COLUMBIA DEMOCRAT.

ALEM B. TATE, LOCAL EDITOR.

Saturday Morning, Feb. 18, 1865.

☞ We call attention to-day to our long list of new advertisements.

☞ Hon. WM. HOPKINS, State Senator, has our thanks for public documents.

Hon. Chas. Denison, M. C, has been at home for several days, in consequence of sickness in his family.

☞ THOMAS HALLIDAY HICKS, Senator of the United States, and former Governor of Maryland, died last week.

☞ Hon JAMES BROOKS, M. C., of New York, will accept our thanks for a copy of his great speech on the President's Message.

☞ Representative JACOBY, has our thanks for a pamphlet copy of the Directory of the Pennsylvania Legislature for 1865.

☞ DANIEL MCHENRY, Esq, our County Treasurer, was on duty at our last Court for the first time since he was honored with a pass to Fort Mifflin.

☞ *The 98 Drunk.*—On hearing of the quota of *ninety-eight men*, for Bloom township, on Monday last, most of our 'loyal-shoddyites,' got handsomely drunk.

☞ This is the season for Public Vendues. Bills neatly and expediously printed and sales advertised in the Columbia Democrat. Double Vendue Notes, also, for sale at this office, to suit the occasion.

☞ *Fred. Douglas*, the darkey, who was to have lectured on last Saturday, in Danville, *didn't come*. The woolley-heads o. Bloomsburg, of both colors, went down in force, and enjoyed the fizzle! Better luck the next time, b'hoys!

In the House on Monday a resolution was offered thanking the President for removing Gen. Butler from command. It was tabled by a vote of yeas 97—nays 43. It is no wonder a curse rests on the land when so many of its chief priests bow down and worship "molochcast."

THE associates in persecution of Col. NORTH—M. M. Jones and Lieut Cobb—have been unceremoniously discharged from Carroll prison by order of the War Department. We hope the time may come when Stanton and all the shoddy scoundrels concerned in the persecution of those men will get their just desert—in some form of rigorous punishment.

☞ Somebody sent us, on Friday of last week, an envelope containing some money, but not a word of writing to side to denote who it was from, or whence it came. The envelope appears to have been mailed at New Columbus. Who sent it and to whom shall the money be credited?

☞ ROBT. MCHENRY, Esq., President of the Board of Commissioners of the County of Columbia, was last week in attendance with his colleagues, being the first session he has been able to attend for the last six months and since he was mulched in Fort Mifflin.

☞ A GREAT WRONG—Our poor soldiers in the Army, in many instances, have not been paid in the last six months. Some inform us that they have never yet received a dollar and that their families at home are in a great want. The election is *over*, and Abraham is King.

☞ A very respectable Sleighing Party, both as to age, character and number, slid down from Berwick, on Monday evening last, and spent a few cool hours in Bloomsburg and partook of a most superb Supper at the "Exchange Hotel." Major Koons, mine Host of the Exchange, knows how to keep a Hotel.

☞ The Infamous apportionment of the remaining quota, to fill the deficiency of the 300,000 call, is exciting universal indignation. We are called upon to raise more than double the men, *to supply the deficiency*, than were required in the original call. Let Marshal Fry, be speedily removed and justice will be done the people.

☞ We have been favored the present season, with a substantial, old-fashioned Winter, extremely cold, plenty of snow and fine sleighing. The snow of Tuesday of last week, was very heavy, and materially improved the sleighing, but that of last Sunday greatly increased its depth, leaving it now about twenty-two inches hereabouts, and was the snow of the season. The grain is well covered, and shielded from apparent danger; the Fruit has been kept back and escaped freezing, and the prospects are highly favorable for a large yield of MAPLE SUGAR.

All of which is quite consoling.

☞ Brown's Bronchial Troches, advertised in another column, are highly recommended for public speakers and others, for the relief of colds and to clear the voice. Their efficacy is strongly attested by congressmen, clergymen and singers, who use them. Among the certificates to their merits we observe letters from Henry Ward Beecher, N. P. Willis, E. H Chapin, and others of eminence.

TO THE AFFLICTED!

FROM DR. J. BRYAN,

CONSULTING PHYSICIAN.

No 76 Cedar Street, New York.

Medical treatment to be successful must be adapted to each particular case, and the constitution of the patient at the time, and regulated from time to time, as the exigencies of the case require. Medicine acts more potently on some persons than on others, and it should be administered with a view to assist nature, and not to force it.

All who are afflicted with Chronic Difficulties

of any kind, and have failed to obtain permanent benefit from the treatment of their family physician, are solicited to give me a statement of their condition, and I will advise them free of charge, what treatment is necessary to ensure recovery, the time required, and the expense.

I desire to prescribe or give advice only in such complicated and chronic cases as have baffled the skill of other physicians.

To all such I will pay speedy attention, and give every case my serious consideration.

Advice without medicine is seldom sufficient; therefore when addressing me, enclose one dollar in your letter, for which I will give my candid opinion and advice, and such medicine as I can afford for the same by return of mail; and I will also state upon what terms I will undertake the cure.

My professional attention is given more particularly to the following diseases, which I make specialities of my profession, and I can treat them as well at a distance as if called upon personally.

All Chronic and Complicated Affections of the System, (and all diseases peculiar to to Females.)

Dyspepsia and Liver Complaints, Chronic Headache Piles and Fistula, Chronic and Inflammatory Rheumatism, Neuralgia, and Nervous Diseases general Debility, Scrofula, Cancers and Tumors, Chronic and Inflammatory Disease of the Eyes and Ears, Catarrh, Seminal Weakness, Impotence, Urethral and Vaginal Discharges, Sexual and Urinary Diseases generally.

Consumption, Bronchitis, and Lung Diseases generally.

A treatise on this subject, illustrating the various stages and most rational mode of treatment, will be sent to any one, post paid, on the receipt of a postage stamp.

My treatment for Consumption and Bronchial affections has been attended with great success. I do not follow the beaten track of the past ages, but attack the disease upon principles that have a sound scientific basis; and I have restored thousands by simple remedies, that have been given over by other physicians as incurable. Under the ordinary treatment the patients always die, under my treatment there is some hope.

Afflicted, give me a consultation. I use no remedies that are hurtful, in any case. My motto is: "Nature has provided, for every disease, remedies in the plants of the fields and trees of the forest;" and I use no minerals under any circumstances.

My address is as follows:

"J. BRYAN, M. D., Box 5079,
No. 76 Cedar Street, New York.

Write your name plain, also town, county and state, and a reply will be mailed as soon as possible.
