Lewisburg, Pa.

FRIDAY MORNING, DEC. 9, 1859.

ADVERTISE!—Manufacturers, Merchants, Mechanics, Public Officers, in City and Country, Publishers—all who wish to buy or sell—or who do well to employ the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a populous and thriving and business country, including a large proportion of active, solvent producers, consumers and dealers, as any in the State.

☞ See New Advertisements.

☞ Court commences in Snyder county, next week. In Union county, week after next. ☞ The New Year will soon be on hand, and those who wish our paper next year, will find Court week a good chance to send or bring in the pay.

☞ Consumers of gas, will do well to look to their metres; or the first freeze will put out their lights. See that they are ready for cold weather.

☞ We observe that Virgil M. Blanding, one of the Lewisburg University alumni, is elected School Commissioner for Rock Island county, Illinois.

☞ Rev. A. A. WILLITS, of Philad., will deliver a Lecture in Independent Hall, on Friday evening, Dec. 16. Subject: "Mental Dyspepsia." Tickets for sale at the usual places.

☞ A New York weekly $2 sheet of the Ned Buntline "perswashin" promises us an "exchange" if we will advertise it to the amount of $18.75. Cheap at 1 per cent of that sum!

☞ The Neocosmian Literary Society of the Union Seminary hold an Exhibition, next Saturday evening, Dec. 10th at New Berlin. The exercises consist of Poems, Addresses, Orations, Song and Music—all original.

☞ Charles W. Peale has been elected Cashier of the Shamokin Bank. A friend in that region says that under the present organization their Bank is solvent, and the coal-trade is brightening. We trust their highest anticipations may be realized.

☞ The alleged letter from Lewisburg to Gov. Wise, is variously accounted for. The Philad. *Ledger* "ascertained" that it was all a hoax. The Sunbury *Gazette* attributes it to some University student. The *Argus* and the *Times* half-way poke it at us, while the former is sure it was some "friend and correspondent" of ours. Now these are all Democratic papers—all profess to have knowledge of the writer of that letter. We have not. We knew nothing whatever of it until we saw it in the Baltimore *Sun*. The most likely presumption is, that it was got up by some Democrat, to injure the Republicans and Lewisburg. (As to the mythy "Captain," in whose name somebody dropped us an anonymous note to soothe the nerves of some who took the intended sport in earnest, we did not know the handwriting, but supposing he *might* possibly be the author of the Wise canard, we copied his note, with our condemnation of the whole affair. That is all we know about it.)

☞ The Virginia Legislature met on Monday, when Gov. Wise sent in a fiery, long, exciting Message. He does not think the letters about rescuing Brown, were hoaxes. "Virginia is in arms! No more compromizing—no more temporizing with the Constitution!" The South demands that the North shall make them secure. The fanatics are increasing in the North. The remaining convicts will be executed unless the Legislature order otherwise, &c.

☞ We do not believe any man but Gov. Wise thinks he was not generally hoaxed. But if mercy may be shown to Cook, why could it not have been shown Brown? Why was it so arranged that Brown should be hung only two days before the Legislature met?

☞ In opposition to Dr. Mack's opinion given in our last paper, we have received several testimonials, from most respectable sources, in favor of the worthiness of Father Chiniquy's people—stating that they are several hundred in number, who are suffering much—and that much of the opposition to their appeals arises from interested sources. The weight of testimony appears to be in their favor, but we learn that their wants have been abundantly supplied, for the present at least, by the liberality of eastern people.

SIGNS.—We read of "certain signs" of a *cold* winter, and also of "certain signs" of a *warm* winter. Said "certain signs" are by the said "weather wise," never known to fail, inasmuch as they are made by divers fowls, squirrels, beavers, bears, and other animals, which, however good their instincts may be, and however quick they may feel atmospheric changes, are not endowed with any more foresight of the weather than man is. How ridiculous to suppose that the great Creator gives brute beasts more knowledge of the future than He gives to immortal man!!!

☞ At a special meeting of the Northumberland Presbytery, Nov. 29, held at Ashland, Robert C. Bryson of M'Ewensville was ordained and installed pastor of the church of Ashland and Gordon. Abram D. Hawn, of Lewisburg, was at the same time ordained to the Gospel Ministry, and appointed stated supply for the churches of Shamokin, Treverton and Holland Run.

CONTESTED ELECTION.—Wm. C. Vines, the Opposition candidate, was returned as Treasurer of Mifflin county by *two* majority over Thomas Mayes, Administration. The latter contested his election; five lawyers, and one hundred witnesses were engaged, two days of Court were occupied, when the contestant withdrew his claim. Who shall pay the costs of this expensive water haul, is to *be decided at January* court.

