Gov. Geary in Clearfield.

The following letter will explain itself. Gov. Geary will address the Republican Mass Meeting, to be held on Wednesday the 29th, inst.

Executive Chamber,
Harrisburg, Sept. 17, 1869.

H. B. Swoope, Esq.:—*Dear Sir:* The Governor directs me to acknowledge the receipt of your favor of the 15th inst., and to inform you that it is his intention to be at Clearfield on the 29th inst., as you request.

Very Respectfully, Jno. H. Gihon,
Private Secretary.

The new brick hotel is under roof. Mr. Ale is pushing his work with commendable rapidity.

Who is the borough Constable? Why don't he have that stump removed from Third Street?

The Ball case is to be tried over again next week. The criminal business will occupy the entire session of the court.

The bowling on Saturday night was "fast and furious." When men get drunk and make brutes of themselves, they ought to be chained up. Have we no officers whose duty it is to preserve the public peace?

It is generally conceded that a supply of fresh, sparkling water, sufficient for the whole town, can be obtained from Moose Creek, at a comparatively small expense. We hope our people, and borough officers, will look into the matter. It is of the utmost consequence.

A Match game of Base Ball will be played on the Fair ground, on Friday, Sept. 24th, between the Rough and Ready, B. B. C., of Pennfield, and the Chincleclamoose, of this place. Game will be called at 2 o'clock, P. M. They will be pleased to have a good "turn out" of the citizens, to see the game.

What has become of the Clearfield Borough Registry List, that was posted on the Court House door? Was it stolen or destroyed, or unlaid? If so, the Assessor should replace it at once; and the Commissioners take the necessary steps for the dectection of the offender, and for his punishment in accordance with the 14th section of the Registry Law.

It is the duty of Constables to give notice of the township and borough elections, which are to be held in October, at the same time with the general election. We hope our Republican friends in every township will nominate a local ticket in time. It is especially important to attend to the selection of proper inspectors of election. If we are notified in time, we can print the local tickets.

At a meeting of the Republican County Committee, held at the office of T. H. Murray, Esq., on Friday afternoon, September 17th, 1869, and in pursuance of a resolution of the recent County Convention, the following ticket was nominated:

For Treasurer, Frederick K. Arnold, of Lutheranburg;

For Commissioner, John Mahaffey, of Burnside township;

For Auditor, Edward McGarvey, of Karthaus township.

The question of the site for the new jail still occupies the attention of our citizens. A large majority seem to be opposed to its erection on the lots occupied by the old jail. It certainly is not a suitable location, and the Commissioners ought to consult the wishes of the people in the matter. They should not forget, that it is the money of the people, and not their own that is to be spent, and that their duty is to regard the expressed desires of the people as far as practicable. We trust they will consider the matter well, before they render it impossible to change the location. A regard for themselves, as well as for public sentiment, should constrain them to do so.

The Western stage horses produced quite an excitement on Monday. While the driver and his assistant were loading trunks on the 'boot,' at the depot, the locomotive whistle blew, and away went the horses on a full run, upsetting the coach in front of the Leonard House, and tearing up street with the front carriage after them, until they were stopped by running against one of Mr. Graham's shade trees. A number of persons on the street narrowly escaped injury. Fortunately nothing was seriously hurt but a poor pigeon that couldn't fly away quick enough, and was killed. It was most culpable carelessness in the driver, to permit his horses to stand unhitched and unwatched, in proximity to a locomotive.

SPECIAL NOTICE.

Schenck's Pulmonic Syrup,

Seaweed Tonic and Mandrake Pills will cure Consumption, Liver Complaint and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work; then the appetite becomes good, the food digests and makes good blood, the patient begins to grow in flesh, the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure the consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal. To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Liver Complaint is one of the most prominent causes of Consumption. Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach. The great reason why physicians do not cure consumption is they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of consumption, liver complaint, dyspepsia, catarrh, canker, ulcerated throat, unless the liver and stomach are made healthy.

If a person has consumption of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflamation and fast decaying. In such cases what must be done? It is not only the lungs that are wasted, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs begin to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only liver complaint and dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all bilious complaints, as they are perfectly harmless.

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of pulmonary consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. The directions accompanying each, make it not absolutely necessary to see Dr. Schenck, unless the patients wish their lungs examined, and for this purpose he is Professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other Tuesday, and at No. 35 Hanover St., Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic each $1.50 per bottle, or $8.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all druggists.

