STEADY DECLINE STRIKES MARKET

Speculative Issues Lead Drop and Reach Lowest Prices of the Year

By Associated Press

New York, March 1. — United States Steel, Reading, Anaconda and American Can led the gradual, but steady decline of the morning in which various speculative issues made lowest prices of the year.

The selling bore unmistakable signs of fresh liquidation, rather than bearish activity and was heightened by advices of further marine disasters in the foreign war zone. Even Reading fell under the impact of the movement, which affected some of the high priced specialtise, like Bethlehem Steel and Cuban-American Sugar from ten to eighteen points. Anglo-French 5s repeated their recent minimum of 93⅝.

Bonds in general were heavy.
