WISTAR'S BALSAM OF WILD CHERRY!
THE GREAT REMEDY FOR DISEASES OF
THE LUNGS AND BREAST!

TESTIMONIALS!

TO THE PUBLIC.—In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected; and as it is not our wish to trifle with the lives, or health of those afflicted, we pledge ourselves to make no assertions, or "FALSE STATEMENTS" of the efficacy nor will we hold any hope to suffering humanity which facts will not warrant. THE PROOFS ARE HERE GIVEN—and we solicit an inquiry from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confidence.

☞ *REMARKABLE CURES.* ☜
Of all the cures that have yet been recorded, there are none equal to those mentioned below, which plainly shows the curability of Consumption, even in some of its worst forms!!!!

Mrs. GOULD, or another proof added!!
THE CURES PERFORMED BY WISTAR'S BALSAM OF WILD CHERRY, ARE ASTONISHING THE WORLD.

BOSTON, Sept. 10, 1845.
TO THE SICK AND AFFLICTED.

Dear Sir:—I take pleasure in communicating through you, to all whom it may concern, and the public generality, the astonishing effect your truly wonderful medicine has had upon me. I have not enjoyed perfect health for four or five years. Physicians told me my liver was diseased,—and that I might some day, die with Consumption. Last September, 1841, I took a slight cold, which produced a hacking cough; this continued until February, 1845, when I added another cold; my cough increased, I soon lost my appetite, and my strength failed; for six weeks I could not lie upon one side; I sweat very much at nights, raised considerable blood during the winter and could not speak a loud word for two weeks. Withall these bad symptoms, I had very severe pains in my side, and between my shoulders; general debility followed. I was confined to my room about eight weeks. I had buried a sister and brother, both died with Consumption. I expected to *die* myself; my friends also *despaired of my life.* At this time, an uncle, who had been benefited himself, advised me to take Dr Wistar's Balsam of Wild Cherry. I accordingly procured a bottle, took it, and felt some better; obtained another, and a third; then I ceased to *bleed*, and my cough was better; but my disease was so deeply rooted, I was obliged to continue taking the Balsam, until I had taken seven bottles. I can honestly and truly say, I believe Dr Wistar's Balsam of Wild Cherry saved my life.

We are personally acquainted with Mrs Gould,—assisted in taking care of her during her sickness.—believe, and know the statement to be true.

ANOTHER VOICE FROM MAINE.
WOODBOROUGH, Me., July 30, 1845.

Dear Sir.—Having experienced great benefit from your invaluable medicine, I feel it my duty and privilege to let the world know what it has done for me. Possessed of a strong constitution naturally, I had enjoyed perfect health previous to the spring of 1843, when I was troubled with a difficulty in my left side, attended with considerable pain. Sometime in July, I was violently attacked with a cough, which continued until fall; then I was confined to the house eight months during which time my cough was very severe. I frequently had spells of coughing which lasted two hours, —daily raised large quantities of disagreeable matter, accompanied with blood; sometimes I raised a quart of blood at a time. I consulted three physicians, all of whom done their best to restore me,—gave me up,—said they could do no more for me.—I must die,—it was impossible for me to live but a short time; one of them said my lungs were gone. At this critical moment, when eminent physicians had exausted their skill, friends disparied of my life, my own hope of recovery at an end, I resorted to Dr. Wistar's Balsam of Wild Cherry; when I had taken one and a half bottles, those severe spells of coughing were removed. I continued taking the Balsam until spring, (April, 1844) when I ceased to bleed at the lungs, my health and strength improved so that I left the house, but was not able to work for a year. Now my health is good; I am able to do a day's work every day on my farm.

JAMES COMERY.

COUNTERFEITS.

☞ *Those who Counterfeit* a good medicine for the purpose of adding a few dollars to their pockets, are far worse than the manufacturers of spurious coin.

For while the latter only robs us of our property, the former take property and health and life away.—Dr. WISTAR'S *Balsam of Wild Cherry* is admitted by thousands of disinterested witnesses, to have effected the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.

The young, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.

Such a high stand is public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsam of Wild Cherry*, and refuse with scorn counterfeits, and every other article proferred to them as a substitute, so long will *cures—positive cures*—cheer the firside of a depaiting family.

☞ The true and genuine "Wistar's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.

Phœnix Safes and Vaults.
THE undersigned invite attention to the following certificate:
CERTIFICATE.
The undersigned having been requested by Messrs. Constable & Strickler, to be present, and experiment a test, by fire, of one of their recently invented Phœnix Fire Proof safes, and deeming the subject one of very great public importance, have carefully scrutinized the progress of a test, to which one of said chests was subjected. The chest was supported at each corner, at an elevation of 10 to 12 inches from the ground. A fire of Bituminous coal and fire was made over and around and kept actively burning 5½ consecutive hours. The fuel consumed was about 60 bushels of coal, and one cord of wood; the heat all the while being quite intense, and in the opinion of the undersigned much greater than a safe is likely to sustain in any ordinary house burning.
On the removal of the fire, at their request the chest was opened, and greeted to the astonishment of the undersigned and the large number of citizens present, a Blank Book with Sundry Bank notes within its folds; a piece of Dry pine Wood and the inner lining of the safe, which is of Wood, were found warm indeed, but not in the Slightest degree charred or injured, some manuscript on the Book as legible as before the test. The undersigned are unanimous in the conviction that a fire proof chest is practicable; and that the ingenious and enterprising manufacturers, whose efforts for some months past in producing the desideratum have proved so entirely successful, deserve the public confidence and patronage.

JOHN ANDERSON,
L. R. LIVINGSTON
JOSIAH KING,
WARRICK M'MARTIN,
EDWARD HEAZELTON,
JAMES PARK, Jr.

It is the character of the above named gentlemen, the public have a guarantee against deception, in the test which was made of our Phœnix Safes, and we therefore feel the utmost confidence in recommending them as a reliable protection against fire, under any ordinary circumstance. We would assure those interested, that there is no wood about these Safes, but what is necessarily connected with the shelves and drawers.
We make Vault Doors in the same manner and upon the same plan. One of these can be seen at Reese C. Townsend & Co's new building.
For the workmanship of our Vaults, they can be seen at the following places: Lyon, Shorrh & Co., Church & Carothers, Wm. Larimer, King & Holmes J. D. Davis, P. M'Cormick, and W. Martin.