REGISTRY LAW

I also give official notice to the electors of Clearfield county that, by an act entitled "An act further supplemental to the act relative to the elections of this commonwealth," approved April 17th A. D. 1869, it is provided as follows:

Section 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same.* That it shall be the duty of the assessors within this commonwealth, on the first Monday of June in each year, to take up the transcript he has received from the county commissioners under the eighth section of the act of fifteenth April, eighteen hundred and sixty-six, and proceed to the immediate revision of the same by striking therefrom the name of every person who is known by him to have died or removed since the last previous assessment from the district of which he is the assessor, or whose death or removal from the same shall be made known to him, and to add to the same the name of any qualified voter who shall be known to him to have moved into the district since the last previous assessment, and whose removal into the same shall be or shall have been made known to him, and also the names of all who shall make claim to him to be qualified voters therein. As soon as this revision is completed he shall visit every dwelling house in his district and make careful inquiry if any person whose name is on his list has died or removed from the district, and if so, to take the same therefrom; or whether any qualified voter resides therein whose name is not on the list, and if so, to add the same thereto; and in all cases where a name is added to the list a tax shall forthwith be assessed against the person; and the assessor shall in all cases ascertain, by inquiry, upon what ground the person so assessed claims to be a voter. Upon the completion of this work, it shall be the duty of each assessor as aforesaid to proceed to make out a list, in alphabetical order, of the white freemen above twenty-one years of age, claiming to be qualified voters in the ward, borough, township or district of which he is the assessor, and opposite each of said names state whether said freeman is or is not a housekeeper; and if he is, the number of his residence, in towns where the same are numbered, with the street, alley or court in which situated; and if in a town where there are no numbers, the name of the street, alley or court on which the house fronts; also, the occupation of the person; and where he is not a housekeeper, the occupation, place of boarding, and with whom, and if working for another, the name of the employer, and write opposite each of said names the word "voter;" where any person claims to vote by reason of naturalization, he shall exhibit his certificate thereof to the assessor, unless he has been for five consecutive years next preceding a voter in said district; and in all cases where one person has been naturalized, the name shall be marked with the letter "N;" where the person has merely declared his intentions to become a citizen and designs to be naturalized before the next election, the name shall be marked "D.I.;" where the claim is to vote by reason of being between the ages of twenty-one and twenty-two, as provided by law, the word "age" shall be entered; and if the person has moved into the election district to reside since the last general election, the letter "R" shall be placed opposite the name. It shall be the further duty of each assessor as aforesaid, upon the completion of the duties herein imposed, to make out a seperate list of all new assessments made by him, and the amounts assessed upon each, and furnish the same immediately to the county commissioners, who shall immediately add the names to the tax duplicate of the ward, borough, township or district in which they have been assessed.

Sec. 2. On the list being completed and the assessments made as aforesaid, the same shall forthwith be returned to the county commissioners, who shall cause duplicate copies of said lists, with the observations and explanations required to be noted as aforesaid, to be made out as soon as practicable and placed in the hands of the assessor, who shall prior to the first of August in each year, put one copy thereof on the door of or on the house where the election of the respective district is required to be held, and retain the other in his possession, for the inspection, free of charge, of any person resident in the said election district who shall desire to see the same; and it shall be the duty of the said assessor to add, from time to time, on the personal application of any one claiming the right to vote, the name of such claimant, and mark opposite the name "C.V." and immediately assess him with a tax, noting, as in all other cases, his occupation, residence, whether a boarder or housekeeper; if a boarder, with whom he boards; and whether naturalized or designing to be, marking in all such cases the letters opposite the name, "N" or "D.I." as the case may be; if the person claiming to be assessed be naturalized, he shall exhibit to the assessor his certificate of naturalization; and if he claims that he designs to be naturalized before the next ensuing election, he shall exhibit the certificate of his declaration of intention; in all cases where any ward, borough, township or election district is divided into two or more precincts, the assessor shall note in all his assessments the election precinct in which each elector resides, and shall make a separate return for each to the county commissioners. In all cases in which a return is required from him by the provisions of this act; and the county commissioners, in making duplicate copies of all such returns, shall make duplicate copies of the names of the voters in each precinct, separately, and shall furnish the same to the assessor; and the copies required by this act to be placed on the doors of or on the election places on or before the first of August in each year, shall be placed on the door of or on the election place in each of said precincts.