WEDNESDAY. *Senate.*—Slavery continued by the Democracy.

House.—Slavery resumed: after a sharp contest between a member of Virginia and one from Tennessee, a second ballot was taken for Speaker.

Sherman,	Opp.	107

Boocock,	Adm.	88

Mr. Sherman lacks 9 votes of election.

Thursday—No Speaker chosen.

Joseph, a son of James Vanhorn, aged between two and three years, was drowned in a spring near Paxinos, on the 24th ult. While trying to get water, as it is supposed, the child fell into the spring, and was drowned before its situation was discovered.

On Monday evening last, the Valiant Fire Company, of Lewisburg, paraded through our principal streets with martial music and torch lights—their appearance was quite fine. After going the rounds of the town, and imbibing a considerable of "tangle foot" whiskey, some of them became a little noisy and were disposed to be funky. We like to see our Lewisburg neighbors in Milton, but we must condemn their conduct when it deserves it.—*Miltonian.*

A daughter of John S. Martz, of Milton, came near meeting with a serious accident with a fluid lamp a few evenings since. The lamp which she was carrying in her hand exploded and set her on fire, but assistance being convenient the fire was put out with but little damage.

The Democrats of Montgomery county have declared for Jacob Fry for governor.

Hon Eli Slifer, at the request of friends and relatives, has been appointed Administrator of the estate of John Ott Rockafellow, dec'd.

A large amount of exact counterfeit $50s and $100s on the Bank of Philadelphia, have been put off at the West and South, and $15,000 were taken by Bank, in Philad., the day the fraud was discovered.

Some days ago, a man on the railroad at Mt. Carmel was killed while running a hand-car, the crank striking him on the breast, and throwing him forward upon the track, when he was run over by the car, and received such injuries that death ensued. Two men working in the mines near that place also had their legs crushed off by a fall of slate. We have not learned the names of any of these unfortunates. —*Sunbury Gazette.*

On Saturday week last, Sheriff Vandyke sold real estate, belonging to Maj. Dewart, of Sunbury, to the amount of $13,630.

The President of the Milton Cornet Band, desires to thank the Ladies of the Methodist Choir, through the *Miltonian*, for kindly remembering them, by sending *cakes and wine* on Saturday evening last.

We regret to learn the death of Andrew M'Farland, Esq., of Philadelphia, on Friday the 18th ult., while on a visit, to his brother at the colliery of Shepherd & M'Farland, near Mt. Carmel. He had left on horseback at noon. The horse returning in the evening without a rider, and evidently injured by a fall, search was made and the body of Mr. M'Farland, found in the road. His remains were taken to Philadelphia.—*Sunbury American.*

Charles Boughter, late Treasurer of the Lancaster Savings Institution was sentenced to six months imprisonment in the Lancaster county Jail, for procuring certain names to a promissory note of $1000 under "false pretences."

FIRE.—The dwelling of George Bellis, in Muncy township, about 4 miles from the Borough, was destroyed by fire on Friday evening last. The fire originated in an outhouse, where there had not been any fire used for some time, and as the premises were robbed during the progress of the fire, of about $150, in gold and silver, there is suspicion that it may have been the work of an incendiary. Several pieces of money were afterwards found in the road and orchard near where the house stood. We believe the principal part of Mr. B.'s furniture was saved. There was no insurance on the property.

In Williamsport, on Saturday night last, between nine and ten o'clock, a fight took place in a lager beer saloon, on Pine street, between the proprietor and a man named Wm. Higgins from Elmira, N.Y., and a man named Thos. Laird; during which Higgins was severely stabbed in the abdomen and his companion badly cut in the arm and hand. Higgins it is said can not possibly survive. There is hopes of Laird's recovery.

One night last week, three men went to the house of a man named Southard, residing in Bloomingrove, four or five miles from Williamsport, and seizing both Mr. Southard and his wife, gagged and tied them, and then robbed the house of about $700, in gold and silver. This was a daring robbery, and it is to be hoped the scoundrels may be ferreted out and duly punished.

Counterfeit twenty dollar bills on the Bank of Northumberland, have been put into circulation, in Harrisburg, the past week, by a stranger. The paper is light and the engraving somewhat imperfect.

John E. Kapp, of Northumberland, who commenced railroading last March, has been promoted to the position of Conductor on the Northern Central Railroad.

There was no opposition to the correction of the error in the Lycoming county return of election for Treasurer, and Mr. Waddle, (Opp.) of Jersey Shore takes the office having 93 maj.

Two men were sentenced to Jail in Lycoming county for deadly assault and battery, and two to the Penitentiary for burglary, last week.

Miss Ann Nicholson, of Philad., was given morphia in mistake for quinine, by a clerk in a drug store. She took the prescription, which killed her.

