LOCUST GROVE FEMALE SEMINARY. The Trustees of Locust Grove Episcopal Seminary, give notice to the friends of the institution, that the Rev. WILLIAM H. CLARKE, having been compelled by protracted ill health, to resign his charge as Rector of the same, they have been so fortunate as to secure the valuable services of the Rev GEORGE T. RIDER, of New York, for the same position, and who enters at once upon the discharge of his duties. From the very high and flattering commendations which they have had of Mr. RIDER, they have no doubt of his eminent fitness for the work committed to him, and that they believe that under his management the Seminary cannot fail to procure a large share of public favor and support.

Persons having daughters or wards to educate are particularly desired to acquaint themselves with the advantages which this institution affords, both as respects its beautiful and salubrious position, two and a half miles from the city; and also the facilities for the thorough and refined education presented in its efficient corps of instructors.

Circulars may be obtained on application to the Rector, or either of the Trustees.

DID YOU READ SYDNEY SMITH?—Of course you liked it, and laughed over his witty remarks. We now offer you a better book, THE BOOK OF THE SUMMER.

We have ready this day, the first complete American edition, with a memoir, from the 10th English edition. In two handsome royal 12mo. volumes, cloth; price $2,50, or half calf extra $4.

The Ingoldsby Legends; Or, Mirth and Marvels. By Thomas Ingoldsby, Esq., (the Rev. Richard Harris Barnham,) with 16 illustrations by those funny fellows, Cruikshank and Leech.

This delightfully entertaining book has now become a standard library work in England, where it has rapidly passed through ten editions. The memoir is brimful of sparkling jokes, anecdotes and witty repartee, by Theodore Hook, Barnham, Thomas Hood, Sydney Smith and other celebrities. We venture our reputation as caterers for public taste, if this work does not delight every reader, and prove fully as entertaining, if not more so, than the recent biography of Rev. Mr. Barnham's brother divine, Sydney Smith. H. MINER & CO.,

INVENTIONS AND PATENTS.

PITTSBURGH, April 12, 1856.

M. F. EATON, Esq.:

Dear Sir,—Having used G. Trott's "Patent Oil Globe" on almost all the steam engines furnished the last year, and inasmuch as they appear to have given entire satisfaction to our customers, we have no hesitation in recommending them as a good article, and much preferable on account of their simplicity of construction, to the old fashioned Oil Globes, or any other of which we have any knowledge.

Very respectfully yours,
F. & W. M. FABER & CO.,
Engine Builders.

This certifies that the Oil Cup patented by Mr. Trott, has been in use on our road for two years past. We find it to be an economical and durable Oil Cup, and can recommend it as such.

GEO. W. GRIER,
Foreman of Pittsburgh Shop of Penna. Central RR.
November 29th, 1854.

To M. F. EATON, Esq.:

This certifies that we have had in use the patent Oil Globes or Cups, sold by Moses F. Eaton, Esq., of Pittsburgh, and consider them very much superior to any thing of the kind we have ever used. ALFRED THOMAS,
Treasurer Ohio Tool Company.

Columbus, Ohio, November 27, 1856. ap24

Patent Finishing Plane.

This invention is intended for use where it is desired to impart a fine, smooth, and glossy surface to the wood; but it is applicable, with advantage, to all kind of carpenter's planes. The novelty consists in placing the cutting chisel, or bit, in front of the wedge, instead of behind, as in common planes; also in applying a metallic mouth-piece to the face of the plane, in front of the chisel, which mouth piece serves as the rest for the chisel, and confines the throat of the plane.

But the mouth piece is so close to the edge of the bit as to prevent the plane from ripping or splintering the wood in the least degree. Indeed, we have seen the implement applied to the planing of wood against the grain, and transversely to the grain, leaving the wood perfectly smooth. So perfect is the operation of this instrument, that it may be applied to the planing of veneers—with entire success—a thing which cannot safely be done by the common plane. The peculiar arrangement of the mouth piece, bit, and wedge, affords a complete and firm bearing for the bit throughout its whole length, and dispenses, under all circumstances, with the use of a cap or double bit.

