WISTAR'S BALSAM OF WILD CHERRY
THE GREAT REMEDY FOR DISEASES OF
THE LUNGS AND BREAST!
TESTIMONIALS:
TO THE PUBLIC.—In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected; and as it is not our wish to trifle with the lives, or health of those afflicted, we pledge ourselves to make no assertions, or "FALSE STATEMENTS" of the efficacy nor will we hold any hope to suffering humanity which facts will not warrant. THE PROOFS ARE HERE GIVEN—and we solicit an inquiry from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confidence.

☞ *REMARKABLE CURES.* ☜
Of all the cures that have yet been recorded, there are none equal to those mentioned below, which plainly shows the curability of Consumption, even in some of its worst forms!!!!

Mrs. GOULD, or another proof added!!
THE CURES PERFORMED BY WISTAR'S BALSAM OF WILD CHERRY, ARE ASTONISHING THE WORLD.

BOSTON, Sept. 10, 1845.
TO THE SICK AND AFFLICTED.
Dear Sir:—I take pleasure in communicating through you, to all whom it may concern, and the public generally, the astonishing effect your truly wonderful medicine has had upon me. I have not enjoy perfect health for four or five years. Physicians told me my liver was diseased,—and that I might some day, die with Consumption. Last September, 1841, I took a slight cold, which produced a hacking cough; this continued until February, 1845, when I added another cold; my cough increased, I soon lost my appetite, and my strength failed; for six weeks I could not lie upon one side; I sweat very much at nights, raised considerable blood during the winter and could not speak a loud word for—a—weeks. With all these bad symptoms, I had very severe pains in my side, and between my shoulders; general debility followed. I was confined to my room about eight weeks. I had buried a sister and brother, both died with Consumption. I expected to *die myself; my friends also despaired of my life.* At this time, an uncle, who had been benefited himself, advised me to take Dr Wistar's Balsam of Wild Cherry. I accordingly procured a bottle, took it, and felt some better; obtained another, and a third; then I ceased to *bleed*, and my cough was better; but my disease was so deeply rooted, I was obliged to continue taking the Balsam, until I had taken seven bottles. I can honestly and truly say, I believe Dr Wistar's Balsam of Wild Cherry saved my life. MRS. MARY B. GOULD.

We are personally acquainted with Mrs Gould,—assisted in taking care of her during her sickness.—believe, and know the statement to be true.

ANOTHER VOICE FROM MAINE.
WOOTTONOTOUN, Me., July 30, 1845.
Dear Sir,—Having experienced great benefit from your invaluable medicine, I feel it my duty and privilege to let the world know what it has done for me. Possessed of a strong constitution naturally, I had enjoyed perfect health previous to the spring of 1843, when I was troubled with a difficulty in my left side, attended with considerable pain. Sometime in July, I was violently attacted with a cough, which continued until fall; then I was confined to the house eight months during which time my cough was very severe. I frequently had spells of coughing which lasted very long, —daily raised large quantities of disagreeable matter, accompanied with blood; sometimes I raised a quart of blood at a time. I consulted three physicians, all of whom done their best to restore me,—gave me up, said they could do no more for me.—I must die,—it was impossible for me to live but a short time; one of them said my lungs were gone. At this critical moment, when eminent physicians had exausted their skill, friends disspaired of my life, my own hope of recovery at an end, I resorted to Dr. Wistar's Balsam of Wild Cherry; when I had taken one and a half bottles, those severe spells of coughing were removed. I continued taking the Balsam until spring, (April, 1844.) when I ceased to bleed at the lungs, my health and strength improved so that I left the house, but was not able to work for a year. Now my health is good; I am able to do a day's work every day on my farm.

COUNTERFEITS.
☞ *Those who Counterfeit* a good medicine for the purpose of adding a few dollars to their pockets, are far worse than the manufacturers of spurious coin. For while the latter only robs us of our property, the former take property and health and life away.—Dr. WISTAR'S *Balsam of Wild Cherry* is admitted by thousands of disinterested witnesses, to have effected the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.

The young, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.

Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsams of Wild Cherry*, and refuse with scorn counterfeits, and every other article proferred to them as a substitute, so long will *cures—positive cures*—cheer the fireside of a depairing family.

☞ The true and genuine "Wister's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.

WISTAR'S BALSAM OF WILD CHERRY, that not only relieves but cures!

CONSUMPTION!
DR. SWAYNE'S
Compound Syrup of Wild Cherry.
The Original and Genuine Prepration!
Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases is
DR. SWAYNE'S
Compound Syrup of Wild Cherry.
THIS "Celebrated Remedy" has now, by its intrinsic virtues, acquired a celebrity which can never be shaken by the many quack-Nostrums" with which the country abounds. The public are fast learning that this is the only remedy that can be relied upon in the speedy and permanent cure of all diseases of the Lungs. It is literally sweeping Consumption from the land; wherever it is introduced that disease dwindles into insignificance. The public have "humbugged' long enough, and now resort to a medicine which the testimony of the most eminent physicians in the land has placed beyond the reach of criticism.—It requires no bolstering up, by publishing columns of forged certificates—but it is enough to let the public know where it can be obtained, and one trial will convince all, of its great efficacy in curing those distressing diseases above named, which have baffled the skill of the most learned practitioners for ages heretofore.

