GAINS AND LOSSES IN MARKET CONFLICTING

Several Specialties and Obscure Stocks Rose Smartly During Morning

By Associated Press

New York, Jan. 26. — Changes at the opening of to-day's stock market suggested no definite trend, gains and losses being somewhat conflicting. For instance, United States Steel, Common, whose directors act on the dividend to-day, showed no change, while the preferred stock was fractionally lower. Several specialties and obscure stocks rose smartly, including American Sugar and Beet Sugar, which gained 1½ and 1¼ points. By the end of the half hour the entire list was higher despite the heaviness in our stocks in London.
