☞ We are requested to announce that the newly chosen People's Standing Committee of Union County are invited to meet at Jacob Deckard's Hotel, in Mifflinburg, on Saturday, Aug. 18, at 1 o'clock, to perfect an organization. A full attendance is desired.

Republican Nominating Election.

In accordance with the call of the Union County Republican Standing Committee, the Election of Candidates for Congress, Assembly and County Offices took place on Saturday last. The election passed off quietly, and a degree of harmony existed seldom witnessed at the polls. Considering that it was but a primary election, the vote was as full as was anticipated.

On Monday, the 6th inst., the Return Judges of the several districts met at the Court House in Lewisburg at 10 o'clock A. M., when Wm. P. Dougal of Kelly township was elected President of the Convention and William L. Harris and John B. Linn Secretaries. The roll of the several Districts was then called, and the following Return Judges answered thereto:

Buffalo—Thomas Cornelius; East Buffalo—Wm. L. Harris; Hartley—Robert Reed; Hartleton—Wm. Wolfe; Lewisburg, N. W.—F. A. Donehower; Lewisburg, S. W.—John B. Linn; Limestone—John Rinkert; Mifflinburg—George Gutelius; New Berlin—Abraham Black; Union—Archibald Thomas; West Buffalo—George F. Sheary; White Deer—A. W. Smith; Kelly—Wm. P. Dougal; Lewis—Joseph Sanders.

The convention then proceeded to receive and add up the returns of the several Election Districts, for the candidates to be supported at the ensuing Fall election for the several county offices making the following aggregate result:

	Whole Vote.	Maj.
Congress—J. W. Kellinger (no opp.)		823
Assembly—Thos. Hayes	566	—101
R. V. B. Lincoln	462	
Reg. & Rec.—George Merrill	652	—268
H. P. Sheller	384	
Associate Judge—Martin Dreisbach	415	— 72
James Shields	343	
Philip Ruhl	281	
Commissioner—Fred'k Bolender	331	— 4
Michael Kleckner	330	
Benj. W. Thompson	292	
Berryhill Bell	60	
*Auditor—Daniel Shaffer	52	
Mode of Nom'g—Voting Direct	459	—311
Delegate System	148	

On motion it was Resolved, That it be recommended to the Standing Committee to change the hours of holding election in country from 2 P. M. to 5 P. M. to from 4 P. M. to 7 P. M.

On motion, it was Resolved, That the nominee for Assembly be allowed to select his own Conferees to meet at Fremont, Snyder county, on Thursday the 23d day of August, 1860.

The following Standing Committee was then selected, on motion, by the Return Judges, of each District:

Buffalo—James McCreight; East Buffalo—Michael Brown; Hartley—R. V. B. Lincoln; Hartleton—Wm. Wilson; Lewisburg, N. W.—Dr. Wm. Leiser; Lewisburg, S. W.—J. Merrill Linn; Limestone—Daniel Reber; Mifflinburg—F. Smith; New Berlin—E. Smith; Union—Charles Cawley; West Buffalo—John Hayes; White Deer—L. F. Albright; Kelly—Scott Clingan; Lewis—Jacob Spigelmoyer.

On motion, the following Congressional Conferees were appointed to meet those from Dauphin, Lebanon, &c., to nominate a candidate for Congress, to meet at Georgetown, Northumberland county, on Friday the 24th day of August, 1860: Johnson Walls, Thomas Gutelius, John B. Linn.

The following Conferees were appointed to select a Representative Delegate to the State Convention: Theodore S. Christ, James Marshall, Frederick Smith.

*As no person had solicited the office of Auditor previous to the day of election, several gentlemen in different districts allowed their names to be used for that office, merely for the purpose of completing the ticket. Mr. Shaffer, of the North Ward, Lewisburg, having the highest number of votes, we deem it unnecessary to give the others.—ED.

The following Conferees were appointed to Select a Senatorial Delegate to the next State Convention: John. B. Linn, Wm. L. Harris, Francis Wilson.

On motion, J. M. Moyer, was invited to address the Convention; after a brief and stirring address by Mr. Moyer, it was Resolved, That the proceedings signed by the officers be published in the Republican papers of the county.

NORTHUMBERLAND, Pa., Aug. 3, 1860.

DEAR OLD EDITORIAL TABLE—*I'm off!* Yes, for old York State! Off for the home of my childhood! Off to gaze once again upon that rich blue sky which once looked so grand and mysterious—(and I wonder if it looks as far off and as glorious as did then!) Off to see the boys and girls with whom erst I played, and with whom I attended school, and whose parents with mine led us up to the house of God—(wonder if they have not outgrown my memory of them, and become sober-sided, wrinkled, money-loving, proud elderly men and women!) Off to see how big the fruit and maple trees have grown which I helped my father, brother and sister to plant. (Wonder if any vandal man or marauding insect or sweeping storm has dared to destroy them!) Off to see the lineal descendants of the silly little fishes which used to bite at my pin-hook—and to try to imitate the luck I had one day when I went "fishing" down on a mill-race, and caught a snake, a toad, and a mudturtle—(wonder if they answered for the sharp appetite with which I returned!) Off to see the pieces of wood which I put into water reservoirs to try the experiment, (which I was assured could be proved, that, thus treated, wood would last for ever! Off to see if the little sandstones which I put under the eaves of the old house and barn would "grow," if well watered! (Wonder if I was not slightly mistaken in both those youthful impressions!) Off to see if my apple trees are still thriving—if *my springs* near the school-house are still bubbling up—if that dear old red school-house still gathers the urchins to receive both instruction and correction—if that youthful wonderful waterfall, the "Pitch-Off," excels Niagara—if those long, steep hills my childish feet *would* climb all day and ached while climbing, are really so steep and high! Off to see if those good old men and women I thought would never die, have really gone the way of all the earth! Off to see how things look, any way, after an absence of TWENTY YEARS—not a very long time to put down in words, but when it embraces more than half of one's conscious existence, including his early manhood, marriage, and the vigor of his noon-day life, quite an important period to him.

