MONDAY MORNING, MARCH 9, 1846.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, mustel ways be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved

ALLEGHENY COUNTY T. A. ASSOCIATION.

The next meeting of this Association, will be held at Liberty, on Friday the 13th instant, at 11 o'clock, A M. The Temperance societies throughout the county are solicited to send delegates to the convention; the President and Vice President of each society, being members of the association, and every society is entitled to send three delegates.

WM LARIMER, Jr, President.

THOS STEEL, Chairman Ex-Com. m6.

Dr. Wistar's Balsam of Wild Cherry.—This celebrated remedy is a compound balsamic preparation of the *Wild Cherry* and *Moss of Iceland*, combined by a new chemical progress with the *Extract of Pine*. So salutary have been its effects in all cases when administered for Coughs, Asthma, Consumption, or any disease of the lungs, that many of the most distinguished physicians have approved and recommended it, and openly acknowledged it to be the most valuable medicine ever discovered. It is truly a valuable medicine, and is effecting an immense amount of good in the relief of suffering humanity.

☞ See Advertisement.

To Mothers.—The difficulty which every mother experiences in administering medicine to infants, is entirely obviated by Dr. Clickener's preparation, called the Sugar Coated Vegetable Purgative Pill. The pill is encoated with fine white sugar, so that it resembles and tastes like a sugar plum, which no child ever yet refused to swallow. For worms this is an assured remedy, and it has been used with excellent effect in teething. The matron of the Farm School writes to Dr. Clickener that she has used for some time, his Sugar Coated Pill in both these complaints, and always with entire success.

Sold by Wm Jackson, corner of Wood and Liberty streets, who is general Agent for Dr Clickener's Pills in Pittsburgh and vicinity.

☞ Beware of an imitation article called "*Improved Sugar-Coated Pills*," purporting to be Patented as both the pills and pretended patent are forgeries got up by a miserable quack, in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines. mar 9

Independent Portable Boat Line,

For the Transportation of Produce, and Merchandise, to and from

PITTSBURGH, BALTIMORE AND PHILADELPHIA.

No Transhipment.

THE subscribers, Agents for a number of the best Portable Boats, forming a regular daily Line, between Pittsburgh and the Eastern cities, will be fully prepared, on the opening of navigation, to ship a large amount of Produce and Merchandise with despatch and on accomodating terms.

The great success which has characterised this mode of transportation on the Penns' Canals and Railroads, during the last few years, notwithstanding the opposition of long established companies, and is a pretty sure indication of its superiority over the old plan of transhipping at the different terminous of canals and railroads.

We therefore ask for the Independent Portable Boat Line a liberal share of patronage.

Produce or Merchandise consigned to us for shipment will be forwarded immediately on arrival free of any charge for commission, storage or insurance—Bills Lading transmitted, and all instructions promptly attended to.

Pittsburgh Navigation and Fire Insurance Company.

Office, No. 21, MARKET STREET.

THE Citizens of Pittsburgh continue to be offered an opportunity to effect insurance upon their property, by a Domestic Institution, located among themselves, based upon Domestic Capital, and conducted by Directors, in whose prudence, integrity and good faith; hey can readily ascertain, whether they may repose that undoubted confidence and security, which should ever attend an insurance transaction.

To persons whose property has already been damaged, or destroyed, by Fire or Water, the advantage of personally adjusting a loss with an institution AT HOME, will be strikingly evident. To those who suffered by the Great Fire, this particular corporation needs no recommendation. The prompt payment of the whole amount of its losses—NEARLY TWO HUNDRED THOUSAND DOLLARS—is to them a sufficient guarantee of future security.

It is the part of all prudent men, however fortunate, to anticipate calamity for the purpose of avoiding its effects. To such as have hitherto escaped, as well as to those who have sustained loss, the facility of protection and indemnity, offered by this institution, will be the strongest inducement to avoid the reflections and regrets which must be experienced by those who suffer *without hope of restitution*.
