Lewisburg, Pa.

FRIDAY MORNING, DEC. 7, 1860.

☞ Manufacturers, Merchants, Mechanics, Professional Men in Town and Country, Publishers—in fact, Men in all and all do well to employ the medium of the Chronicle, which has a large circulation in a community containing a population of active, solvent producers, consumers and readers, as any in the State.

☞ See New Advertisements.

☞ Read our Prospectus on last page. Please cut it out, and get us up a Club. Five Club of 20, at $1 each, we send a copy gratis.

☞ The announcement, in advertising columns, for the Seventh Years' offers of the "Cosmopolitan Art Association." Its artist, large steel-plate Engravings alone are worth the price of membership.

☞ Jacob P. Rogar announces that he has sold the Middleburg *Tribune* to Messrs Rogar & Swenger, who will hereafter publish it.——Judge Graham, of Carlisle, is expected to hold the Court in Snyder county, next week.

☞ The Book advertised in our columns to-day is one of those which are often needed by common business men, to give them information on the ordinary affairs of life. Very many of our people would transact both public and private business much better, were they possessed of the knowledge so easily obtained by such a volume as this. The book is in print, and Editor, Publisher, and Agent are reliable men, so that in this case there is no risk in subscribing for it.

DISTRESSING CASUALTY.—We regret to learn that Hon. A. S. Wilson, President Judge of this district, met with an accident on Monday morning, by which he received his leg broken. After arising, he went into the yard attached to his residence, and the pavement being slippery, from the frosting and fell, breaking the thigh bone of his right leg entirely off. The broken limb was set by Dr. VanValkenburg and we are pleased to learn the Judge is getting along as comfortably as can be expected under the circumstances.—*Lewisburg Democrat, Nov. 29.*

☞ In one of Judge Wilson's age, the mending of a limb already paralyzed is a very serious matter, and at best will lay him by for some months. We can assure him that the people of Union county deeply regret his affliction, and wish him to be satisfied that they are desirous he should retain his position, the term for which he is elected, even if unable to perform its active duties again. Judge LINN, of Bellefonte, has very acceptably filled the place this week, and other Judges can doubtless be secured to attend all his appointments, at no expense to the counties, or very little additional cost to the State.

☞ There has not been a large attendance at the Adjourned Court this week—Judge Linn, Simonton and Walls on the bench.

The Suit vs. that of Philip Ruhl against Frank Wilson, resulted in favor of Deft. (Geo. R. D. Cummings against Hendricks and others of the everlasting White Deer Turnpike Company, was on trial and the Junior Editor himself "cotched in the Jury," before) which we last heard from the Court House.

On the night of the 7th ult., the residence of Jacob Heckman, an old resident of Penn Twp., Centre Co., was entered by seven men and robbed of $1,500 in gold. The robbers were disguised in various ways, and to this time they have not been detected, or any trace of them found. This is certainly one of the most flagrant violations of law, and the safety of society, we have heard of in many a day. It is evident that the persons engaged in the robbery, were not only familiar with the house, but well aware of the exact locality in which the old gentleman kept his money. Keeping any considerable sum of money on hand is a wrong practice.

Eli Rees, Treasurer of Potter Co., Pa., was accidentally shot dead last week, by a friend with whom he was out hunting. He was a strong, useful man, in the prime of life, and leaves a family. How many more precious lives shall be sacrificed to the foolish habit of pleasure-hunting?

Of the 65 counties in Penn'a, only Berks, Clarion, Clearfield, Columbia, Elk, Fulton, Greene, Monroe, Northampton, Pike, Sullivan, and York (12) gave Mr. Fusion a majority over Mr. Lincoln.

Col. Seeley, of the Bellefonte *Watchman*, in consequence of ill health offers for sale his interest in that leading Democratic paper. We should say it is a good chance for some one of that persuasion.

DR. WISTAR'S BALSAM OF WILD CHERRY.

Where the article is known it is a work of supererogation to say one word in its favor, so well is it established as an unfailing remedy for *Coughs, Colds, Bronchitis, Croup, Whooping Cough, Asthma, Quinsy, Pulmonary diseases of the Throat, Chest, and Lungs*, as well as that most dreaded of all diseases, Consumption, which high medical authority has pronounced to be a curable disease. Those who have used this remedy know its value; those who have not have but to make a single trial to be satisfied of all others in the remedy.

From WM VANGEZER, Esq.