"Off," I say—and good-bye to you, plain faithful, reliable, old pine table, ink-marked, and pasted, and exhibiting many signs of hard service for a long term. Farewell complaints and compliments, causes and candidates, old patrons and new ones, duns and receipts, cash and credit, Aiken and anxiety, exchanges and "evil communications"—farewell all! And welcome an idle hour, or pen free and "cause"-less, no care weighing down the spirits, and a hope of soon seeing hundreds of early friends and scenes of boyhood days which charm in memory like a fond dream of love or heaven. Welcome the prospect of a few weeks' pursuit of health and happiness!

—Off to York State, I say, and stopped in Northumberland to wish you good luck! Since I last looked around this delightful, quiet spot for summer loungings, half a dozen new buildings have been erected—quite an improvement on old-time customs here. Mrs. Burr's Hotel I find as cozy and comfortable as when I first stopped here, over twenty years ago. In an hour or so, I hope to try the new Railroad from here to Danville, Kingston, Scranton, and so on, Northward! Fare-ye-well, old table! I'll be back in time (I hope) to add my mite to faithful Abraham's credentials as chief ruler of a mighty people.

NARROW.

RUMORED RESIGNATION OF SECRETARY CASS.—A correspondent telegraphs the "Press," from Washington, that: There is a rumor afloat that Gen. Cass will not return to Washington, and that Daniel S. Dickinson is here for something. He is more orthodox than Gen. Cass, who never could be made to say, as Dickinson did the other night, "that Douglas was ten fold worse than Lincoln!"

A Missouri editor announces that the publication of his paper will be suspended for six weeks in order that he may visit St. Louis with a load of bear-skins, hoop-poles, shingles, bark, pickled cat fish, &c., which he has taken for subscriptions.

The Republicans have carried the city of Milwaukee, at a late election, by 932 majority. Milwaukee has always gone Democratic by 3,000 majority. The Germans, 2,000 strong, have wheeled into the ranks of Lincoln and Hamlin.

A correspondent of the Cincinnati Price Current, writing from Titusville, Pa., says 7,000 barrels of oil have been obtained from the wells in that region, and sold in New York at $15 per barrel of forty gallons. Some thirty wells have proved successful, yielding together about four hundred barrels per day.

A BAD SPLIT.—It is said that Chang and Eng, the Siamese twins, differ in politics. Both are veteran Democrats, but Chang is now for Breckinridge, and Eng for Douglas.

The N. Y. *Tribune* encloses within a mourning border, the names, addresses and occupations of those members of both branches of the Common Council who favored the Japanese robbery, and asks all persons to have no more dealings with them.

The Oswego *Gazette* has an editorial headed "Lincoln must not be elected." This is naturally a Postmaster's view of the question, but the people have decided differently.

Frank Pierce has received the degree of L.L.D., which has been conferred upon him by Dartmouth College. We presume the new Dr. will supply himself with the proper ingredients, and proceed forthwith to tinker up the Democratic party.

J. M. Morrison, cashier of the Manhatten Bank, New York, having inherited thirteen slaves in Kentucky, has emancipated them all. Two little boys he took to New York to be educated.

The British screw steamship Karnak, Capt. Brownless, from Nassau, N. P., July 28th, arrived at New York, Thursday morning. She brings intelligence of the landing at Nassau of the cargo of an African slaver, which, mistaking the Karnak for a man of war, had run ashore in her efforts to escape. The slaver left the coast with four hundred slaves on board, and had lost about forty. They are all quite young, many of them children, about fifty are females. They were suffering much from scurvy and hunger; the captain and mate are not yet found; they say the former cut his throat the first day out, and the mate shortly after was drowned. That, however, remains to be proved. They had been out 36 days.

NEW YORK, Aug. 5.—A suit has been commenced against the steamer Great Eastern for an infringement of an American patent in the combined use of the paddle and screw as a motive power. The damages are laid at fifty thousand dollars.

At Auburn, recently, a young man was resuscitated after he had been under water fifteen minutes. For half an hour he did not show any signs of life, although vigorous efforts were made to revive him. He had friends, however, who thought enough of him to persevere, and thus his life was saved. In nine cases out of ten, after a few minutes he would have been given up, and a life lost.

ANOTHER DISTINGUISHED VISITOR.—An English paper states that the Hon. Benj. D'Israeli contemplates a visit to the United States, accompanied by a few friends.

Mr. Bailey of N. H., sank a barrel of apples in his mill-pond last November, and took them out the 11th of May. They were free from speck, rot or wrinkle; as fair and fresh as when taken from the tree.
