DOVER, N. H., Feb. 2d, 1857.
PROF. O. J. WOOD & CO.—Gents: Within a few days we have received so many orders and calls for Prof. O. J. Wood's Hair Restorative, that to-day we were compelled to send to Boston for a quantity, (the 6 dozen you forwarded all being sold,) while we might order a quantity from you. *Every bottle we have sold seems to have produced three or four new customers* and the approbation, and patronage it receives from the most substantial and worthy citizens of our vicinity, fully convince us that it is A MOST VALUABLE PREPARATION.
Send us as soon as may be one gross of $1 size, and one dozen $2 size; and believe us yours very respectfully. (Signed) DANIEL LATHORP & CO.

HICKORY GROVE, St. Charles Co., Mo., Nov. 19, 1856.
PROF. O. J. WOOD—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it.
Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but, to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair.
We are, yours respectfully, GEORGE W. HIGGINBOTHAM, SARAH A. HIGGINBOTHAM.

GARDINER, Maine, June 22, 1855.
PROF. O. J. WOOD—Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My Hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind. Yours Respectfully, DANIEL N. MURPHY.

NEW TREATMENT,
Private and Confidential Medical Advice!
AT THE BUFFALO PRIVATE HOSPITAL—Established for the cure of Syphilis, Seminal Weakness and the Secret Infirmities of Youth and Maturity, by Dr. AMOS & SON, Buffalo, N. Y. Office corner of Main and Quay streets, (up stairs.)
A MOST SCIENTIFIC INVENTION.
An instrument for the cure of Genital Debility, or Nocturnal Emissions, more properly known as Seminal Weakness, &c. Can be permanently cured in from fifteen to twenty days, by the use of this instrument, when used conjointly with medicines.
YOUNG MEN TAKE PARTICULAR NOTICE.
Dr. AMOS & SON take pleasure in announcing that they have invented a most important instrument for the cure of the above diseases. It has been subjected to a test by the most eminent physicians in London, Paris, Philadelphia and New York; it has been declared the only useful instrument ever yet invented, for the cure of Seminal Weakness, or any disease of the genital organs, caused by the secret habits of youth.
Dr. AMOS & SON, in order to satisfy the most skeptical as to the merits of their instrument, pledge themselves that in any instance where they may prove unsatisfactory after fair trial, the money will be refunded by returning the instrument in good order.
Persons wishing the above useful Instrument will observe that the price, with the accompanying directions, securely packed and sent by express, is ten dollars.
NEW REMEDIES AND QUICK CURES.
Dr. AMOS & SON may be consulted from eight o'clock in the morning until nine at night, in every stage and symptom of the Venereal Disease, Gonorrhœa, Gleets, Secondary Symptoms, Seminal Weakness, Impotence and Strictures of the Urethra, etc., with inviolable secrecy. The treatment they adopt is the result of upward of thirty years' extensive and successful practice in London. The most inveterate cases of Venereal Diseases eradicated in eight or nine days, and cases of a slight nature in two or three days, at a moderate expense. The cure effected without confinement or hindrance from business; also, nodes and pains in the bones and limbs, effectually eradicated.
A CURE WARRANTED.
Dr. AMOS & SON have devoted their attention exclusively to this peculiar class of maladies, and the relief they have consequently been enabled to render to their fellow-creatures is fully testified and greatfully acknowledged by convalescent patients and others daily arriving in town from all parts of the country, for the express purpose only of consultations while their exertions have been crowned with the most signal advantages; yet from what they have experienced in inquiring into the causes of these infectious complaints (from their most simple condition to their most dangerous and inveterated) they have always entertained the possibility of their prevention and removal, and likewise invariably found that the most horrible and malignant forms of disease could almost always be traced to one of the following causes:—Ignorance, neglect, or the ill effects of unskilful and improper treatment; therefore, Dr. AMOS & SON have succeeded in discovering, in the selection of their remedies, a safe, effectual, and cautious course; omitting all combination of remedies which bear an equivocal character, as well as those where premature or injudicious application, might be productive of bad consequences in the hands of private individuals. In short the laudable end of their remedies is the lessening of a great mass of human misery by the attenuation, relief and prevention of those grievous afflictions that are in reality the secret foe of life, and which, while they so extremely surround us, call aloud for our skill and interference for their extermination.
COUNTRY INVALIDS.
Persons in any part of the world may be successfully treated by forwarding a correct detail of their case, with a remittance for medicines, &c.