LEWISBURG, Union Co., Pa., May 7, 1860.

This certifies that my wife has been afflicted with Consumption for the last four years and had become so reduced that she was unable to move or walk across the room, and a good part of the time unable to be out of bed. She would be seized with violent attacks of coughing, until she would be almost exhausted and breathless. She received the attendance of as good physicians as could be found in the city of Philadelphia and the country, but to no effect. I was at last induced to try Dr. Wistar's Balsam of Wild Cherry, and the effect for the better was truly astonishing. Before she had taken two bottles she fell and sprained almost as well as ever, so much so that it became necessary for her to use any now except necessaries from having caught cold from exposure, or from sudden and unfavorable change of weather. I have always been opposed to Patent Medicines, and pronounced them humbugs; but I must say that Dr. Wistar's Balsam of Wild Cherry is an exception. I unhesitatingly recommend it to the public as decided by the best and most efficacious remedy in cases of Consumption.

WM VANGEZER.

☞ Caution to Purchasers. The only genuine Wistar's Balsam has the written signature of "I. Butts" and the printed one of the proprietors on the outer wrapper, all other is vile and worthless.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by F. S. Caldwell, and J. Walls & Co., Lewisburg.

Dyspepsia.—What is it? how cured? This question is fully answered in the pamphlet issued by Dr. O. Phelps Brown, and to be obtained of the authorized agents. It is a plain, straightforward, intelligible treatise, on the cause of this, health, and disease. Dr. O. Phelps Brown, who prepares a remedy which is universally said to be efficacious, The Active Remedy, for cases of consumption, asthma, bronchitis, coughs, colds and sore throat, he will show on the manifest delicacy of the subject, the world can show no parallel to the success attained by the Active Remedy. Both medicines have been for a number of years in the hands of druggists, and have proved to be of wonderful efficacy. The patent medicine agent, Mr. HARER & CO., Lewisburg, now agent, who has on a small number of these bottles, from the whole stock in the province, wishes to introduce this from his house, recently, in order to test for himself its merits and disclaim of its being a humbug, offers.

A sample of specimen bottles, price 25 cents may be obtained, as above, if specially applied for.

LINDSEY'S Improved BLOOD SEARCHER,

A STANDARD MEDICINE

For the speedy, radical and effectual cure of ALL diseases arising from IMPURITY OF THE BLOOD!

THIS medicine has wrought the most miraculous cures in desperate cases of

Scrofula,	Cancerous formations,
Cutaneous diseases,	Erysipelas, Boils,
Pimples on the face,	Sore Eyes, Scald Head,
Old stubborn Ulcers,	Rheumatic disorders,
Tetter affections,	Gravel,
Dyspepsia, Jaundice,	Salt Rheum,
Mercurial diseases,	General debility,
Liver Complaint,	Loss of Appetite,
Low spirits,	Foul Stomach,
Female Complaints—and all diseases having their origin	

in an impure state of the Blood.

The above is a portrait of David M'Creary, of Napier Twp., who on the 1st day of August 1856, made affidavit before Justice Insley that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Nelson of the Eclectic College, Cincinnati, for a period of nearly eight months, notwithstanding which his nose, face, and a portion of his left cheek were entirely eaten away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and (although sadly disfigured) there is no question but this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a Circular to be had of any of the Agents.

We also refer to a case of Amos Bleakney, of Elderton, Armstrong Co., Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Anisonville, Clearfield Co., who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria Co., Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than M'Creary's.

The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular to be had of any of the Agents.

REITMEYER again before the People for the **Fall Trade**, with the most extensive assortment of BOOTS and SHOES ever yet offered to this community, which are all fresh from our Eastern Markets, and have been selected with great care, so that he is prepared to offer greater inducements than ever, and having experienced the advantage for the last six months in selling cheap for cash, he has become convinced that it is the only safe rule, for without money it is hard to do a successful business, and there is no other system that will justify a man in selling goods below a regular percentage. He again invites the special attention of full cash buyers for and town, who would be pleased to favor him with a call, and examine his large stock of BOOTS, SHOES, GAITERS, TURNS, CARPET BAGS, MOROCCO SKINS, FRENCH CALF SKINS, &c., &c., trusting that he will fit you out with anything in his line at even that average value during the week. "We still go to Reitmeyer's for cheap Boots & Shoes."

Thankful for past favors from all quarters, he hopes, by strict attention to business and a disposition to please all, to receive a continuance of the same.