Sec. 3. After the assessments have been completed on the tenth day preceding the second Tuesday in October of each year, the assessor shall, on the Monday immediately following, make a return to the county commissioners of the names of all persons assessed by him by the second section of this act, noting opposite each name the observations and explanations required to be noted as aforesaid; and the county commissioners shall thereupon cause the same to be added to the return required by the second section of this act, and a full and correct copy thereof to be made, containing the names of all persons so returned as resident taxables in said ward, borough, township or precinct, and furnish the same, together with the necessary election blanks to the officers of the election in said ward, borough, township or precinct, on or before six o'clock in the morning of the second Tuesday of October; and no man shall be permitted to vote at the election on that day whose name is not on said list, unless he shall make proof of his right to vote, as hereinafter required.

Sec. 4. On the day of the election any person whose name is not on the said list, and claiming the right to vote at said election, shall produce at least one qualified voter of the district as a witness to the residence of the claimant in the district in which he claims to be a voter, for the period of at least ten days next preceding said election, which witness shall take and subscribe a written, or partly written and partly printed, affidavit to the facts stated by him, which affidavit shall define clearly where the residence is of the person so claiming to be a voter; and the person so claiming the right to vote shall also take and subscribe a written, or partly written and partly printed affidavit, stating to the best of his knowledge and belief, where and when he was born; that he is a citizen of the commonwealth of Pennsylvania and of the United States; that he has resided in the commonwealth one year, or if formerly a citizen therein, and has moved therefrom, that he has resided therein six months next preceding said election; that he has not moved into the district for the purpose of voting therein; that he has paid a state or county tax within two years, which was assessed at least ten days before said election; and, if a naturalized citizen, shall also state when, where and by what court he was naturalized, and shall also produce his certificate of naturalization for examination; the said affidavit shall also state when and where the tax claimed to be paid by the affiant was assessed, and when, where and to whom paid, and the tax receipt therefor shall be produced for examination, unless the affiant shall state in his affidavit that it has been lost or destroyed, or that he never received any; but if the person so claiming the right to vote shall take and subscribe an affidavit, that he is a native born citizen of the United States (or if born elsewhere, shall state that fact in his affidavit, and shall produce evidence that he has been naturalized, or that he is entitled to citizenship by reason of his father's naturalization,) and shall further state in his affidavit that he is, at the time of taking the affidavit, between the ages of twenty one and twenty-two years; that he has resided in the state one year and in the election district ten days next preceding such election, he shall be entitled to vote, although he shall not have paid taxes; the said affidavits of all persons making such claims, and the affidavits of the witnesses to their residence, shall be preserved by the election board, and at the close of the election they shall be enclosed with the list of voters tally list and other papers required by law to be filed by the return judge with the prothonotary and shall remain on file therewith in the prothonotary's office, subject to examination, as other election papers are; if the election officers shall find that the applicant or applicants possess all the legal qualifications of voters, he or they shall be permitted to vote, and the name or names shall be added to the list of taxables by the election officers, the word "tax" being added where the claimant claims to vote on tax, and the word "age" where he claims to vote on age; the same words being added by the clerks in each case respectively on the lists of persons voting at such election.

Sec. 5. It shall be lawful for any qualified citizen of the district, notwithstanding the name of the proposed voter is contained on the list of resident taxables, to challenge the vote of such person; whereupon the same proceedings of the right of suffrage as now required by law shall be punctiliously made and acted on by the election board, and the vote admitted or rejected according to the evidence; every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years, consecutively, a voter in the district in which he offers his vote; and on the vote of such person being received, it shall be the duty of the election officers to write or stamp on such certificate the word "voted," with the month and year; and if any election officer or officers shall receive a second vote on the same day, by virtue of the same certificate, excepting where sons are entitled to vote by virtue of the naturalization of their fathers, they and the person who shall offer such second vote, upon so offending shall be guilty of a high misdemeanor, and on conviction thereof, be fined or imprisoned, or both, at the discretion of the court; but the fine shall not exceed one hundred dollars in each case, nor the imprisonment one year; the like punishment shall be inflicted, upon conviction, on the officers of election who shall refuse or neglect to make, or cause to be made, the indorsement required as aforesaid on said naturalization certificate.

