Lewisburg, Pa.

FRIDAY MORNING, SEPT. 21, 1860.

A GENTLE.—Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Professional men, in short everybody, will do well to read the advertisement of the Rockaway Carriage, which has a large and increasing circulation in a community extending a wide circle of active, talented producers, consumers and dealers, as any in the State.

☞ **See New Advertisements.**

☞ We are so crowded with Job work that we must defer our account of Court.

—Courts in Snyder county, next week.

☞ A delegation of 60 to 80 Lewisburg Wide Awakes took the Canal yesterday to parade during the Muncy Encampment.

A HINT—The Selinsgrove *Times* (a Breckinridge paper) says:

The election on Douglas ticket has finally been announced. We observe that George Gross, of Union county, is the Elector from this district. His father is a candidate for Commissioner in Union county, and the grand upward march of his son George will amazingly help his election!

☞ Hershel V. Johnson, a slave-holder, and formerly a Secessionist, is on a stumping tour through Pennsylvania. Will he tell our farmers, laborers and mechanics—as he did in Philad. in 1856—his opinion that Capital should OWN rather than HIRE Labor?

☞ Last Saturday, Judge Douglas did "find his mother"—just where the old old lady has been for thirty years—in Clifton Springs, York State. His search has all New England and clear down into the Far State, was—like his Squatter Sovereignty—all a sham.

"BRECKINRIDGE" is said to be a Scotch name signifying *home-breaker*. This, the Douglas men say, is a very appropriate name for the party—Breckinridgers have seceded "from" up the parts houses, and are now doing "the national house" if they can't have their way!

☞ THE HUPSON BROTHERS are on a singing tour up the West Branch, and are well spoken of by the Lock Haven press. A friend of ours who knows them assures us they are superior singers and worthy gentlemen, and trusts they will be cordially received should they reach Lewisburg in their tour.

A BIG "STRAW"—A Lewisburger on a train of 14 cars between Lancaster and Philadelphia, on Wednesday, says there was a vote taken for Governor, with the following result: Curtin, 894, Foster, 25, non-committal, 4. Hershel V. Johnson and Carl Schurz were on board, but we suppose did not vote. [Johnson was to speak Wed. night at Williamsport.]

FRANKLIN BOUND of Milton is up for State Senate in the Northumberland district, opposed by Reuben Keller, who was nominated after a desperate struggle, and is very obnoxious, in some localities, and to the Breckinridgers. Mr. Bound is a man greatly his superior in character and influence, and may be elected.

☞ We neglected to notice that CHA'S T. HUSTON, after an examination by Judge Armstrong, C. Lloyd Esq., and Gen. Fleming, was admitted to practice at the bar of Lycoming county. Charley graduated at the "Chronicle" office—studied law in his spare time—and all who know him will rejoice to learn that his assiduity is crowned with success.

☞ The Northumberland Baptist Association held its 40th session in Williamsport, Friday to Saturday last—Andrew F. Shanafelt, Moderator; Joseph P. Tustin, Assistant Clerk; Robert Dunbar, Treasurer—for the session. Minersville church was dismissed to the Philad. Association, and the new churches of Bloomsburg, Trevorton, White Hall, and Forksville, were received. Baptisms reported, 102—total, 2014. Sermons by J. Anderson Kelly, J. Green Miles, and John R. Shanafelt. The next session to be at Danville, Wednesday 11th Sept. 1861—a reason by A. J. Hay.

ON Sunday, Messrs. Loomis, Mirick, Spratt, Ziegler, Hay, and A. F. and J. R. Shanafelt preached for five of the churches of the borough.

Friday evening, J. Hyatt Smith of Phil. preached an impressive and appropriate discourse from the text, "The glory of the latter house shall exceed the glory of the former," and was aided in the dedicatory services by Messrs. Sterling and Simonton of the Presbyterian churches, Dickerson, &c. The new Baptist house of worship, thus opened, is about 54 by 70 feet in size, has a fine spire, and is said to be most neatly and elegantly finished of any in town. It cost $10,000—and a debt, remaining, of $3,500, was provided for on that and the following evening, by the liberality of the visitors, members, and many friends from other congregations.

☞ The Foster papers mostly conceal the Maine Election from their readers!

☞ New Goods—at Walls' and at Kremer's.