This is a very simple and effective improvement, destined, we have no doubt, to find its way into every carpenter's shop in the land. No tool chest is complete without it. The inventor is Wm. C. Hopper, of Pittsburgh, Pa., and his patent bears date January 16, 1855.

MOSES F. EATON, No. 139 First street, Agent for the patentee.

MEDICAL.

DR. C. McLANE'S **LIVER PILLS AND VERMIFUGE** IMPROVED.

DR. I. SCOTT, a regular graduate and physician of extensive practice and experience, induced by a commendable desire to alleviate human suffering, as well as to excel, has perfected an

IMPROVEMENT ON THE ORIGINAL LIVER PILL AND VERMIFUGE OF DR. C. McLANE,

Having prepared these remedies as the medical partner of Dr. C. McLane, for many years.

OUR IMPROVED LIVER PILLS AND VERMIFUGE possess greater efficacy and are more mild in their operation than the Liver Pill and Vermifuge prepared according to the original recipe of Dr. C. McLane. We make this declaration understandingly, and recommend them to the afflicted as being both pleasant and curative, and believe them superior to any other Liver Pill or Vermifuge ever prepared.

Read Certificate of Dr. C. McLane, below.

THE WHOLE WORLD CONQUERED!

DR. I. SCOTT'S CELEBRATED WHITE CIRCASSIAN LINIMENT.

The universal relief afforded by applications of this CELEBRATED KING of Pain Killers in cases of Rheumatism, Gout, Lumbago, Sore Throat, Bruises, Sprains, Swellings, Stiffness of the Joints, Sciatica, Pains, Scalds, Burns, Aches, or any other disease for which a Pain Killer or Liniment is used, enables us to assert positively that Dr. I. SCOTT'S CELEBRATED WHITE CIRCASSIAN LINIMENT, is the most reliable, safe and pleasant remedy yet discovered, possessing astonishing properties for HEALING DISEASE and THE PROMPT ERADICATION OF PAIN. The many attestations to its virtues, given by persons of enlightened judgment and strict integrity, should induce all to adopt it as a standard Family Remedy. The most incredulous will require nothing more than the following testimony of Dr. C. McLane, distinguished as a great discoverer of medical remedies:

READ! READ!! READ!!!

MORGANTOWN, VA., Sept. 12, 1856.

This is to certify, that I have examined the Recipe for preparing McLane's Improved Vermifuge and Liver Pills by Dr. I. Scott, who has been IN THE HABIT OF PREPARING AND USING MY ORIGINAL MEDICINES IN MY OFFICE during the last THIRTEEN YEARS, and that I believe he has IMPROVED THEM. I make the above statement the more willingly as I HAVE NO INTEREST IN THEM WHATEVER. I would further state that I have frequently used his CELEBRATED WHITE CIRCASSIAN LINIMENT in my practice, with the happiest effects, and that I can conscientiously recommend it. C. McLANE, M. D.

THE SATISFACTORY REMEDY—From all parts of the country, north and south, the proprietors are almost daily in receipt of such flattering testimonials as the following, relative to B. A. Fahnestock's unequalled Vermifuge:

Messrs B. A. Fahnestock & Co.—I have been selling your Vermifuge in this place for five years, and take pleasure in stating, for the information of the trade and of the public, that it has been, so far as I know, one of the most satisfactory remedies in the market, and one of the most saleable we have. I have also personal knowledge of its good effects in numerous cases under the treatment of our physicians, all of whom use it regularly, and always found it safe and reliable as a worm specific. I can recommend it as one of the safest and best in the market.

MEDICAL.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA AND CONSUMPTION.

THIS REMEDY is offered to the community with the confidence we feel in an article which seldom fails to realize the happiest effects that can be desired. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. When once tried, its superiority over every other medicine of its kind, is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs, which are incident to our climate.

