Burnside Still Holds Knoxville.

The Force Opposed to Him Reported At 36,000

HEAVY LOSSES AMONG THE REBELS.

They Abandon the South Side of the River.

Death of Brigadier General Sanders.

GEN. THOMAS MOVING TO BURNSIDE'S RELIEF

CINCINNATI, Nov. 23.

Major General Foster has arrived and will leave for Knoxville to-day.

Official advices from East Tennessee, up to 11 o'clock yesterday morning, are encouraging. At that time the firing at Knoxville was heard by our extreme outposts from Cumberland Gap.

Adjutant Stanley, of the 12th Kentucky Cavalry, arrived at Cumberland Gap yesterday and brings hopeful news of the situation of Gen. Burnside. He is still holding out, and has notified the citizens that he would certainly hold Knoxville.

The rebel force opposing him is estimated at 36,000 strong.

Knoxville is not closely invested. The enemy have withdrawn from the south side of the river, and our troops now forage there.

The artillery fighting on the 19th and 20th was very severe and the enemy sustained heavy losses.

Brig.-Gen. Sanders, who was wounded at Campbell's Station a few days ago, has since died.

The *Commercial* says: "The withdrawal of the enemy from the south side of Knoxville is significant of a decisive repulse. Gen. Burnside is holding Knoxville under instructions from Gen. Grant, and it is not to be supposed therefore that the forces under Gens. Thomas, Hooker and Sherman are wasting their time during the momentous days of the struggle at Knoxville. We are in hourly expectation of receiving intelligence of the most important character.

THE Washington *Chronicle* of Monday last has the following important announcement:

"Gen. Meade's army is under marching orders at daylight this morning. The officers and men are in the best of spirits, and the animals are in good condition. The army leaves with ten days' cooked rations in haversacks and wagons. All the sick and disabled have been sent to the rear—a large number of them having arrived in the city last evening. It is presumed that the army will cross the river at Germania Ford. It is rumored that the main force of Lee's army is at Hanover Junction, which is about midway between Fredericksburg and Richmond."

Gen. Butler has gone to North Carolina, to inaugurate the policy which he has commenced to administer at Fortress Monroe. Before leaving he began work on a plan for enlisting and organizing blacks in the Virginia portion of his Department.

For twenty-seven years she was a member of the Presbyterian church, exemplary, devoted, useful. Desolate indeed must the heart be, where such maternal and conjugal virtues gladdened the family circle; but Heaven's gains are made by such translations as these.

Madame Porter's Curative Balsam has long tested the truth that there are first principles in Medicine as there is in Science and this Medicine is compounded on principles suited to the manifold nature of Man! The cure of Colds is in keeping open the pores, and creating a gentle internal warmth, and this is caused by the use of this Medicine. Its remedial qualities are based on its power to assist the healthy and vigorous circulation of blood through the lungs, it enlivens the muscles and assists the skin to perform its duties of regulating the heat of the system, and in gently throwing off the waste substance from the surface of the body. It is not a violent remedy but emollient, warming searching and effective. Sold by all druggists at 13, and 25 cents per bottle. [July 2C.

George Steck & Co Pianos.—CRESSON SPRINGS, Aug. 1863.—Mr JE. GOULD, Seventh and Chestnut streets, Philadelphia—DEAR SIR.—Having had frequent opportunities of examining the Pianos made by Messrs. George Steck & Co., New York, during the past few years, in the practice of my profession as Tuner, I pronounce them the most perfect instruments I have ever seen.

In point of touch, equality, and *singing tone* they may defy comparison with any and all other makes, while in the upper two octaves (treble notes) they are *incomparably* the finest I have any knowledge of.

DR. RADWAY'S PILLS THE PILLS THAT CURE.—There are thousands of persons who have for years been dosing with some favorite pills, and imagine that they cannot live without them. When we hear that a man has been taking so and such "pills for years," it is fair to presume he is taking a worthless remedy. Yet there are many who have been afflicted with Costiveness, Indigestion, Constipation, Liver Complaint, Jaundice, Dyspepsia, &c for years, and from habit have used some favorite pill that affords mere temporary relief, without thinking that the pills they are taking increases the original complaint. Now we guarantee that if these misguided people will take Radway's Pills that from one to six doses will cure them.
