Munitions and Semiwar Shares Yield; Bethlehem Steel Drops Fifteen

By Associated Press

New York, March 21.—Profit taking exercised the usual effect, munitions and semiwar shares yielding 1 to 2 points and Bethlehem Steel losing 15 at 505. Dealings diminished materially and before midday the market was undergoing a process of assimilation. United States Steel and Marine preferred were among the prominent stocks that more than maintained early levels and with Crucible, the Locomotives, Westinghouse and Mexican Petroleum, made up the bulk of the forenoon's operations. Weakness of Geramn exchange at the new low rate of 71 7-16 and strength of Anglo-French 5s were accepted as significant of foreign conditions. Bonds were irregular.