Nothing has called louder for the earnest inquiry of medical men, than the alarming prevalence and fatality of consumptive complaints, nor has any one class of diseases had more of their investigation and care. But as yet no adequate remedy has been provided, on which the public could depend for protection from attacks upon the respiratory organs, until the introduction of the CHERRY PECTORAL. This article is the product of a long, laborious, and, I believe, successful endeavor to furnish the community with such a remedy. Of this last statement the American people are now themselves prepared to judge, and I appeal with confidence to their decision. If there is any dependence to be placed in what men of every class and station certify it has done for them, if we can trust our own senses, when we see dangerous affections of the throat and lungs yield to it, if we can depend on the assurance of intelligent Physicians who make it their business to know—in short, if there is any reliance upon anything, then it is irrefutably proven that this medicine does relieve and does cure the class of diseases it is designed for, beyond any and all others that are known to mankind. If this be true, it cannot be too freely published, nor too widely known. The afflicted should know it. A remedy that cures is priceless to them. Parents should know it, their children are priceless to them. All should know it, for health can be priced to no one. Not only should it be circulated here, but everywhere, not only in this country, but in all countries. How faithfully we have acted on this conviction, is shown in the fact that already this article has made the circles of the globe. The sun never sets on its limits. No continent is without it, and but few peoples. Although not in so general use in other nations as in this, it is employed by the more intelligent in almost all civilized countries. It is extensively employed in both Americas,—in Europe, Asia, Africa, Australia and the far-off islands of the sea. Life is as dear to its possessors there as here, and they grasp at a valuable remedy with even more avidity. Unlike most preparations of its kind, it is an expensive composition of costly material. Still it is afforded to the public at a reasonably low price, and what is of vastly more importance to them, its quality is never suffered to decline from its original standard of excellence. Every bottle of this medicine, now manufactured, is as good as ever has been made heretofore, or as we are capable of making. No toil or cost is spared, in maintaining it in the best perfection which it is possible to produce. Hence the patient who procures the genuine CHERRY PECTORAL, can rely on having as good an article as has ever been had by those who testify to its cures.

By pursuing this course, I have the hope of doing some good in the world, as well as the satisfaction of believing that much has been done already.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pasture, and along old stone walls, should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, hums or ha's about it, suiting some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken it and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over, you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary—eat the best you can get. I have likewise an herb, which, when simmered in sweet oil, dissolves Scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

Directions for Use.—Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea-spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of Scrofula.

INHALATION FOR THE CURE OF ASTHMA AND CONSUMPTION. NEW AND VERY WONDERFUL. HYGEANA

BROUGHT HOME TO THE DOOR OF THE MILLION

A WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, of this city, in the treatment of Consumption, Asthma, and all diseases of the Lungs. We refer to "DR. CURTIS' HYGEANA, OR INHALING HYGEAN VAPOR AND CHERRY SYRUP." With this new method, Dr. C. has restored many afflicted ones to health; as an evidence of which he has innumerable certificates. Speaking of the treatment, a physician remarks: "It is evident that inhaling—constantly breathing an agreeable, healing vapor—the medicinal properties must come in direct contact with the whole aerial cavities of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subject to the process of digestion." The Hygeana is for sale by all the Druggists throughout the country."—*New York Dutchman of January* 14.

The Inhaler is worn on the breast, under the linen, without the least inconvenience—the heat of the body being sufficient to evaporate the fluid. Hundreds of cases of cures, like the following, might be named:

One package of the Hygeana has cured me of the Asthma, of six years' standing. J. F. KEESBURY,
Postmaster of Duncannon, Pa.

I am cured of the Asthma, of ten years' standing, by Dr Curtis' Hygeana. MARGARET EASTON, Brooklyn, N. Y.

Mrs. PAUL, of No. 5 Hammond street, N. Y., was cured of a severe case of Bronchitis by the Hygeana.

My sister has been cured of a distressing cough, of several years' standing, and decided to be incurable by the physicians. She was cured in one month, by the Hygeana.

J. H. GAUBERT, Richmond, Mo.

The Rev. Dr. CHEEVER, of New York, testifies of our medicine in the following language:

NEW YORK, November 15, 1854.

Dear Sir—I think highly of Dr. Curtis' Hygeana as a remedy in diseases of the throat and lungs. Having had some opportunity to testify its efficacy, I am convinced that it is a most excellent medicine, both the Syrup and the inhaling application to the chest.

N. B.—Dr. Curtis' Hygeana is the ORIGINAL and ONLY GENUINE ARTICLE; all others are base imitations, or vile and INJURIOUS counterfeits. Shun them as you would POISON.
