Landreth's Warranted Garden Seeds,
DIRECT FROM PHILADELPHIA. Each paper bears the label and warranty of DAVID LANDRETH. For sale by F. L. SNOWDEN, No. 29 Water st., at the stand formerly occupied by Geo. A. Berry. Extract from the 'Report of the Visiting Committee of the Pennsylvania Horticultural Society,' unanimously adopted and ordered to be printed.'

LANDRETH'S NURSERIES AND GARDENS.

"These extensive grounds are on Federal street, near the Arsenal. * * * * The earliest collection of Camellias was made here. Some of those now in possession of those distinguished nursorymen will yet live to bloom. * * * * The selection of GREEN-HOUSE PLANTS is valuable and extensive.

"The Nurseries are very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS, with a collection of herbaceous plants, fruit trees of the best kind and most healthy condition, large beds of seeding apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon suckers, which carry with them into the graft all the diseases of the parent stock. * *

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing thus the care, quality and process of culture of every plant, the supply from their grounds is recommended with great confidence."

*** Since the date of the 'Report' from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.

☞ Orders received by F. L. SNOWDEN, from whom catalogues may be received gratis. mar9-y

'Tis Found at Last,
A CURE FOR CONSUMPTION.

Seven Thousand cases of obstinate Pulmonary Complaints cured in one year!

We ask the attention of the candid to a few considerations.

Nature, in every part of her works, has left indelible marks of adaptation and design.

The constitution of the animals and vegetables of the forest, is such that they could not endure the cold of the frigid zone, and vice versa.

In regard to diseases and its cure, the adaption is more or less striking.

The Moss of Iceland, the Wild Cherry and Pines of all Northern latitudes (and "Dr. WISTAR'S BALSAM" is a compound chemical extract from these,) have long been celebrated for complaints prevalent only in cold climates. Indeed the most distinguished medical men have averred that nature furnishes in every country medicines for its own peculiar diseases.

Consumption in its confirmed and incipient stages *Coughs, Asthma, Croup* and *Liver Complaint* form by far the most fatal class of diseases known to our land. Yet even these may be cured by means of the simple yet powerful remedies (named above) and which are scattered, by a beneficient Providence, wherever those maladies prevail.

ANOTHER ASTONISHING CURE!

WISTAR'S BALSAM OF WILD CHERRY, always triumphant! cure follows cure in its onward victorious career!

DAYTON, Feb, 11th, 1845.

J. W. Whitmore.—Dear Sir: As yours the regular authorized agent in Dayton, for the sale of "Dr. Wistar's Balsam of Wild Cherry," I take this method of making a statement of facts to you (which I hope may be published to the world) in reference to an almost miraculous cure, wrought in my case by means of the above *Invaluable Balsam.*

Language fails to describe the salutary effects it produced, and the great benefit I derived from its use.

To the citizens of Dayton and vicinity, well recollect that on the 5th of August last, I received serious injury from the explosion of a cannon. A portion of its contents entered my right side and breast; and in all probability, some fragments or splinters of the ram-rod passed through the "plura," and pierced the Lungs.

After the lapse of about six weeks, I was attacked with a *distressing cough and a violent pain in my right side.* Some ten days after this when in a *paroxysm of coughing*, suddenly and ULCER broke, and a large quantity of very offensive matter, mixed with blood, was discharged; most of which found passage through the opening of the wound. From this opening there frequently passed a quantity of air, supposed to issue from the lungs. *During all this time my sufferings were almost inkolerable.*

My physicians, meanwhile paid the strictest attention to my case, and did all in their power for my recovery. But with all their skill they could not reach *the seat of distress, after the Lungs had become affected.* I was visited during this time by at least *twenty* Physicians.

It was now reduced to a certainty, that *inflamation of the lungs* was rapidly taking place; and that this would terminate my life in a very short time, was in the highest degree probable.

At the critical stage, a messenger was despatched to Cincinnati, and a celebrated Physician of that place was consulted. When he was made acquainted with my situation, he remarked that nothing could be done by medical aid, if the constitution itself was not sufficient to throw off the disease.

My friends now despaired of my recovery, and I had no earthly ground of hope to survive many days. Fortunately at this juncture, I saw one of Dr. Wistar's Pamphlets, entitled "Family Medical Guide," or "Treatise on Consumption of the Lungs." As I had often heard of dying men "catching at straws," I felt this doing so myself. By the consent of my Physicians, I sent to you for a bottle of the medicine described viz: "*Wistar's Balsam of Wild Cherry,*" which relieved me almost immediately. After I had used some five or six bottles *I so far recovered as to be up and about.* My cough ceased, and my lungs were restored to a healthy state—all from the *healing and balmy influence and powerful medicinal virtues of Wistar's Balsam.*

Were it not from the external injury I received in my shoulder and arm by the explosion, I feel confident that I might have been working at my trade (which is blacksmithing,) but this has prevented.

By exposure, I have since taken several severe colds, and my *only remedy* has been "*the balsam.*" And I now most cordially recommend the *genuine Wistar's Balsam* to all who are afflicted with *Colds, Coughs,* or *Lung Complaints.* I consider it an invaluable medicine—a real blessing to the world. Any person desiring further information, may call on me any time. yours truly,
