MEDICAL.

DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY DR. C. M. JACKSON, PHILAD'A, PA., Will effectually cure LIVER COMPLAINT, DYSPEPSIA, JAUNDICE, CHRONIC OR NERVOUS DEBILITY, DISEASES OF THE KIDNEYS, *And all Diseases arising from a disordered Liver or Stomach,* Such as Constipation, Inward Piles, Fullness, or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking, or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of SPIRITS.

In attributing such valuable properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated a fact; proven undeniably and conclusively by the extraordinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoofland, among all classes of European society, and from the immense mass of testimony, from all parts of the American continent, accumulated during the last ten years, in the hands of the present proprietor. The prevalence of diseases to which these Bitters are adapted, it is with sorrow we say it, is almost universal; indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar *sallow and languid appearance* denoting a diseased Liver, or an emaciated and suffering Dyspeptic.

Then of what immense importance to this class of invalids that a certain and reliable remedy should be placed within their reach; one in which no baneful or injurious drug enters into its composition; a remedy on which the patient can rely with the utmost confidence and certainty, and be assured from actual and tangible proofs that the article he is using fully possesses the virtues attributed to it. Such a remedy is "HOOFLAND'S GERMAN BITTERS." Thousands of dollars have been expended in its manufacture and diffusion throughout all parts of this continent, and the proprietor feels the greatest satisfaction in stating that there is no state, county, or even village, where the Medicine has been introduced, that there cannot be found numbers willing to testify to its virtues.

It is used constantly in the practice of a large number of the most prominent Physicians in the country, who have also added their written testimony in evidence of its great virtues. In conclusion, then, we would respectfully ask of all those afflicted with any of the above diseases to give the Bitters a trial, and rest assured it will never be regretted. In proof of the statements above made, all are invited to read attentively the Almanac published annually by the proprietor, for Farmers and Families, containing a great number of useful receipts, in addition to the testimony in favor of the Bitters, from the most prominent and well known individuals in all parts of the Union. All Agents for the Bitters are authorized to distribute the Almanac gratuitously.

SUFFER NOT!

WHEN A CURE IS GUARANTEED IN all stages of SECRET DISEASES, Self-Abuse, Nervous Debility, Strictures, Gleets, Gravel, Diabetes, Diseases of the Kidneys and Bladder, Mercurial Rheumatism, Scrofula, Pains in the Bones and Ankles, Diseases of the Lungs, Throat, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropsy, Epileptic Fits, St. Vitus' Dance, and all diseases arising from a derangement of the Sexual Organs, such as nervous trembling, loss of memory, loss of power, general weakness, dimness of vision with peculiar spots appearing before the eyes, loss of sight, wakefulness, dyspepsia, liver diseases, eruptions upon the face, pain in the back and head, female irregularities and all improper discharges from both sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, *recovery is certain*, and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffled the skill of eminent physicians and resisted all their means of cure. The medicines are pleasant without odor, causing no sickness and free from mercury or balsam. During twenty years of practice, I have rescued from the jaws of death many thousands, who, in the last stages of the above mentioned diseases had been given up to die by their physicians, which warrants me in promising to the afflicted, who may place themselves under my care, a perfect and most speedy cure. Secret diseases are the greatest enemies to health, as they are the first cause of Consumption, Scrofula and many other diseases, and should be a terror to the human family. As a permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only fail to cure the diseases but ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid Consumption.

But should the disease and the treatment not cause death speedily, and the victim marries, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrays itself in Scrofula, Tetter, Ulcers, Eruptions and other affections of the skin, eyes, throat and lungs, entailing upon them a brief existence of suffering and consigning them to an early grave.

SELF ABUSE is another formidable enemy to health, for nothing else in the dread catalogue of human diseases causes so destructive a drain upon the system, drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the nervous system, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness, and leaves the sufferer wrecked in body and mind, predisposed to Consumption and a train of evils more to be dreaded than death itself. With the fullest confidence I assure the unfortunate victims of Self-Abuse that a permanent and speedy cure can be effected, and with the abandonment of ruinous practices, my patients can be restored to robust, vigorous health.

The afflicted are cautioned against the use of Patent Medicines, for there are so many ingenious snares in the columns of the public prints to catch and rob the unwary sufferers that millions have their constitutions ruined by the vile compounds of quack doctors, or the equally poisonous nostrums vended as "Patent Medicines." I have carefully analyzed many of these called Patent Medicines and find that nearly all of them contain Corrosive Sublimate, which is one of the strongest preparations of mercury and a deadly poison, which instead of curing the disease disables the system for life.

Three-fourths of the patent nostrums now in use are put up by unprincipled and ignorant persons, who do not understand even the alphabet of the *materia medica*, and are equally as destitute of any knowledge of the human system, having one object only in view, and that to make money regardless of consequences.

Irregularities and all diseases of males and females treated on principles established by twenty years of practice, and sanctioned by thousands of the most remarkable cures.

Medicines, with full directions, sent to any part of the United States or Canadas, by patients communicating their symptoms by letter. Business correspondence strictly confidential. Address J. SUMMERVILLE, M. D., Office No. 1131 Filbert street, (Old No. 109,) jy11:ly below Twelfth, Philadelphia.

NEW TREATMENT,

YOUNG MEN TAKE PARTICULAR NOTICE.

Dr. AMOS & SON take pleasure in announcing that they have invented a most important instrument for the cure of the above diseases. It has been subjected to a test by the most eminent physicians in London, Paris, Philadelphia and New York; it has been declared the only useful instrument ever yet invented, for the cure of Seminal Weakness, or any disease of the genital organs, caused by the secret habits of youth.

Dr. AMOS & SON, in order to satisfy the most skeptical as to the merits of their instrument, pledge themselves that in any instance where they may prove unsatisfactory after a fair trial, the money will be refunded by returning the instrument in good order.

The cure effected without confinement or hindrance from business; also, nodes and pains in the bones and limbs, effectually eradicated.

A CURE WARRANTED.

Dr. AMOS & SON have devoted their attention exclusively to this peculiar class of maladies, and the relief they have consequently been enabled to render to their fellow-creatures is fully testified and gratefully acknowledged by convalescent patients and others daily arriving in town from all parts of the country, for the express purpose only of consultations; while their exertions have been crowned with the most signal advantages; yet from what they have experienced in inquiring into the causes of these infectious complaints, (from their most simple condition to that of the most dangerous and inveterated) they have always entertained the possibility of their prevention and removal, and also the invariably found that the most horrible and malignant forms of disease could almost always be traced to one of the following causes:—Ignorance, neglect, or the ill effects of unskilful and improper treatment; therefore, Dr. AMOS & SON have succeeded in discovering, in the selection of their remedies, a safe, effectual, and cautious course; omitting all combination of remedies which bear an equivocal character, as well as those whose premature or injudicious application might be productive of bad consequences in the hands of private individuals. In short, the laudable end of their remedies is the lessening of a great mass of human misery by the alleviation, relief and prevention of those grievous afflictions that are in reality the secret foe of life, and which, while they so extremely surround us, call aloud for our skill and interference for their extermination.