SUNBURY & ERIE RAILROAD.—Wm. G. Moorhead, Esq., President, and Charles Gibbon, Esq., Solicitor of the Sunbury and Erie Railroad have sailed for England. Their object is to negotiate three and a half millions of five per cent. bonds, which shall be one half of a mortgage of seven millions on the road. The other half is in possession of the State, as a consideration for the canals sold to the Railroad Company.

Great Improvements.

On the first of January, 1860, Gleason's "PICTORIAL LINE-OF-BATTLE SHIP" will commence its second volume in an entirely new shape, with a beautiful new heading, and with new type; in short, everything about it will be new from top to toe. The Paper will also be greatly enlarged from its present form of eight pages to sixteen pages; it will be a mammoth weekly of fifteen hundred square inches, and will contain nearly double the quantity of reading matter and illustrations that it now has. A host of new contributors and artists have been engaged for it, and the most liberal arrangements have been completed, such as will enable Mr. Gleason to produce by far the finest ILLUSTRATED JOURNAL yet published.

What surprises us, is that, with all these great improvements, and additional expense to the Publisher, the price for 1860 will be so very cheap that certainly none can forego the pleasure of its weekly visit. Terms, $2 a year. A. WINCH, 320 Chestnut St, Philadelphia, Wholesale Agent

Dec. 5.—The special New Orleans correspondent of the Courier states that the reports from 78 Louisiana plantations show a deficit of 17,000 hogsheads of sugar.

Mr. Breckenridge triumphed over Mr. Guthrie in the organization of the Kentucky Legislature.

Mr. Boocock, the Democratic candidate for speaker, is in favor of Senator Hunter, of Virginia, for President.

Scorbutic diseases are the parent stock from which arises a large proportion of the fatal maladies that afflict mankind. They are as it were a species of potato rot in the human constitution, which undermines and corrupts all the sources of its vitality and hastens its decay. They are the germ from which springs Consumption, Rheumatism, Heart Disease, Liver Complaints, and Eruptive Diseases which will be recognized as among those most fatal and destructive to life and happiness. So dreadful are the sufferings inflicted by these diseases on humanity, that it is hardly possible to over-estimate the importance of an actual, reliable remedy, that can sweep out this scrofulous contamination. We know then we shall meet a welcome news to our readers, of one from such a quarter as will leave little doubt of its efficacy—and still more welcome, when we will tell them that it is a preparation they can buy for themselves, such as will enable Mr. Gleason to produce by far the finest ILLUSTRATED JOURNAL yet published.

Dr. Wistar's Balsam of Wild Cherry.

Where the above preparation is known, it is so well established as an infallible Remedy for the cure of Coughs, Colds, Sore Throat, Hoarseness, Bronchitis, Spitting of Blood, Pain in the Breast, Pleurisy, Croup, Consumption and every form of Pulmonary Complaint, that it were a work of supererogation to speak of its merits.

Unsolicited by a few testimonials from those that have by experience, in having the wonderful cures it has effected in their families, recommended it to their friends, and from time and time again, the author, either personally or by letter, known and unknown to him, in all parts of the Union, who have been restored to health by the use of the similar Remedy for all diseases which it professes to cure.

Strangers Cured, as a token to queen Victoria, has given it as his opinion that

Consumption can be Cured!

The whole history of this Medicine fully confirms the opinion. Other testimonials, Testimonials contributed and have testified, that when all other remedies had failed, this has succeeded! Cases of Hopeless Consumption, which had resisted all other remedies, have yielded to the virtues of this Balsam, and the patient has recovered health!

The virtues of this Balsam are alike applicable to cure a slight Cold, or a confirmed Consumption, and its power in acute, asthmatic, spasmodic, chronic and confirmed cases is unequalled.

The Weather, during the past week, has been anything but the agreeable kind. Last Friday, we had a change from very warm to extremely cold. Saturday, the thermometer stood 12 degrees below freezing. On Sunday, it again changed to warm, foggy, slushy, slippery, icy, and—well, you all know the rest, and also that G. Marsh, right opposite the Bank, keeps a fine stock of Gum Overshoes, Men's and Women's heavy Boots and Shoes, just suited to such weather as this, at lower than city retail prices. Call and see.

LADIES and others who may desire it will be waited on for measures at their residences or at my dwelling, near the shop, by Mr. Fisher, my foreman.

Those who try me will find this no humbug, but greatly to the interest of those who wish to get the value of their money.

I do not deem it important to quote prices, as sizes and stock differ materially.

FARMERS having hides to dispose of, may find it an advantage to bring them to the Yard, as an allowance will be made to them on hides.