During a recent thunder shower, the wire of the Williamsport & Elmira Telegraph was struck by lightning, near Granville Summit, the electric fluid passing over it for several rods, and destroying forty posts. A large black snake lying near one of them was killed.

An enthusiastic Lincoln man, who has been in Northampton county, Pennsylvania, thinks that that hitherto unconquered Democratic strong-hold will give Lincoln a majority!

The Republicans of the Lancaster District of Pennsylvania have renominated Thaddeus Stevens for Congress, by acclamation.

Garibaldi is still gaining in Italy, and alarming the despots.

☞ The Democrats have had two street meetings, with Press' and Held's Bands, in Lewisburg, this week. Monday evening, at Hartsel's, Ira C. Mitchell of Bellefonte and A. H. Dill of Lewisburg were the speakers. Wednesday evening, at Cox's, speeches were made by Messrs. Dill, Jos. C. Butcher of New Berlin, Buffle Roberts of Pittsburg, and Charles H. Shriner of Mifflinburg. They were generally mild, plausible, in their labored efforts to prop up an evidently sinking cause, but wandered, often, far from the issues before the people, and exposed themselves to severe criticisms by their perversions or concealments of facts, on the Tariff question in particular. The Republicans comprised a large majority of both audiences, and were apparently as well pleased as the Democrats with the general effect!

On Monday evening, three Republicans standing in the crowd were spattered with the contents of a "good egg" thrown against the house. We have no knowledge, whatever, of the perpetrator of the deed—but, whether he be a Republican, Democrat, or thoughtless boy, he receives the unpublished condemnation of all reputable persons, and if ferreted out should be punished to the extent of the law.

The "Erie Sewing Machine," which is flooding the whole West, is said by those who have used it to be a very excellent family machine. Address, for particulars, J. N. Boylan, Secretary Erie Sewing Machine Co., Milan, O.

DR. WISTAR'S BALSAM OF WILD CHERRY.

In the whole history of Medical Discoveries no agency has yet proved the success of such remarkable cures of the diseases which attack the Throat, Lungs and Chest—for which it is a specific. We speak of

From Mr. J. C. Smith.

LEWISTOWN, Pa., May 7, 1860.

Some eight years since I was attacked with a very severe cough, the long continuance of which alarmed me very much, and brought me to look for some remedy. I heard much praised the virtues of Dr. Wistar's Balsam of Wild Cherry, and was induced to try it. I found it to afford immediate relief, as the first dose I took eased the pain in my breast, and I received no benefit from any medicine so much as from this. I continued its use for a few days, when I was pronounced well. I gave it a trial, and was relieved of my cough before using half a bottle. I kept on using it until permanently cured. I would add, that several of my friends have used the Balsam with astonishing benefit.

Your truly, J. C. SMITH.

☞ Caution to Purchasers. The only genuine Wistar's Balsam of Wild Cherry has the signature of "I. BUSH" blown in the bottle, and the name of the proprietor on the outer wrapper; all other is vile and worthless.

THE ONLY PREPARATION

BEFORE CLOSE OF SEASON, CAN SUCCEED

As to Expel the Doubts of All.

STATESMEN, Judges, Editors, Physicians, of the United States, have set to rest the question of the efficacy of Dr. Wistar's Balsam of Wild Cherry, and recommended it for all those pulmonary complaints and diseases of the chest and lungs which have so long defied the skill of the faculty, and which have so long, year after year, and from being always worse and worse, been the dread of every man, woman and child.

Dr. O. Phelps Brown, late of Jersey City, N. J., has been for many years a practitioner in the city of New York, and during that time has devoted his entire attention to the study and treatment of Pulmonary Diseases, and has succeeded in producing a preparation which, when used according to the directions, will effect a cure in all cases where the disease has not gone too far to baffle the skill of any man, or to resist the powers of any medicine.

Dr. O. Phelps Brown's Pulmonary Balsam is not a new thing, but has been used by him in his practice for the last ten years, and has been used by his predecessor for a period of twenty-five years previous to that time, and has never been known to fail in the hands of either to effect a cure when the patient has not been too far gone to be benefited by any medicine.

Dr. O. Phelps Brown's Pulmonary Balsam is not a cure-all, but is a specific for Consumption, Bronchitis, Asthma, Coughs, Colds, and all diseases of the Throat and Lungs
