Landreth's Warranted Garden Seeds,
DIRECT FROM PHILADELPHIA. Each paper bearing the label and warranty of DAVID LANDRETH. For sale by F. L. SNOWDEN, No. 29 Water st., at the stand formerly occupied by Geo. A. Berry. Extract from the Report of the Visiting Committee of the Pennsylvania Horticultural Society, unanimously adopted and ordered to be printed:

LANDRETH'S NURSERIES AND GARDENS.

"These extensive grounds are on Federal street, near the Arsenal. * * * The collection of varieties of melon was made here. Some of those now in possession of those distinguished nurserymen are ten feet high. * * * The selection of rare species is valuable and extensive.

"The Nurseries are very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every sense of growth, consisting of FRUIT AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS, with a collection of herbaceous plants, fruit trees of the best kind and most healthy condition, large be is of seedling apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon suckers, which carry with them into the grafted the diseases of the parent stock.

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing thus the age, quality and process of culture of every plant, the supply from these grounds is recommended with great confidence."

* * Since the date of the Report from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias exceeds all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.

☞ Orders received by F. L. SNOWDEN, from whom catalogues may be received gratis. mar9-y

NAVY DEPARTMENT,
BUREAU OF PROVISIONS AND CLOTHING,
August 7, 1846.

SEALED PROPOSALS, endorsed "Proposals for Beef, and "Proposals for Pork," as the case may be, will be received at this office until 3 o'clock, p. m., on Monday, the 14th day of September next, for furnishing and delivering, free of all cost and risk to the United States—

Five thousand four hundred barrels of navy beef, and four thousand eight hundred barrels of navy pork:

Each barrel to contain not less than two hundred pounds nett weight of beef or pork; no excess of weight in either article will be paid for. To be delivered at the respective navy yards, as follows:

	Barrels Beef.	*Barrels Pork.*
At Charlestown, Mass:	1,800	1,600
At Brooklyn, N. Y.	1,800	1,600
At Gosport, Va.	1,800	1,600

Said beef and pork must be delivered, one-half between the first day of January, 1847, and the first day of April, 1847, and the other half between the 15th day of April, 1847, and the 15th day of June, 1847, unless earlier deliveries should be required by the chief of this bureau. Offers must be made for each half separately and distinctly—that is, for the half deliverable between the 1st of January and 1st of April, and for the half deliver able between the 15th of April and 15th of June, 1847. Payment for the first half to be made within thirty days after delivery, and for the second half in thirty days after the 15th June, 1847.

The beef must be from well-fattened cattle, slaughtered between the first day of November, 1846, and the first day of February, 1847, and weighing not less than two hundred pounds each, excluding the heads, joles, necks, shoulders, hams, legs, feet, and lard, and all refuse pieces; and must be cut in pieces weighing not less than six pounds each.

But the beef and pork must be salted with at least one statute bushel of Turk's Island, Isle of May, or St. Ube's salt; and the beef must have five ounces of fine saltpetre and sugar to each barrel, exclusive of a pickle, to be made from fresh water, as strong as salt will make it.

One fourth the quantity of beef, and one-fourth the quantity of pork, must be packed in half barrels, and contain one hundred pounds nett weight of each, and the case may be; and, in estimating the price, two half barrels are to be considered as one barrel.

The barrels and half barrels must be made of the best seasoned white oak, or white ash staves and heading; if of the former, to be not less than three-fourths of an inch thick; if of the latter, to be not less than an inch thick for barrels, and three-fourths of an inch for half barrels, and to be hooped at least three-fourths over with the best white oak or hickory hoops.
