COLUMBIA DEMOCRAT.

Saturday Morning, Aug. 19, 1865.

☞ THE EDITOR is off to Philadelphia and New York.

☞ Danville National Bank, is the changed title of the excellent Institution heretofore known as the "Bank of Danville."

☞ NEW ORGAN.—The Lutheran denomination of this place have purchased a new Organ for the use of their church.

☞ Complaint is already being made that the new Potatoes are rotting That's right, keep up the price.

☞ THANKS —We return our thanks to several friends for a number of new subscribers sent us by them during the past week

☞ Tomatoes.—This health imparting vegetable is now abundant in market at fair prices. The crop is large this season.

☞ The strike amongst the miners in the upper end of Wyoming valley, still continues; operators say coal will again advance in price in consequence.

☞ Hopkins' "own make" of Hoop Skirts, for ladies, and Children advertised in this issue.—Call at 628 Arch Street, Philadelphia and examine his stock of goods.

☞ Our friends and customers, will please bear in mind, that we MUST HAVE MONEY, and hope they will improve the opportunity to make prompt and punctual payments at the coming September Court.

☞ Mr. JAMES JONES, has revived the *Jersey Shore Vidette*. It is a strong Republican sheet, and supports all the heresies of the Abolition Administration. The "Vidette" makes a very respectable appearance.

☞ Peaches continue scarce and command high prices At present figures this delicious fruit is a luxury in which people of limited means, especially printers, cannot afford to indulge to any great extent.

☞ DELIGHTFUL.—The howling of the hundreds of worthless curs which infest our town at night. We are not naturally of a very cruel disposition, but we often wished they had but one neck, and we had our foot upon it.

☞ A man remarked yesterday he attended church last Sabbath for the first time in twelve years, and said he should not have done so then could he have obtained his usual allowance of "pure old rye." You old sinner!

☞ Counterfeit one Dollar Treasury notes are in circulation—of very good appearance, but printed in a lighter shade of green. Some parts are scratched and blurred, and the figures on the green scroll-work on the lower right quarter of the note are printed in *green*; in the genuine they are *white*.

☞ Mr. J. WELSHEIMBAUM, our old friend who supplies the people with Eyes, Glasses and Microscopes, notifies the public, through the medium of our paper, that he can be found at the exchange Hotel, in Bloomsburg, during the coming term of September Court.

☞ Since the hand bills for the Nob-Mountain meeting were printed we have learned that M. M. Traugh, Esq., of Berwick will also address the meeting—We expect to hear from others who have been written to.

☞ Camp Curtin is almost entirely deserted, nearly all the returned soldiers having been mustered out and gone home. But few "shoulder straps" are now visible in the drinking saloons of that city, their favorite place of resort.

☞ HON. KENNEDY L. BLOOD, has been nominated by the Democracy of Jefferson county for State Senator Mr. Blood is a good man, and was in 1858, elected by the Democracy of the Jefferson District to the same position, and made a good Senator. We wish him again success.

Fatal Accident.—CONRAD HORN, Esq., of Hazleton, as we learn from the *Berwick Gazette*, was shot last week in the bowels, by a pistol in the hands of his brother, and supposed to be mortally wounded—Mr. Horn has been unfortunate. Near two years ago, he was arrested by the "military blood-hounds," and was incarcerated some 15 months in Fort Mifflin.

A New Hard ware Store.—We understand, that we are soon to have a new wholesale and retail Hard-ware Store established in Bloomsburg. The gentleman who intends opening it, is an extensive capitalist and hails from Bath, New York. Such an institution, of all else appears to be most wanted in Bloomsburg, as there is not a Hard-ware establishment kept in the County of Columbia.

☞ The first and second numbers of the "Federal American Monthly," have come to hand, its name being changed from the Knickerbocker and American Monthly. It is published by J. P. Robens, 37 Park Row, New York, and has the name of A. J. H. Duganne, added to its editorial staff. It contains many choice articles, among which are the following: "Eloquence," by Prof. W. C. Fowler.—"The First American Novelist" "A Party of the Future," &c., &c.

