Transportation Lines.

Independent Portable Boat Line,

For the Transportation of Produce, and Merchandise, to and from
PITTSBURGH, BALTIMORE AND PHILADELPHIA.
No Transhipment.

THE subscribers, Agents for a number of the best Portable Boats, forming a regular daily Line, between Pittsburgh and the Eastern cities, will be fully prepared, on the opening of navigation, to ship a large amount of Produce and Merchandise with despatch and on accomodating terms.

The great success which has characterized this mode of transportation on the Penns' Canals and Railroads, during the last few years, notwithstanding the opposition of long established companies, and is a pretty sure indication of its superiority over the old plan of transhipping at the different terminous of canals and railroads.

We therefore ask for the Independent Portable Boat Line a liberal share of patronage.

Produce or Merchandise consigned to us for shipment will be forwarded immediately on arrival free of any charge for commission, storage or insurance.—Bills Lading transmitted, and all instructions promptly attended to.

Bingham's Transportation Line,

BETWEEN PITTSBURGH AND THE EASTERN CITIES.

PROPRIETORS,
WM. BINGHAM. JACOB DUCK.
THOS. BINGHAM. WM. A. STRATTON.
Conducted on Sabbath-keeping principles.

THE Proprietors of the old established Line have thoroughly recruited and renewed their stock, and are well prepared to forward Produce and Merchandise on the opening of navigation.

The long experience of the Proprietors in the carrying business, with their watchful attention to the interests of customers, induces them to hope that the patronage heretofore extended to "Bingham's Line" will be continued and increased.

Dispensing the usual self-glorifying style of advertising too absurd for imitation, and believing that with former customers we need no self-commendation, we would merely invite such as have not heretofore patronised our Line, to give us a trial.

Our rates of freight shall at all times be as low as the lowest that are charged by other responsible Lines. Produce and Merchandise will be received and forwarded without any charge for advertising, Storage or Commission. Bills of lading promptly forwarded, and every direction carefully attended to.

CONSUMPTION!

DR. SWAYNE'S
Compound Syrup of Wild Cherry.

The Original and Genuine Prepration!

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Inflamma, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S
Compound Syrup of Wild Cherry.

THIS "Celebrated Remedy" has now, by its intrinsic virtues, acquired a celebrity which can never be shaken by the many quack Nostrums" with which the country abounds. The public are fast learning that this is the only remedy that can be relied upon in the speedy and permanent cure of all diseases of the Lungs. It is literally sweeping Consumption from the land; wherever it is introduced that disease dwindles into insignificance. The public have "humbugged" long enough, and now resort to a medicine which the testimony of the most eminent physicians in the land has placed beyond the reach of criticism.—In requires no bolstering up by publishing columns of forged certificates—but it is enough to let the public know where it can be obtained, and one trial will convince all, of its great efficacy in curing those distressing diseases above named, which have baffled the skill of the most learned practitioners for ages heretofore.

Dr. Swayne's compound Syrup of Wild Cherry was the first preparation from that valuable tree which was ever introduced to the public, and ample proof is afforded of its success by the country being flooded with "Balsam," "Candies," and "Mixtures" of Wild Cherry, not one of which is prepared by a regular physician, although they have assumed the names of respectable physicians to give currency to their "Nostrums" Therefore, the public should be on their guard, and not have a worthless mixture palmed upon them for the original and genuine preparation, which is only prepared by Dr. SWAYNE, N W. corner of Eighth and Race street, Philadelphia.

Consumptives, or those whose Lungs are affected slightly, should take this Syrup without delay, by which they may prevent the fasing of that dire disease fully and firmly. Has important, then, to avoid it.—Never live a day with a cough when this Syrup can be had, and you are nearly certain, with proper care, to avoid destruction by Consumption.

Dr Swayne's Compound Syrup of Wild Cherry is a compound of Vegetable Remedies; it is called "Wild Cherry," because that article is the basis of the Preparation. It is so combined with other ingredients, that the utmost efficiency is given to its good qualities, as a supporter and preserver of the powers and functions of life, it has no equal.

