BETHLEHEM STEEL HAS NEW RECORD

Other War Specialties Were Fairly Strong, Advancing Point or More During Day

New York, June 8. — Bethlehem Steel's ascent to a new record was the feature of to-day's early market. The stock opened at 158, a three point advance and within a point of its previous best. From that figure it advanced in lots of 100 shares to 162. Other war specialties were fairly strong, advancing a point or more, and coppers scored some gains. In the railway list, Canadian Pacific yesterday's weak feature, rose 1¼, this however, being but a small part of its recovery in London. U. S. Steel and other leaders were up from fractions of a point.
