PREMIUM THRESHER.—The subscriber is the only authorized Agent for the sale of Wheeler & Mellock's Premium Two-horse Thresher and Cleaner, with Railroad Power, for Franklin and Adams Counties. He is now ready to receive orders for the same.

This Machine is a Two-horse Power, and will Thresh and Clean any kind of Grain. It is the PREMIUM MACHINE, having taken the Premium at the United States, and all the State and County Fairs, wherever exhibited. They are made of the best material, and warranted by one of the largest and most responsible establishments in the United States. It is warranted to thresh and clean from 150 to 200 bushels of Wheat, and double that quantity of Oats in a day. It requires but two horses, and no driver. The Power and Machine can both be worked in an ordinary Barn Floor. The Agent himself used one of these Machines last season for four months constantly, and can testify to the truthfulness of the above state of facts. He has threshed as much as 102 Bushels of Wheat, in 4¾ hours. He worked the same two horses constantly in the Machine, and at the end of the time, they were in as good condition as at first. He, therefore, is prepared to refute the idea, that they are hard on horses. He paid $60.00 for one horse used, and $40.00 for the other, and they rather improved than depreciated in value.

Persons wishing to buy will please make application soon, as it will take some time to get them from Albany, N. Y.. Price with Railroad power at Albany, $285, with freight added. Lever power, four-horse, with same Machine, $255, freight added. The agent will order none but those sold. ROBERT BLACK, Agent,

BALTIMORE LOCK HOSPITAL

DR. JOHNSON, the founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleets, Structures, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotence, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Diseases of the Head, Throat, Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which lead to by both body and mind. These secret and solitary practices are more fatal to their victims than the song of the Syrens to the mariner Ulysses, blighting their most brilliant hopes, or anticipations rendering marriage, &c., impossible.

YOUNG MEN.

Young Men especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre; may call with full confidence.

MARRIAGE!

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston.

He whoplaces himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS!

IMMEDIATELY CURED AND FULL VIGOR RESTORED.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habit than by the prudent. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive sympathy to mind and body arise. The system become deranged, the physical and mental powers weakened nervous debility, dyspepsia, palpitation of the heart indigestion, a wasting of the frame, cough, symptoms of consumption

☞ A CURE WARRANTED IN TWO DAYS. ☜

No Mercury or Nauseous Drugs.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE!

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nots on the skin, bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that bourne from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy; and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by use of that deadful poison, Mercury, ruin the constitution, and either send the unfortunate to an untimely grave, or make the residue of life miserable.

TAKE PARTICULAR NOTICE!

Dr. J. addresses those who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz:—Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY, the fearful effects on the mind are much to be dreaded: loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society Self-Distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor becoming weak, pale, have singular appearance about the eyes, cough, and symptoms of Consumption.

Dr. Johnston's Invigorating Remedy for Organic Weakness.

By this great and important remedy, Weakness of the Organs is speedily cured, and full vigor restored.

Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Trembling, Weakness or Exhaustion of the most fearful kind, speedily cured by Dr. Johnston.

YOUNG MEN,

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school, the effects are nightly felt, even when asleep, and if not cured, render marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons, before contemplating

MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

OFFICE No. 7, SOUTH FREDERICK ST.,

BALTIMORE.

TO STRANGERS.

The many thousands cured at this Institution in the last fifteen years, and the numerous important surgical Operations performed by Dr. J., witnessed by the reporters of the papers, and many other persons, notice of which have appeared again and again before the public, is a sufficient guarantee to the afflicted.

N.B. There are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the already afflicted, Dr. Johnston deems it necessary to say to those unacquainted with his reputation, that his Diplomas hang in his office.

☞ TAKE NOTICE.—All letters must be post paid, and contain a postage stamp for the reply, or no answer will be sent. Feb 25, '63-1yr.

The undersigned, having resigned his position as Paymaster in the U. S. Army, has opened at No 204 SOUTH FOURTH STREET, an AGENCY FOR PROCURING PENSIONS, and for the collection of OFFICERS', SOLDIERS', and all other CLAIMS against the Government.

My long experience as Paymaster, has given me unusual facilities for becoming thoroughly acquainted with this business in all its details. On the receipt by mail, of a statement of the case of claimants, I will forward the necessary papers for their signature. Personal attention will be given to the cases at Washington.

No charge unless successful, when $5 will be charged for collecting all sums under $30, and $10 on all sums over that amount and under $200. Larger claims taken on special arrangement. Fees in Pension Cases as fixed by law.

INFORMATION FOR AND INSTRUCTIONS TO CLAIMANTS.

All Soldiers of the present war, who have served two years, and Soldiers discharged for wounds received in battle, without reference to time of service, are entitled besides their regular pay, to $100 Bounty.

In case Soldiers or Seamen are discharged for *disability or wounds* received *while in the service,* they are entitled to a Pension according to the disability.

In case of the death of the Soldier before discharge, through disease contracted, or wounds received while in service, his widow is entitled to receive the $100 Bounty, besides arrearages of pay and pension during her lifetime or widowhood.

If the Soldier die after discharge, from disease contracted or wounds received while in service, his widow is entitled to a pension of $96 per annum.

If no widow or minor children, the mother of the Soldier or Seaman will receive the Pension, if dependant on him wholly or in part for support.

If deceased Soldier or Seaman leaves no widow, his children are entitled to the same benefits as the widow, except when the children may be over the age of 16 years.

If no widow or minor children, the bounty and pay will descend to the heirs as follows:

First to the Father, second to the Mother, third to the Brothers and Sisters, and then to the next of kin.

Discharged Soldiers, whose clothing account was unsettled at the time of discharge, can recover any balance due them, if the Company books are not destroyed. To draw this balance, write to your Captain for a descriptive list, showing Clothing account, and forward it to me with your preliminary statement, giving also the date of your discharge.

Soldiers, who served with the nine months' volunteers, can recover $27 bounty and premium, without regard to time of service, if they have not already received it.

Soldiers who were prisoners in the South, and Soldiers who were absent on sick furlough, are entitled to commutation of rations.

In communicating with this office, state the nature of your claim fully, and give the Company and Regiment to which you or the Soldier for whom you claim belonged, as well as your present Post Office address.