Sec. 6. If any election officer shall refuse or neglect to require the proof of the right of suffrage as is prescribed by this law, or the laws to which this is a supplement from any person offering to vote whose name is not on the list of assessed voters, or whose right to vote is challenged by any qualified voter present, and shall admit such person to vote without requiring such proof, every person so offending, shall upon conviction, be guilty of a high misdemeanor, and shall be sentenced, for every such offence, to pay a fine not exceeding one hundred dollars, or to undergo an imprisonment not more than one year, or either or both, at the discretion of the court

Sec. 7. Ten days preceding every election for electors of President and Vice President of the United States, it shall be the duty of the Assessor to attend at the place fixed by law for holding the election in each election district, and then and there hear all applications of persons whose names have been omitted from the list of assessed voters, and who claim the right to vote or whose rights have originated since the same was made out, and shall add the names of such persons thereto as shall show that they are entitled to the right of suffrage in such district, on the personal application of the claimant only, and forthwith assess them with the proper tax. After completing the list, a copy thereof shall be placed on the door of or on the house where the election is to be held, at least eight days before the election; and at the election the same course shall be pursued, in all respects, as is required by this act and the acts to which it is a supplement, at the general elections in October. The Assessor shall also make the same returns to the county commissioners of all assessments made by virtue of this section; and the county commissioners shall furnish copies thereof to the election officers in each district, in like manner, in all respects, as is required at the general elections in October

Sec. 8. The same rules and regulations shall apply at every special election, and at every separate city, borough or ward election, in all respects as at the general elections in October.

Sec. 9. The respective assessors, inspectors and judges of the elections shall each have the power to administer oaths to any persons claiming the right to be assessed or the right of suffrage, or in regard to any other matter or thing required to be done or required into by any of said officers under this act; and any wilful false swearing by any person in relation to any matter or thing concerning which they shall be lawfully interrogated by any of said officers shall be punished as perjury.

Sec. 10. The assessors shall each receive the same compensation for the time necessarily spent in performing the duties hereby enjoined as is provided by law for the performance of other duties, to be paid by the county commissioners as in other cases; and it shall not be lawful for any assessor to assess a tax against any person whatever within ten days next preceding the election to be held on the second Tuesday of October, in any year, or within ten days next before any election for President and Vice President of the United States; any violation of this provision shall be a misdemeanor, and subject the officers so offending to a fine, on conviction, not exceeding one hundred dollars, or to imprisonment not exceeding three months, or both at the discretion of the court.

Sec. 11. On the petition of five or more citizens of the county, stating under oath that they verily believe that frauds will be practiced at the election about to be held in any district, it shall be the duty of the court of common pleas of said co. if in session, or if not a judge thereof in vacation, to appoint two judicious, sober and intelligent citizens of the county to act as overseers at said election; said overseers shall be selected from different political parties, where the inspectors belong to different parties, and where both of said inspectors belong to the same political party, both of the overseers shall be taken from the opposite political party; said overseers shall have the right to be present with the officers of the election, during the whole time the same is held, the votes counted and the returns made out and signed by the election officers; to keep a list of voters, if they are proper; to challenge any person offering to vote, and interrogate him and his witness under oath, in regard to his right of suffrage at said election, and to examine his papers produced; and the officers of said election are required to afford to said overseers so selected and appointed every convenience and facility for the discharge of their duties; and if said election officers shall refuse to permit said overseers to be present and perform their duties as aforesaid, or if they shall be driven away from the polls by violence or intimidation, all the votes polled at such election district may be rejected by any tribunal trying a contest under said election: *Provided*, That no person signing the petition shall be appointed an overseer.

Sec. 12. If any prothonotary, clerk, or the deputy of either, or any other person, shall affix the seal of office to any naturalization paper, or permit the same affixed, or give out or cause or permit the same to be given out, in blank whereby it may be fraudulently used, or furnish a naturalization certificate to any person who shall not have been duly examined and sworn in open court, in the presence of some of the judges thereof, according to the act of Congress, or shall aid in, connive at, or in any way permit the issue of any fraudulent naturalization certificate, he shall be guilty of a high misdemeanor; or if any one shall fraudulently use any such certificate of naturalization, knowing that it was fraudulently issued, or shall vote, or attempt to vote, on any certificate of naturalization not issued to him, he shall be guilty of a high misdemeanor; and either or any of the persons, their aiders or abettors, guilty of either of the misdemeanors aforesaid, shall, on conviction, be fined in a sum not exceeding one thousand dollars and imprisoned in the proper penitentiary for a period not exceeding three years.

Sec. 13.
