to.

The SPEAKER appointed Mr. PARKER teller on the part of the Senate, in the Convention for the election of State Treasurer.

On motion of Mr. M'CLURE, the Senate then proceeded to make nominations for State Treasurer, as follows:

Mr. M'CLURE nominated Henry D. Moore of Philadelphia.

Mr. BLOOD nominated Geo. W. Miller, of Washington county.

Mr. CRAWFORD nominated John Rowe, of Franklin county.

Mr. MOTT nominated John O. James.

On motion of Mr. IMBRIE the nominations closed.

INAUGURATION OF GOVERNOR.

An extract from the Journal of the House was read by the Clerk, informing the Senate that the House had fixed the time for the inauguration of the Governor elect at twelve o'clock, M., on Tuesday, the fifteenth inst., in the Hall of the House of Representatives, and had appointed a committee to wait upon the Governor elect, and escort him to the Hall of the House.

Also, that the House had appointed a committee of three members to act in conjuction with a similar committee of the Senate to make such arrangements as are necessary for the inauguration.

On motion, the Senate concurred in the resolutions of the House, and the SPEAKER announced that the committee to be appointed on the part of the Senate would appear on the Journal.

ORDERS OF THE DAY.

House bill, No. 2, entitled an Act relative to a writ of error in the case of Guthrie & Maguire vs. Wilson, came up on third reading.

On motion of Mr. BLOOD, the Senate resolved itself into Committee of the Whole on said bill, when it was so amended that its enactment would not affect the bail in the case to which it relates. The committee rose, and through their chairman, Mr. BOUND, reported the same back to the Senate as amended, when it was passed finally.

Senate Bill, No 1, relative to the maintenance of the Constitution, etc., came up next in order.

Mr. SMITH, at the request of the Senator from York, (Mr. WELSH,) who was absent, asked that the said bill might be laid over until to-morrow.

On motion of Mr. IMBRIE, the Senate then adjourned, at twenty minutes to one o'clock, P. M.

THE
ONLY DISCOVERY
WORTHY OF ANY CONFIDENCE FOR
RESTORING
THE BALD AND GRAY!

MANY, since the great discoveries of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field of its resistless sway. Read the following.—

BATH, Maine, April 18th, 1859.

PROF. O. J. WOOD & CO.—Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this city and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my hair turning and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has no doubt been basely imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and friends have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your fifty or of two quart bottles last summer, for which I am very grateful. I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it, with universal success. I will ask as a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which curses the inventor of the good. It seem it my duty, as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear sir, yours,

A. C. RAYMOND.

AARONS RUN, Ky., Nov. 30, 1858.

Prof. O. J. Wood: Dear Sir.—I would certainly be doing you a great injustice not to make known to the world the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will therefore take occasion to recommend this invaluable remedy to all who may feel the necessity of it.

Respectfully yours,
REV. S. ALLEN BROCK.

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited: but if you think it worthy a place among the rest, insert it you wish, if not destroy and say nothing.

Yours, &c., Rev. S. A. B.

Depot, 444 Broadway, and sold by all dealers throughout the world.

The Restorative is put up in bottles of three sizes, viz large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, and retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for $3