Dr. Swayne's Compound Syrup of Wild Cherry was the first preparation from that valuable tree which was ever introduced to the public, and ample proof is afforded of its success by the country being flooded with "Balsam," "Candies," and "Mixtures" of Wild Cherry, not one of which is prepared by a regular physician, although they have assumed the names of respectable physicians to give currency to their "Nostrums" Therefore, the public should be on their guard, and not have a worthless mixture palmed upon them for the original and genuine preparation, which is only prepared by Dr. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia.

Consumptives, or those whose Lungs are affected slightly, should take this Syrup without delay, by which they may prevent the fixing of that dire disease fully and firmly. How important, then, to avoid it.—Never live a day with a cough, when this Syrup can be had, and you are nearly certain, with proper care, to avoid destruction by Consumption.

Dr Swayne's Compound Syrup of Wild Cherry is a compound of Vegetable Remedies; it is called "Wild Cherry," because that article is the basis of the Preparation. It is so combined with other ingredients, that the utmost efficiency is given to its good qualities, as a supporter and preserver of the powers and functions of life, it has no equal.

Remember, all preparations purporting to contain WILD CHERRY, are fictitious and counterfeit, except that bearing the written signature of DR. SWAINE. Great care should be observed in purchasing of the authorized agents. The only agencies in Pittsburgh for the sale of the genuine medicine are, Wm. Thorn, 52 Market st.; Ogden & Snowden, corner of Wood and 2d sts.—and S. Jones, 180 Liberty st., where it can be obtained genuine, wholesale and retail, at proprietor's prices. Sold by John Mitchell, Allegheny city; E. B. Hinman, Cincinnati; Dr. Megoffin, Mercer; H. Burton & Co. Xrie; J. S. Morris & Co., Louisville; Dr. E. Easterly & Co., St. Louis; Andrew Oliver & Co., New Orleans, and by regularly appointed agents in nearly all the principal towns in the United States.

☞ Country storekeepers will find it to their advantage to have a supply of this popular family medicine. jan 29-1y

Phœnix Safes and Vaults.
THE undersigned invite attention to the following certificates:
CERTIFICATE.
The undersigned having been requested by Messrs. Constable & Strickler, to be present and superintend a test, by fire, of one of their recently invented Phœnix Fire Proof safes, and deeming the subject one of very great public importance, have carefully scrutinized the progress of a test, to which one of said chests was subjected. The chest was supported at each corner, at an elevation of 10 to 12 inches from the ground a fire of Bituminous coal and fire wa made over and around and kept actively burning 64 consecutive hours. The fuel consumed was about 80 bushels of coal; and one cord of wood; the heat all the while became quite intense, and in the opinion of the undersigned much greater than a safe is likely to sustain in any ordinary house burning.

On the removal of the fire, at their request the chest was opened, and greatly to the astonishment of the undersigned and the large number of citizens present, a Blank Book with Sundry Bank notes within its folds; a piece of Dry pine Wood and the inner lining of the safe, which is of Wood, were found warm indeed, but not in the slightest degree charred or injured, not even manuscript on the Book as legible as before the test. The undersigned are unanimous in the conviction that a fire proof chest is practicable; and that the ingenious and enterprising manufacturers, whose efforts for some months past in producing this desideratum have proved so entirely successful, deserve the public confidence and patronage.
JOHN ANDERSON,
L. R. LIVINGSTON,
JOSIAH KING,
WARRICK MARTIN,
EDWARD HEAZELTON,
JAMES PARK, Jr.

In the character of the above named gentlemen, the public have a guarantee against deception, in the test which was made of our Phœnix Safes, and we therefore feel the utmost confidence in recommending them as a reliable protection against fire, under any ordinary circumstance. We would assure those interested, that there is no wood about these Safes, but what is necessarily connected with the shelves and drawers. We make Vault Doors in the same manner and upon the same plan. One of these can be seen at Reese C. Townsend & Co's new building.

For the workmanship of our Vaults, they can be seen at the following places: Lyon, Sherb & Co., Church & Caruthers, Wm. Larimer, King & Holmes J. D. Davis, P. M'Cormick, and W. Martin.

EXTENSION OF PITTSBURGH.
Rare Chance for good Investments!
THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, *One hundred and Ten building Lots*, on that handsome level ground between Braddock street and the Monongahela river. They are about one-third of a mile from this city line, and are situated in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No property in the suburbs possesses superior advantages, nor has any heretofore been laid out with so liberal an allowance of wide streets; Braddock is from one hundred and twenty to about one hundred and ninety feet wide, and Beelen, Commerce, Brady, Columbus and Water streets all wide avenues. Most of the lots have *two fronts*, and as they are of various sizes, and will be sold, one lot, with the privilege of four or five; early applicants can be accommodated to suit their own views of improvement. Persons who desire to build, or to make secure investments, should not waste time to advance in value, and particularly those who intend to erect manufactories, would do well to view these Lots, and examine the draft, before purchasing elsewhere. The survey for the Baltimore and Ohio Rail Road, and the recent survey by the State of Pennsylvania, were both made alongside of this property, and it is generally considered that Braddock street, or the ground immediately alongside of it, affords the only eligible route for a Rail Road from Pittsburgh to the Lake. Coal can be delivered on this property at a much less cost than on the *Allegheny* river, and there is always deep water at this part of the river.