Remember, all preparations purporting to contain WILD CHERRY, are fictitious and counterfeit, except that bearing the written signature of DR SWAINE. Great care should be observed in purchasing of the authorized agents. The only agents in Pittsburgh for the sale of the genuine medicine are, Wm Thorn, 53 Market st; Ogden & Snowden, corner of Wood and 2d sts.—and S Jones, 120 Liberty st., where it can be obtained genuine, wholesale and retail, at proprietor's prices. Sold by John Mitchell, Allegheny city; E. B. Hunter, Cincinnati; Dr. McCoffin, Steubenville; H. Burton & Co. Erie; J S. Morris & Co., Louisville; Dr. E. Easterly & Co., St. Louis; Andrew Oliver & Co., New Orleans, and by regularly appointed agents in nearly all the principal towns in the United States.

☞ Country storekeepers will find it no disadvantage to have a supply of this popular family medicine. jun 29 1y

EACH PAPER BEARS THE LABEL AND WARRANTY OF
DAVID LANDRETH.

FOR sale by F L SNOWDEN, No 29 Water st., at the stand formerly occupied by Geo A Berry. Extract from the "Report" of the "Visiting Committee of the Pennsylvania Horticulturak Society," unanimously adopted, and ordered to be printed.

Landreth's Nurseries and Gardens.

"These extensive grounds are on Federal street near the Arsenal. * * * * The earliest collection of Camellias was made here. Some of those now in Possession of those distinguished nurserymen, are ten feet high. * * * The selection of GREEN HOUSE PLANTS is valuable and extensive.

"The *Nurseries* are all very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space; we therefore content ourselves with stating that the stock is very large, and in every stage of growth consisting of FOREST AND ORNAMENTAL TREES EVERGREENS, SHRUBS, VINES AND CREEPERS.

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The Seed Establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well earned from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery, at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a "genuine article." Knowing thus the age, quality and process of culture of every plant, the supply from their grounds is recommended with great confidence."

* * * Since the date of the "Report" from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camelias now traces all the four kinds, and consists of some thousands of the choicest sorts; an immense collection of Roses, and other desirable plants, both tender and hardy; Fruit Trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, a circumstance unique in America.

EXTENSION OF PITTSBURGH.

Rare Chance for good Investments!

THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, *One hundred and ten building Lots*, on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from the city line, and are situated in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No property in the subscriber's possession superior for purposes, nor has any heretofore been laid out with so liberal an allowance of wide streets; Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and Boden, Commerce, Brady, Columbus and Water streets all wide avenues. Part of the lots have *two fronts*, and as they are of various sizes, and will be sold, one lot, with the privilege of four or five; each applicant can be accommodated to suit their own views of improvement. Persons who desire to build or to make secure investments in property that is sure to advance in value, and particularly those who intend to erect manufactories, would do well to view these Lots, and examine the draft, before purchasing elsewhere. The survey for the Baltimore and Ohio Rail Road and the rail road survey by the State of Pennsylvania were both made along side of this property, and it is generally considered that Braddock street, or the ground immediately along side of it, affords the only eligible route for a Rail Road from Pittsburgh to the East. Coal can be delivered on this property at a much less cost than on the *Allegheny* river, and there is always deep water at this part of the river.

WILL make insurance against Loss or Damage by Fire, in Pittsburgh and vicinity, on Houses, Stores and other buildings, and on Furniture, Goods, Wares and Merchandize, limited or perpetual, in town or country, on the most favorable terms.

The Mutual Principle, combined with a Stock Capital, and the other provisions of the Charter of this Company, hold out unusual inducements, both of profit and safety, to those desirous of effecting insurance, to which the Company ask the attention and examination of those interested.

The Capital Stock of the Company is invested in good and sufficient securities. After providing for the losses accruing to the Company, in the course of its business, the stockholders are entitled to receive out of its income and profits an interest not exceeding six per cent. per annum on the Capital Stock actually paid in—the amount of which interest, it is expected, will be supplied by funds invested—and thereafter, all the remaining profits are to accumulate and be held, in like manner with the Capital Stock, for the better security of the assured. But certificates bearing interest, payable annually, transferable on the books of the Company, and convertible at any time into Capital Stock, will be issued therefor to the Stockholders and insured members, in proportion to the amount of Stock held, or premium paid by them respectively, agreeably to the provisions of the Charter.

These effecting insurance with this company have, besides the usual protection against loss, by the ordinary method of insurance, the additional advantage of a direct participation in the profits of the Company, without any liability.

GEO. W. TOLAND, President.
B. M. HISCHMAN, Secretary.

The subscriber, who is the duly authorised Agent for the above named Company, is prepared to make insurance, at the Office of the Agency, No. 2, St Charles Hotel, on Third street, a few doors above Wood street, and will give all further information desired.