SPECIAL NOTICES.

Brandreth's Pills a General Assistant of Nature. What is health? What is disease? Health is when the supply and expenditure are equal. Disease when the supply and expenditure are unequal.

BRANDRETH'S PILLS impart certain expulsive powers to all matters in the body whose life is below the standard of the surrounding party, or which have remained longer than the time nature designed. So infevers and all that class of cases which soon run into mortification Brandreth's Pills have marvelous curative qualities. Our bodies are continually changing, and it is by this change we live. Should matter remain in organs beyond the time nature designed, pain and inflammation set in, which is nothing more than a preparatory effort for our good. All Brandreth's Pills are supposed from the results to do its simply,

The Grovesteen Piano Forte still retains its precedence and great popularity, and after undergoing gradual improvements for a period of thirty years, is now pronounced by the musical world to be unsurpassed and even unequalled in richness, volume and purity of tone, durability and cheapness. Our new scale, French action, harp pedal, iron frame, over-strung bass, seven octave rosewood pianos we are selling cheaper by from $100 to $200 than the same style and finish are sold by any other first-class makers in the country. Dealers and all in want of good pianos are invited to send for our Descriptive Catalogue, which contains photographs of our different styles, together with prices. No one should purchase a piano without seeing this Catalogue. Medals almost without number, have been awarded to the Grovesteen Piano, and the Celebrated World's Fair, though put in competition with others from all parts of Europe and the U. S. it took the highest award.

THE PHOENIX PECTORAL

Will Cure Your Cough.

THE PHOENIX PECTORAL;

OR,

COMPOUND SYRUP OF WILD CHERRY & SENEKA SNAKE ROOT,

Will Cure the Diseases of the

THROAT AND LUNGS,

Such as Colds, Coughs, Croup, Asthma, Bronchitis, Catarrh, Sore Throat, Hoarseness, Whooping Cough, &c.

Its timely use will prevent

PULMONARY CONSUMPTION.

And even where this fearful disease is fully developed it will afford more relief than any other medicine.

J. Lawrence Getz, ex-Speaker of the Pennsylvania House of Representatives, says: "This cough remedy is now extensively used and is of the highest value to the community, its curative qualities having been tested by thousands with the most gratifying results. It is carefully and skilfully prepared from Wild Cherry Bark and Seneka Snake Root by Dr. Levi Oberholtzer, a reputable physician of Phoenixville, Pa., and is sold by nearly all druggists and country storekeepers."

D. P. Crosby, ex-Postmaster and ex-Burgess of Pottstown, certifies as follows:

Pottstown, 1865 Jan. 3.

This certifies that I have used the Phoenix Pectoral in my family, and I recommend it to the public as the very best remedy for Cough and Colds that I have ever tried. One of my children was taken with a cold, accompanied with a Croupy Cough so bad indeed, that it could not talk and breathe. Having heard so much said about the Phoenix Pectoral, I procured a bottle of it. The first dose relieves the difficulty of breathing, and before the child had taken one-fourth of the bottle it was entirely well. Every family should have it in their house. D. P. CROSBY.

J. C. Smith, druggist, of New Hope, Bucks county, Pa., in writing to Dr. Oberholtzer, says: "A few days since I bought two dozen of your valuable cough remedy to try, and find it very good, and as it is nearly all gone I would like you to send me a gross of it. "Your medicines gives better satisfaction than any other I have in the store. I am agent for some of the most popular cough preparations, but yours seems to be doing the most good.

The following is an extract from a letter from Hiram Ellis, merchant, near Pottstown, Pa.: "I have tried the Phœnix Pectoral, and find it to be the best cough medicine extant. It meets with a more ready sale than any other that I have ever had in my store."

The proprietor of this medicine has so much confidence in its curative powers from the testimony of thousands who have used it, that the money will be Paid Back to any purchaser who is not satisfied with its effects.

It is so pleasant to take that children cry for it.—Price THIRTY-FIVE CENTS, Large Bottles ONE DOLLAR

It is intended for only one class of diseases, namely, those of the Throat and Lungs
