Landreth's Warranted Garden Seeds,
DIRECT FROM PHILADELPHIA. Each paper bears the label and warranty of DAVID LANDRETH. For sale by F. L. SNOWDEN, No. 29 Water st., at the stand formerly occupied by Geo. A. Berry. Extract from the 'Report of the Visiting Committee of the Pennsylvania Horticultural Society,' unanimously adopted and ordered to be printed.

LANDRETH'S NURSERIES AND GARDENS.

"These extensive grounds are on Federal street, near the Arsenal. * * * * The earliest collection of Camellias was made here. Some of those now in possession of those distinguished nurserymen are ten feet high. * * * * The selection of GREEN-HOUSE PLANTS is valuable and extensive.

"The Nurseries are very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVER-GREENS, SHRUBS, VINES AND CREEPERS, with a collection of herbaceous plants, fruit trees of the best kind and most healthy condition, large beds of seeding apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon suckers, which carry with them into the grafts all the diseases of the parent stock."

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery at a suitable distance, so that all degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing thus the age, quality and process of culture of every plant, the supply from their grounds is recommended with great confidence."

*** Since the date of the 'Report' from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.

☞ *Orders* received by F. L. SNOWDEN, from whom catalogues may be received gratis. mar5-y

Still Another Wonderful Cure of CONSUMPTION.

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY,

THE ORIGINAL AND GENUINE PREPARATION!

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of Throat, Breast and Lungs, the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

THE GREATEST CURE EVER RECORDED!—Dr. SWAYNE—*Dear Sir:* I feel it a debt of gratitude due you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Prunus Virginia, or Wild Cherry, or rather of its medicinal virtues. Some three years since I was violently attacked with cold and inflamation of the Lungs, which was accompanied with a very distressing cough, pain in the breast and back; a very considerable discharge of offensive mucus from the lungs, frequent from fever, particularly from changes of weather, however slight. At first I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew daily weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Just here I was advised and persuaded by a dear friend in Wilmington, to make trial of your Syrup of Wild Cherry; I must confess that prejudiced against patent medicines, and am still against them coming out of the hands of empirics, but understanding your claims to the profession and practice of medicine, and having implicit faith in the say so of my friend, I forthwith purchased of Dr. Swayne, one or more agentes a few bottles, and commenced its use. My disease at this time was of 20 or 24 months standing, consequently, was deeply seated. It therefore required time and a number of bottles to effect a cure in my case; I found, however, considerable relief from the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength and health, and thereby ruptured those vessels that had already began to heal, in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently, I had to use 12 or 15 bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but for the above indiscretion. The Syrup allayed the feverish habit, done away the distressing cough, put a stop to the discharge of matter from the lungs, and gave them and the entire system, good health. Thanks be to God, who is the source of all health, and to Dr. Swayne for it. I would recommend the Syrup to all persons who may be affected with colds, cough or consumption. I verily believe it will cure consumption in the first and second stages, and in the last, will give ease and prolong life. It is an excellent medicine in cases of whooping cough, and is so very pleasant to the taste, that children will cry for it. I have deferred offering this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well, I offer it with pleasure.
